Ostatnio jako pierwsza giełda nawiązali współpracę z PayPalem ruszając przy okazji z promocją. Jest szansa, że osoby które założą konto w październiku również otrzymają tego emaila.

Akcje promocyjne , które miały miejsce od września kiedy założyłem u nich konto :

Dear Marcin,

Have you heard the latest news about our new payment solution?

From now on you can make deposits using your PayPal account! If you want to read more about this exciting news, check out our [blog article](#).

Don't forget that you can also buy crypto using traditional bank transfer or our Instant Buy feature - with credit card.

To celebrate all these different possibilities, we prepared a very special offer:

Dopytałem suport i wygląda to następująco :

Dear Martin,

Thank you for reaching out to bitFlyer EU.

To clarify on your questions, there is no trade limit or specific amount required as long as you execute one trade.

Furthermore, even if you open an account on October 26th, the condition must only be met on October 31st which is when the offer expires.

Should you have any further questions, please do not hesitate to reach out.

Best regards,

Żeby otrzymać pierwszy bonus 10 euro należy wykonać jedną transakcję kupna/sprzedaży kryptowaluty. Jeśli chcemy zgarnąć bonus za depozyt to musimy część depozytu (minimum 125 euro) mieć utrzymane w ostatni dzień miesiąca w którym założymy konto dlatego najlepiej taką ofertę wykonać końcem miesiąca.

Przelew SEPA z Revoluta nie przejdzie, N26 działa.

Pozdrawiam Nokha.
