"Leasehold Improvements" means all fixtures, improvements, installations, alterations and additions from time to time made, erected or installed by or on behalf of the Tenant or any former occupant of the Premises, including doors, hardware, partitions (including moveable partitions) and wall-to-wall carpeting, but excluding trade fixtures and furniture and equipment not in the nature of fixtures;

ASH KNIGHTLEY has a history of **ATTACKING HELPLESS WOMEN** in the building at 903 Esquimalt Road as well as **FORCING OTHER DEFENCELESS INDIVIDUALS** to **MOVE TO ENRICH HIMSELF!** I'VE seen **ASH KNIGHTELY** become **VIOLENT** so once **ILLEGALLY LOCKED OUT** it was **NEVER SAFE TO RETURN** (indictable offence of Intimidation) and still is not! **A. KNIGHTLEY** agreed to extend from October 1 to 31 2018 to vacate the premises I'd endured at for over 5 years. When I informed **ASH** I'd be liquidating my equipment & fixtures out of professional courtesy I **WAS ILLEGALLY LOCKED OUT** SO **ASH COULD STEAL MY TRADE EQUIPMENT/FIXTURES** & gift my stolen property to another tradesperson for **FREE** without paying a dime for the tens of thousands invested to create my beautiful trade proprietorship.

594 Head St. was four white walls when I leased the room in 2013 and that is exactly how it was going to be left for the next leaseholder or they **PAY FOR MY WORK & PROPERTY** plus twenty percent as it is written as per **THE COMMON LAW!** Do those who've stolen tens of thousands of work & property from me understand? **EVERYTHING ATTACHED TO THE WALLS** of 594 HEAD STREET by **LAW IS MY TRADE EQUIPMENT OR TRADE FIXTURE** and it **BELONGS TO ME UNTIL PAID FOR!** DO those who believe they have a right to steal my private personal & tradesperson property **UNDERSTAND? JUSTICE REQUIRES ACTION!**

All have 'rights'. If they do not assert those rights, no one will. To reiterate there is no intention to cause damage, only gently & peaceably remove belongings, trade fixtures & trade equipment.

That was always the intent. For health reasons, there is no consent to being “supervised”. The suggestion is insane & violates my rights. The ‘landlord’s’ *suggestion* is beyond disturbing & makes those like myself, a sensitive & empath beyond uncomfortable to the point of punitive injury. Toxic environments make it impossible for my race to function efficiently therefore, logically, appropriate boundaries as previously elucidated must be respected.

When a commercial tenant vacates the commercial property that he has been leasing, he can remove all of his personal property and some “trade fixtures” that were located on the the premises. Trade fixtures are removable personal property that a tenant attaches to leased land for business purposes, such as a display counter. For a commercial tenant to be able to remove a trade fixture, the item in question must be:

- Necessary for the business of the tenant,
- Removable without damage to the property, and
- Removed from the property within a proper time.

If a trade fixture does not meet these three requirements, it will become the property of the commercial property owner when the commercial tenant moves out, even if it was installed by the tenant. Trade fixtures in commercial leases are different from fixtures in residential leases, in that commercial tenants sometimes have the right to install and remove trade fixtures.

1. Ownership of the leasehold

improvements – The basic common law principle relating to leasehold improvements is that whatever is fixed to the freehold of land becomes part of it. Therefore, depending on what improvements are made, the subtenant may be foregoing ownership of the proposed additions to the land and building. Fixtures placed on leased land become part of the freehold property of the landlord. This occurs automatically by operation of law. The parties can, however, make an agreement regarding the rights in fixtures effective only as between themselves. Such an agreement will not affect the rights of third parties.

It may be helpful to add an example to clarify what is a fixture. If a leasehold improvement can be removed without damaging the structure or violating the terms of the lease, the tenant or subtenant has the right to remove it when he or she leaves. For example, the owners of a spa could opt to take their hot tubs, saunas, and body treatment equipment with them, stripping the space so that it looks like it did originally. On the other hand, if a tenant or subtenant installs an air conditioning or heating system on the premises, removing the system would very likely damage the structure, and so the leasehold improvement is considered the property of the landlord.

