

If you are intending on taking a visit to Canada and you are likely to fly you have to get an ETA Canada if you wish to take your vacation. You can't board your flight without getting the ETA and is particularly designed to help people be safer whenever they travel. You will get this electronic travel authorization online and it will surely be valid for 2 years so you can use it for quite some time. Read on the way to discover ways to get the ETA within the shortest period of time.

The ETA is something that you apply for online. The application form form is quite short and yes it doesn't take too much time to fill the application form out. You need to pay a fee to the ETA which is valid for a couple of years. The fee is reasonable and you will need a charge card to help you pay for the fee. Once the fee is paid you will get an e-mail confirmation and you will hop on your flight.

The ETA attaches electronically to the passport which means that you won't need to print anything out or take anything with you. The ETA Canada is designed for 2 years if your passport expires you will need to apply again which means you have to be sure that the passport will likely be good even though the ETA is active.

The ETA lets you board your flight and also you won't be capable of board your flight with no ETA. You need to have it before you take your trip and it is advisable to leave yourself fourteen days before your trip to make use of. The majority of people get approved immediately but it sometimes needs a lot longer to get it and you want to provide for any delays that you could experience.
