Kleysen Institute for Advanced Medicine

Student Resources

Essential Resources

Academic Calendar

The Academic Calendar is one of the most useful resources for a student. The Academic Calendar contains official information on all courses offered by the University of Manitoba, important dates and deadlines, rules, student resources and so much more.

Online Academic Calendar: <https://catalog.umanitoba.ca/>

JUMP/UM Achieve

JUMP is an online portal from which you can access various University of Manitoba services and information, such as your library account, your student email, Student Accessibility Services and UMLearn.

UM Achieve shows you what courses you need to take in order to complete your program and degree. You can also run “what if” audits if there is more than one program you are interested in.

More information: <https://umanitoba.ca/registrar/um-achieve>