Tenants for years may take down, such useful and necessary erections as they have put up, during their term, for the benefit of their trade or manufacture, they may (see *Miller v. - ii) Special rules apply to domestic fixtures in the home (*TSB Bank v Botham* [1996]), although the key issue is still whether the object intended to provide a lasting improvement to the home.

4 Tenants have the right to remove certain fixtures called 'tenant's fixtures':

- i) ornamental and domestic fixtures (*Spyer v Phillipson* [1931]);
- ii) trade fixtures (*Young v Dalgety* [1987]);
- iii) certain agricultural fixtures.

Tenants are under a duty to make good any damage (*Mancetter Development Ltd v Garmanson Ltd* (1986)).

Property is either "real property" or "personal property." Real property is "immovable" and includes land and buildings.

Personal property is "movable" and includes furniture, fixtures, and equipment the tenant uses in its trade or business and is entitled to remove at lease expiration. Such personal property usually is defined as a "trade fixture." Unfortunately—

lease. Almost everything that a tenant attaches to real estate can be deemed its trade fixture.

The tenant's intent is the key factor in deciding whether it is a permanent fixture or the tenant's trade fixture.

As you can see this exception has usurped that black letter law. When a tenant attaches items to a building for the purpose of carrying on its trade, that item is considered the tenant's trade fixture. Under the law, a tenant is allowed to remove one's trade fixture from the realty as long it is something that the tenant placed on the real estate. Removal is allowed as long as the real estate is in the same condition as it was when the tenant moved into the space and the removal doesn't damage the property. Thus, if the tenant installs a ceiling fan above the tenant's desk, the tenant is allowed to remove that ceiling fan.

COURT CLAIM FOR SHOP EQUIPMENT & PERSONAL CHATTEL THEFT

This is an affidavit of Truth, not 'fact'. Truth is static; "facts" can, do and will change.

The plaintiff understands why the action brought against defendant Ash Knightley was rejected. The plaintiff was not careful to clarify responsibilities and expectations of a peaceful community in which Consideration, Justice, Respect, Remedy, Restitution & Amity reign towards all.

The plaintiff begs pardon for not making clear or providing an explanation of why this particular race, ancestry and cultural heritage are forbidden to make use of "*codes, statutes, regulations, acts & legislation*" in relation to claims presented to those acting as "*the court*" as these creature constructs and those who practice such create chaos not harmony.

The plaintiff's minority is only permitted to operate inside the boundaries of the Way, the Truth and the Life as are those who enter into relationships with or offer private or public services to this small maltreated assembly. These elementary instructions are found inside the first five books of the Bible sitting in every courtroom in the commonwealth. Unalienable directions & procedure of Law, being Tanakh, are applicable to every person, agency, corporation, company, court, group, neighbourhood and nation. The plaintiff is not permitted to accept Lawlessness as rebellion towards the narrow road is arrogance & duplicity at best, sorcery at worst as it is written:

REBELLION: 1 Samuel 15:23 The sin of black magic is rebellion. Wickedness and idolatry are arrogance. Because you rejected the Word of *the Almighty*, He rejects you... Deuteronomy 18:10 Here are things you must not do. Don't sacrifice your children in the fire to other gods (abortion). Don't practice any kind of evil magic at all ("*legislation, acts, statutes, or codes*" written, practised, & interpreted by liars=lawyers/judges). Don't use magic to try to explain the meaning of warnings in the sky or of any other signs (astrology). Don't take part in worshiping evil powers (those filled with their own thoughts Isaiah 5:21; 40:23; 47:10; 65:2 Jeremiah 6:19 Proverbs 3:7 are fools Proverbs 13:20). The plaintiff's race are forbidden to deal with fools <https://biblehub.com/psalms/1-1.htm>.

