

If you are intending on taking a trip to Canada and you are likely to fly you should get an ETA Canada if you want to take your trip. You can't board your flight without obtaining your ETA and is particularly designed to help individuals be safer after they travel. You can get this electronic travel authorization online and this will be valid for just two years so you can use it for quite some time. Read on the way to discover ways to get your ETA from the shortest period of time.

The ETA is something that you sign up for online. The application form form is quite short and yes it doesn't take a long time to fill the applying out. You will need to pay a fee to the ETA which is valid for a couple of years. The fee is reasonable and you will need a credit card so that you can pay for the fee. After the fee pays you will definately get a message confirmation and you can hop on your flight.

The ETA attaches electronically to your passport meaning you won't have to print anything out or take anything with you. The ETA Canada is designed for a couple of years but if your passport expires you need to apply again so that you have to be sure that your particular passport will probably be good as the ETA is active.

The ETA permits you to board your flight and you also won't be able to board your flight without having the ETA. You have got to obtain it before you take your holiday and you will need to leave yourself two weeks before your holiday to use. A lot of people get approved right away but it sometimes requires a lot longer to have it and you need to allow for any delays which you may experience.