NARROW ROAD: Deuteronomy 5:32 Be careful, therefore, to do exactly what the Almighty has commanded you; do not turn right or left! Deuteronomy 28:14 Do not turn aside to the right or the left from all the things the Most-High has commanded, and do not follow other gods to worship them. Exodus 20:3 Deuteronomy 5:7 Psalm 81:9 Isaiah 35:8 Matthew 7:13-14 Revelation 21:8, 27; 22:15

ARROGANCE: Psalm 5:5 The arrogant shall not stand in your sight. You hate all evildoers. Psalms 119:85 The arrogant have dug pits for me to fall in; this is not in keeping with your *Torah!*

DUPLICITY: Psalm 119:113 I hate doubleminded people, but I love your *Torah*. James 1:8 *The splinter of divided loyalty shatters your compass and leaves you dizzy and confused.*

SORCERY: Deuteronomy 18:14 The nations you will force out listen to people who use magic and witchcraft, but the Most-High will not let you (the plaintiff) do those things. Revelation 18:23 Light from lamps will never shine in it again. Voices of brides and grooms will never be heard in it again. Its merchants were the important people of the world (politicians, bankers, CEOs, priests, popes, judges, doctors, intellectuals etc.), because all the nations were deceived by its witchcraft

(people & nations with hatred for and existing outside of Tanakh which is Authority/Gospel of the Kingdom).

The plaintiff operates in and will not be denied unalienable Consideration, Respect, Justice, Remedy and Restitution as written: [Proverbs 28:5](#) Evil people don't understand justice, but those who follow Torah understand completely. [Proverbs 29:7](#) The righteous (plaintiff) care about the rights of the poor; the wicked ("the court"/defendant) don't care at all.

ACCURATE REALITY Common Law Judicial Procedure

Persons who operate outside unalienable Tanakh are occultists practising sorcery. Sibyls are forbidden JURISDICTION over claims the plaintiff's race file with those acting as "the court". Failure to provide the plaintiff's minority with public services or 'courts' according to Tanakh is exclusion, malicious persecution, discrimination & blasphemy Numbers 5:6 Exodus 22:28 Matt. 12:31-32 Luke 12:10. Arrogance, hatred, bias, injustice, theft & chaos will not be tolerated.

It is imperative to understand the plaintiff's people are strangers or foreigners not from "the world" <https://biblehub.net/search.php?q=not+from+the+world> and why they are of the RH negative (6% of population) bloodline which is proven to be of no earthly origin. This minority has rare personality traits & astuteness including but not limited to: Counsel/Scripture, Fear of the Almighty, Knowledge, Strength, Truth, Understanding and Wisdom as written Isaiah 11:2. A peculiar people with communication skills incomprehensible to those of 'the world' 1 John 4:5-6 These enemies belong to this world, and the world listens to them, because they speak its language. We belong to God, and everyone who knows God will listen to us. But the people who don't know God won't listen to us. This is how we can tell the Spirit that speaks the truth from the one that tells lies.

Historically the plaintiff does not fair well standing in or dealing with those acting as "the court" as written Amos 5:10 You people hate anyone who challenges injustice and speaks the whole truth in court. Isaiah 59:15 There is no truth-telling anymore, and anyone who tries to do right finds themselves a target. *It's true*. The Eternal One saw *it all* and was understandably perturbed at the absence of justice. Psalm 58:2 Isaiah 3:14; 5:23; 10:1; 29:21; 59:4, 13

In regards to the Notice of Civil Claim filed against defendant Ash Knightley the plaintiff must adhere to a standard of two or three witnesses to establish the Statement of Truths (the plaintiff will not deal in 'facts' as facts are not Truth, facts are twisted and can, do & will change). Deuteronomy 19:15 One witness is not enough to convict anyone accused of any crime or offense they may have committed. A matter must be established by the testimony of two or three witnesses. Matthew 18:16 But if they will not listen, take one or two others along, so that 'every matter may be established by the testimony of two or three witnesses.' It is defendant Ash Knightley (a witness) who has continually established irrefutable evidence against himself for breaching multiple written contracts as well as repeated actions of theft of trades equipment/fixtures & personal property in order to entirely ignore the health, welfare, safety and unalienable rights of the plaintiff.

Below are TRUTHFUL assertions NOT '*factual*' statements. Those who deny or argue the Truth are in dishonour. The plaintiff will deal harshly with those who attempt indignity in any claim of action filed with those acting as "the court". The plaintiff is finished with injustice and stealing.

Part 1 Statement of facts

1. Plaintiff entered commercial lease agreement May 2013 ending October 2018 with defendant who did not provide full disclosure of his vile character or malicious intentions. **Regardless of whether commercial or residential this matter is between a landlord "the defendant" and a tenant "the plaintiff". For these reasons a civil claim has been presented to those acting as "BC Supreme Court".**

From 2013 to 2018 there were **three** contracts signed stating tradespersons equipment and fixtures belonged to the tenant being the plaintiff in this action. The plaintiff spoke to multiple business owners who claimed they removed from walls their assets and took trade equipment/fixtures upon moving. The space leased in 2013 was four entirely void white walls. The plaintiff had plans to remove assets without damage to property or the space, which is her right as trade fixtures/equipment belong to the tradesperson. The plaintiff also studied 'legal' jargon which makes clear a tenant has the right to remove anything attached to the walls used in their trade. Ash Knightley is making significant financial gain using the plaintiff's time and stolen trade equipment & fixtures. The defendant's actions are unlawful and illegal. This is fairness, this is Justice: Zechariah 8:16 You must do these things: Speak the truth to each other. Give correct and fair verdicts for peace in your courts.

Repeatedly the defendant entered the plaintiff's leased space illegally without giving proper lawful notice. **This is a statement of Truth, not 'fact'. It proves a history of utterly disrespectful, unlawful and illegal actions by the defendant against the plaintiff in this case.**

2. Defendant provided plaintiffs personal contact information without plaintiff's consent. **This is a statement of Truth, not 'fact'. It proves a history of rude, unlawful and illegal actions by the defendant towards the plaintiff.**
3. Multiple breaches of contract by defendant reverse all agreements. Restoration of monies paid June 2013-Sept 2018 to defendant plus damage deposit will be restored to the claimant in this matter as it is written.

Breach of contract #1: The defendant has violated 3 leases stating trade equipment/fixtures are the property of the leaseholder. Commercial agreements have this Truth as common. Chattel attached to the walls was purchased for use of the plaintiff's trade making it property of 'the tenant' who has every right to be restored for the assets stolen by the defendant plus 20% as per unalienable Torah Law. Breach of contract #2: The defendant locked the plaintiff out to steal trade fixtures/equipment and personal property violating a second written contract between 'landlord' and 'tenant'. Leviticus 19:11 You must not steal, you must not tell lies, and you must not deal falsely with your neighbour. Zechariah 5:3 Then the angel told me, "This is the curse going out across all the land. Anyone stealing will be purged according to what's on one side of the scroll, and anyone swearing lies will be purged according to what's on the other side.

4. May 13 to July 3 2013--49 days business building expertise 8 hours per day @ \$30 per hour owed to the plaintiff by the defendant. **This statement of Truth pertains to Legal Maxim: The worker is worthy of their hire. Exodus 20:15 Matthew 10:10**
5. Construction costs, materials, wall decor, lights, hardware, paint, door signs etc. **The defendant is using an investment created and paid for by the plaintiff enriching his property and wealth unlawfully and illegally as it is written:**

Deuteronomy 5:19 You are not to steal.

Leviticus 19:13 You will not oppress your neighbor or rob them. The wages due a hired hand must not remain with you until morning.

Exodus 22:7 Suppose someone leaves money or goods with a neighbor for safekeeping, and they are stolen from the neighbor's house. If the thief is caught, the compensation is double the value of what was stolen.

Leviticus 6:2-5 A person might rebel against the Almighty by doing one of these crimes: He might lie about what happened to something he was taking care of for someone else, or he might lie about a promise he made. He might steal something or cheat someone. He might find something that had been lost and then lie about it. He might make a promise before the Most-High about something and not mean it, or he might do some other crime. If he does any of these things, he is guilty of crimes. He must bring back whatever he stole or whatever he took by cheating. He must bring back the thing he took care of for someone else. He must bring back what he found and lied about or any other object he lied about. He will repay it entirely plus 20% of its value. He must give it to its rightful owner the very day he makes restitution.

6. Moving costs incurred due to defendant refusing to return plaintiff's damage deposit. **The defendant believes he has a right to steal trade fixtures/equipment and personal property from the plaintiff then claim a contract never agreed to for "storage fees" to procure the victim's damage deposit as well. Immediately upon offer the plaintiff refused the defendant's agreement offer to pay storage on the stolen property. The defendant was attempting to cover up multiple breaches of contract and theft over five thousand of the plaintiff's assets trying to make his crimes & psychopathy look like "goodwill" by "storing" her pilfered belongings and charging "storage fees".**
7. Property damage due to unsuitable moving conditions caused by unlawful actions of defendant. **Much of the stolen property retrieved after threats from the defendant to gift the stolen assets to 'goodwill' was damaged as professional movers could not be hired to avoid damages to the plaintiff's belongings.**
8. Stolen commercial property and/or property no longer usable due to stolen or missing parts/pieces. **As the plaintiff was unable to pack up her property personally after the illegal lock-out upon retrieving some of the stolen assets the defendant has kept or discarded pieces, equipment or personal goods of the claimant. When the plaintiff enquired about the stolen or missing property and equipment the defendant lied. Property and/or equipment not complete must be restored by the defendant at current market value plus 20% as per unalienable Torah Law.**
9. All breaches of (Torah) Law carry penal damages of 20% payable by defendant.

Leviticus 19:15 You will not pervert justice; you will not show partiality to the poor or favoritism to the rich; you will judge your neighbor fairly. Deuteronomy 25:1 If there is a dispute between neighbours, they are to go to court to be judged, so that the innocent, (in this case plaintiff) may be acquitted and the guilty defendant Ash Knightley condemned. Deuteronomy 24:17 Do not deny justice to the foreigner (my race are strangers in this cursed "world") or the fatherless, and do not take a widow's cloak as security. Proverbs 18:5 You must be fair in judging others. It is wrong to favor the guilty and rob the innocent of justice. Malachi 2:9 You have not been careful to do what I say. You take sides in court cases. So I have caused you to be hated and disgraced in front of everybody.

Those acting as “the court” are required to understand the defendant is a multi-millionaire owning multiple homes, residential/commercial buildings, a Harley Davidson etc who has viciously stolen from an indigent widow to put her health, welfare, safety & peace in jeopardy. Ash Knightley believes he is “above the law” so the plaintiff will have no recourse afforded to her, as usual by “BC public services” to hold him accountable due to ‘public servants’ history of injustice, complete disregard, slander, liable & malicious persecution of the plaintiff as those acting as “BC public servants” hate the plaintiff’s race and cultural heritage Matthew 10:22 Mark 13:13 Luke 21:17.

Truth is there are only two races, children of the devil or children of God 1 John 3:10 Here is the clear difference between God's children and the Devil's children: those who do not do what is right (follow Torah) or do not love others are not God's children. There is perpetual war between children of the Devil and children of God Psalm 69:4; 139:21-22 Proverbs 12:8; 29:10, 27 John 15:18; 17:14

Over five years the plaintiff witnessed the defendant renovict residence (exploitation), some he violently attacked, some had lived there for decades from the building at 903 Esquimalt Road in order to more than triple the rent. The defendant, a wolf in sheep’s clothing is not concerned in the health, welfare or safety of the weak, vulnerable or widows (discrimination) as he is only looking to enrich himself at all costs. Those renting from those acting like the defendant want their rights respected and their voices heard evident in the following article:

Study highlights critical impacts of Victoria housing market

Renters in Greater Victoria face more harsh challenges, a new study shows. While renters living in the region consider Victoria home, 77 per cent said they would stay if they had a choice, but with high rent and low availability 76 per cent said it is somewhat likely they will be forced to leave due to housing pressure. “People feel that even if they have housing, their number will soon be up,” says Cameron Welch of Victoria Tenant Action Group. “And when it is, being forced out into this housing crisis is like being thrown to the wolves. So they’re stuck, they’re always stressed out, and they’re vulnerable to being exploited.”

The study by Community Social Planning Council of Victoria and the Victoria Tenants Action Group revealed the tight housing market in Victoria means renovictions, demovictions, discrimination, living in poor quality housing and increased vulnerability for renters.

Taking the survey online and in-person round-tables, 500 renters took part highlighting the critical impact of affordability and lack of availability has on renters, the high levels of discrimination and feeling trapped in poor conditions.

More than 90 per cent of participants reported high rent as barrier to finding housing, 55 per cent cited and increasing cost as a threat to remaining in their current home and 47 per cent did not ask for repairs out of fear it would negatively impact their tenancy — one participant noted than after telling their landlord they needed pest control, an appraiser was called.

Nearly half of the participants felt they had been in a living situation in which their rights were violated, only one eighth had chosen to go through dispute resolution as most renters lack confidence they’ll be protected under the Residential Tenancy Branch. Citing impacts on life, unpredictability of outcome, uncertainty about the law and time as reasons for their reluctance.

“The CSPC did this study because the real experiences of renters are lost in policy dialogues, meaning well-intended policies are often misaligned,” says Diana Gibson, Senior Researcher with the Community Social Planning Council.

“Anyone engaged in housing policy and planning will want to look at this data.”

The report includes policy priorities indicated by renters and a call for more action by the municipal and provincial governments.

Scripture is alive, moving, breathing. Scripture is Reality which is not up for interpretation. The Word is what was, what is and what will be. Everyone has their name and life written in Scripture which the plaintiff will now make certain. Even “the court”, the system as a whole and its performers all have their names and lives written in Scripture. Unfortunately, it’s not good news.

Ezekiel 18:12 He=(defendant ASH KNIGHTLEY) oppresses the poor and needy; he=(defendant A. KNIGHTLEY) commits robbery & does not restore a pledge=(breach of contract by defendant A. KNIGHTLEY) refuses to honor the lease or return the DAMAGE DEPOSIT to murder & steal from

the plaintiff). He=(defendant A. KNIGHTLEY) lifts his eyes to idols=(Mammon 'money'); he=(defendant A. KNIGHTLEY) commits abominations.

Jeremiah 5:28 That is how they (landlords like ASH KNIGHTLEY) have grown fat and sleek. There is no limit to the evil things they (landlords like A. KNIGHTLEY) do. They=(“civil servants/BC courts”) do not plead the cause of the fatherless in such a way as to win it. They=(“BC civil servants/BC courts”) do not defend the rights of the poor (the plaintiff in this Notice of Claim).

Jeremiah 22:17 But you=(defendant ASH KNIGHTLEY) only look for and think about what you=(defendant A. KNIGHTLEY) can get dishonestly. You=(defendant A. KNIGHTLEY) are even willing to kill innocent people to get it. You=(defendant A. KNIGHTLEY) feel free to hurt people and to steal from them=(the plaintiff who filed “Notice of Civil Claim”). Psalm 35:20

Jeremiah 22:3 This is what the Most High says: Administer justice and righteousness. Rescue the victim of robbery=(plaintiff in this matter) from the hand of their oppressors=(defendant ASH KNIGHTLEY). Do no wrong or violence to the foreigner=(the plaintiff is a foreigner), the fatherless, or the widow=(the plaintiff is a widow). Do not shed innocent blood in this place.

Isaiah 56:11 They=(“public servants/the court”, defendant A. KNIGHTLEY) are like greedy dogs that never get enough. They have no understanding. They each do as they=(“BC civil servants/the court”, defendant A. KNIGHTLEY) please and seek their own advantage. Jeremiah 9:5, 8

Jeremiah 21:12 “Civil servants of BC” this is what the Master says: You must judge people fairly every morning. Save the people=(the plaintiff) who have been robbed from the power of their attackers=(defendant ASH KNIGHTLEY). If you=(“BC civil servants/the court”) do not, the Almighty becomes very angry. His anger will be like a fire (Hell) that no one can put out, because you=(“BC civil servants/the court” & defendant A. KNIGHTLEY) have done evil things.

Isaiah 1:23 Your rulers=(“BC civil servants/the court”) are rebels, friends of thieves=(defendant ASH KNIGHTLEY). They=(“civil servants/the court”) all love bribes and chasing after rewards. They do not defend the fatherless, and the plea of the widow=(the plaintiff) never comes before them. <https://biblehub.net/search.php?q=oppression>

Psalms 10:3 Yes, the wicked=(defendant ASH KNIGHTLEY), boast because they=(defendant) get what they=(defendant) want; those who rob others=(defendant & person attempting to deny plaintiff’s claim) curse and reject the Truth. Micah 6:12 Isaiah 10:1

Understand that my race do understand Daniel 12:10. NO ONE will be dismissing the Notice of Civil Claim filed against defendant Ash Knightley or any other Civil Claim the plaintiff files.

Stamp the Notice of Civil Claim against Ash Knightley with the “court seal” for the plaintiff so it may be served on the defendant. Stop wasting time (all disputes must be handled in a timely manner) & disturbing the plaintiff’s peace. Stop persecuting, oppressing, lying and stealing what rightfully belongs to the plaintiff’s race: Respect, Justice, Remedy and Restitution.

ATTENTION: If the defendant insists on “court” due to his insanity the person who did not initially accept the claim for filing because it was void of fictional “*laws, acts, statutes, or codes*” will sit on the matter. The plaintiff is forbidden to tolerate costumes (robes), altars, or foolish titles

bestowed on anyone such as, 'your honor', 'your worship', or 'master' Matthew 23:8. EQUALITY IS UNALIENABLE. Torah will be followed, there will be no disrespect, arguing or lies (witchcraft) during proceedings. When Truth is told it destroys all arguments from the defendant. The plaintiff can prove the defendant is not an honest person, "*falsus in uno, falsus in omnibus*".

The plaintiff is part of a minority race that does fully & completely understand just as it is written. Do you understand? Every eternal soul makes their choice, life or death. Stop. Stop denying Justice due a foreigner and widow in your community because to do so is blasphemy and blasphemy is unforgivable. As it is written blasphemy it is the capital crime of which there is no forgiveness or mercy Isaiah 1:16-17 Jeremiah 26:5, 13; 29:19; 35:15 Ezekiel 3:18-19; 33:8-9, 14.

have been much relaxed. Tenants for years may take down, such useful and necessary erections as they have put up, during their term, for the benefit of their trade or manufacture, they may (see Miller v. Chipman, at the end of this chapter,) remove ornamental marble chimney pieces, wainscots secured by screws, cider mills and corn mills, brewers vats, &c. but erections for agricultu-

lease. Almost everything that a tenant attaches to real estate can be deemed its trade fixture.

The tenant's intent is the key factor in deciding whether it is a permanent fixture or the tenant's trade fixture.

and pots/fixtures), *Berkley v Poulett* (1976) (statue and sundial/chattels), *Elitestone Ltd v Morris* (1997) (bungalow resting on its own weight/fixture), *Chelsea Yacht and Boat Co Ltd v Pope* [2001], *Mew v Trismire* [2011].

ii) Special rules apply to domestic fixtures in the home (*TSB Bank v Botham* [1996]), although the key issue is still whether the object intended to provide a lasting improvement to the home.

4 Tenants have the right to remove certain fixtures called 'tenant's fixtures':

- i) ornamental and domestic fixtures (*Spyer v Phillipson* [1931]);
- ii) trade fixtures (*Young v Dalgety* [1987]);
- iii) certain agricultural fixtures.

Tenants are under a duty to make good any damage (*Mancetter Development Ltd v Garmanson Ltd* (1986)).

As you can see this exception has usurped that black letter law. When a tenant attaches items to a building for the purpose of carrying on its trade, that item is considered the tenant's trade fixture. Under the law, a tenant is allowed to remove one's trade fixture from the realty as long it is something that the tenant placed on the real estate. Removal is allowed as long as the real estate is in the same condition as it was when the tenant moved into the space and the removal doesn't damage the property. Thus, if the tenant installs a ceiling fan above the tenant's desk, the tenant is allowed to remove that ceiling fan.

1. Ownership of the leasehold

improvements – The basic common law principle relating to leasehold improvements is that whatever is fixed to the freehold of land becomes part of it. Therefore, depending on what improvements are made, the subtenant may be foregoing ownership of the proposed additions to the land and building. Fixtures placed on leased land become part of the freehold property of the landlord. This occurs automatically by operation of law. The parties can, however, make an agreement regarding the rights in fixtures effective only as between themselves. Such an agreement will not affect the rights of third parties.

It may be helpful to add an example to clarify what is a fixture. If a leasehold improvement can be removed without damaging the structure or violating the terms of the lease, the tenant or subtenant has the right to remove it when he or she leaves. For example, the owners of a spa could opt to take their hot tubs, saunas, and body treatment equipment with them, stripping the space so that it looks like it did originally. On the other hand, if a tenant or subtenant installs an air conditioning or heating system on the premises, removing the system would very likely damage the structure, and so the leasehold improvement is considered the property of the landlord.

When a commercial tenant vacates the commercial property that he has been leasing, he can remove all of his personal property and some "trade fixtures" that were located on the premises. Trade fixtures are removable personal property that a tenant attaches to leased land for business purposes, such as a display counter. For a commercial tenant to be able to remove a trade fixture, the item in question must be:

- Necessary for the business of the tenant,
- Removable without damage to the property, and
- Removed from the property within a proper time.

If a trade fixture does not meet these three requirements, it will become the property of the commercial property owner when the commercial tenant moves out, even if it was installed by the tenant. Trade fixtures in commercial leases are different from fixtures in residential leases, in that commercial tenants sometimes have the right to install and remove trade fixtures.

Property is either "real property" or "personal property." Real property is "immovable" and includes land and buildings. Personal property is "movable" and includes furniture, fixtures, and equipment the tenant uses in its trade or business and is entitled to remove at lease expiration. Such personal property usually is defined as a "trade fixture." Unfortunately—and the source of almost all ownership disputes in this area — real property also includes property that in fact can be removed but is "affixed" to or

LET'S LOOK AT MY UNALIENABLE RIGHTS AS A DISCRIMINATED AGAINST WOMAN, PERSECUTED HATED RACE & FORCED ENSLAVED "CANADIAN CITIZEN"

Convention on the Elimination of All Forms of Discrimination against Women

The States Parties to the present Convention,

Noting that the Charter of the United Nations reaffirms faith in **fundamental** human rights, in the **dignity and worth of the human** person and **in the equal rights of men and women**,

Noting that the **Universal Declaration of Human Rights affirms the principle of the inadmissibility of discrimination and proclaims that all** human beings **are born free and equal in dignity and rights and that everyone is entitled to all the rights and freedoms set forth therein, without distinction of any kind**, including distinction based on sex,

Noting that the **States Parties to the International Covenants on Human Rights have the obligation to ensure the equal rights of men and women to enjoy all** economic, social, cultural, civil and political **rights**,

Considering the international conventions concluded under the auspices of the United Nations and the specialized agencies promoting **equality of rights of men and women**,

Noting also the resolutions, declarations and recommendations adopted by the United Nations and the specialized agencies promoting **equality of rights of men and women**,

Concerned, **however**, that **despite** these **various instruments extensive discrimination against women continues to exist**,

Recalling that **discrimination against women violates the principles of equality of rights and respect for human dignity, is an obstacle to the participation of women, on equal terms with men, in the political, social, economic and cultural life of their countries, hampers the growth of the prosperity of society and the family and makes more difficult the full development of the potentialities of women in the service of their countries and of humanity,**

Concerned that **in situations of poverty women have the least access to** food, health, education, training and opportunities for employment and other **needs,**

Convinced that the **establishment of the new international economic order based on equity and justice will contribute significantly towards the promotion of equality between men and women,**

Emphasizing that the **eradication of** apartheid, **all forms of racism, racial discrimination,** colonialism, neo-colonialism, aggression, foreign occupation and domination and interference in the internal affairs of States **is essential to the full enjoyment of the rights of men and women,**

Affirming that the strengthening of international peace and security, the relaxation of international tension, mutual co-operation among all States irrespective of their social and economic systems, general and complete disarmament, in particular nuclear disarmament under strict and effective international control, the affirmation of the principles of justice, equality and mutual benefit in relations among countries and the realization of the right of peoples under alien and colonial domination and foreign occupation to self-determination and independence, as well as respect for national sovereignty and territorial integrity, will promote social progress and development and as a consequence will contribute to the attainment of full equality between men and women,

Convinced that the full and complete development of a country, the welfare of the world and the cause of peace require the maximum participation of women on equal terms with men in all fields,

Bearing in mind the great contribution of women to the welfare of the family and to the development of society, so far not fully recognized, the social significance of maternity and the role of both parents in the family and in the upbringing of children, and aware that the role of women in procreation should not be a basis for discrimination but that the upbringing of children requires a sharing of responsibility between men and women and society as a whole,

Aware that a change in the traditional role of men as well as the role of women **in society** and in **the family is needed to achieve full equality between men and women,**

Determined to implement the principles set forth **in the Declaration on the Elimination of Discrimination against Women and, for that purpose, to adopt the measures required for the elimination of such discrimination in all its forms and manifestations,**
