

Plus Enterprises Co., Ltd

Your Travel & Leisure Network

**FREE & SIMPLE FLIGHT TICKETING
AND HOTEL BOOKING PLATFORM
FOR TRAVEL AGENCIES**

WHAT WE DO?

We help travel agencies unlock their full potential

WHAT IS **EPLUS.TRAVEL**?

eplus.travel is a free, fully IATA-compliant web based airline ticketing and hotel booking system for travel agencies.

Get access to GDS channels that provide you with wholesale rates for airline fares and hotels worldwide.

With our exclusive agreements you get the best flight deals and hotels at the best price in the most sought-after destinations. This includes thousands of exclusive, wholesale rates.

It is one of the easiest to use booking platforms – and it doesn't cost anything.

SOLUTION FOR:

- Walk-in travel agencies
- Online travel agencies
- Independent travel agents
- Tour operators & DMC's
- Corporate travel & MICE

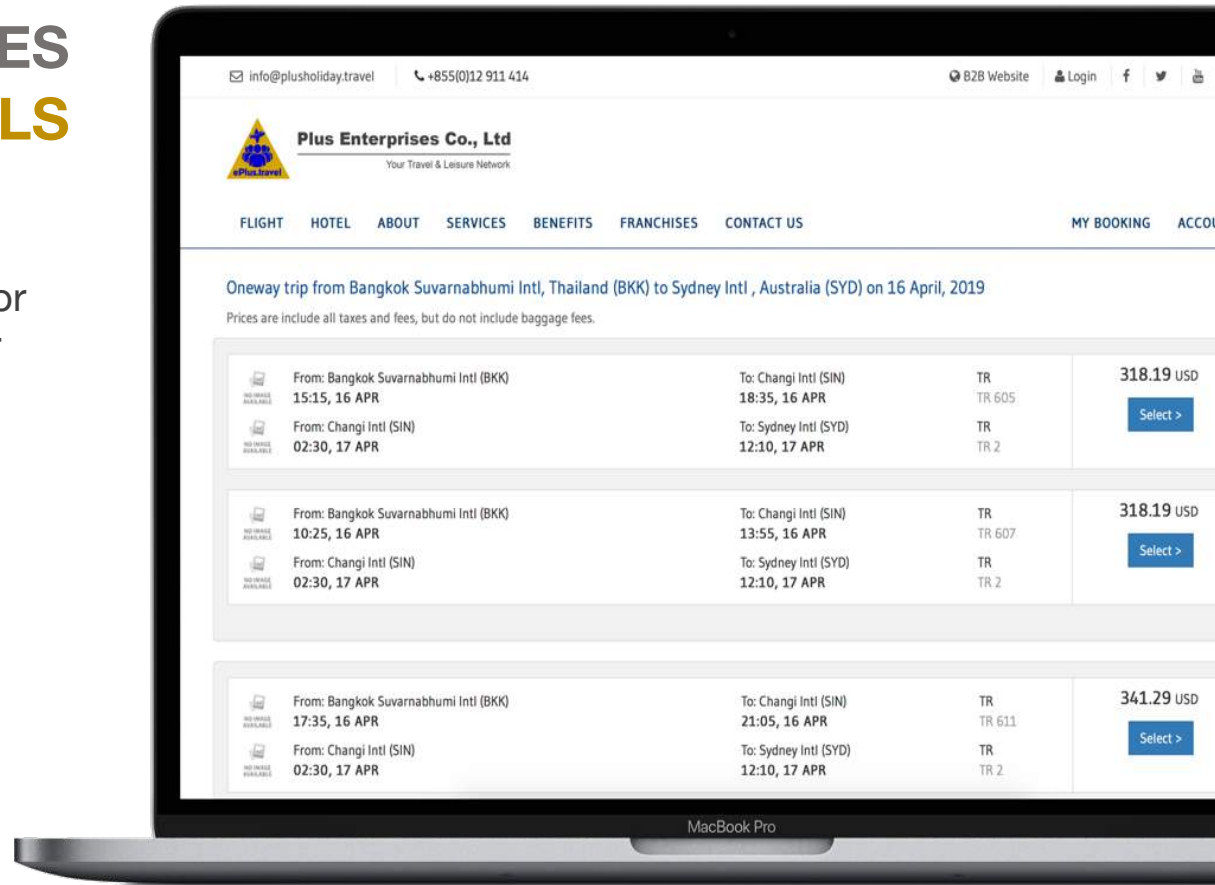

HUNDREDS OF AIRLINES THOUSANDS OF HOTELS

eplus.travel system is connected to industry leading Global Distribution networks (GDS), bringing all the major airlines and hotels worldwide at your fingertips.

ISSUE AIR TICKETS IN A FEW CLICKS

Simply log-in online to the eplus.travel web-based booking platform online, search for flights and issue tickets for your clients instantly.

SIMPLE TO USE

Your agency can be set up and start ticketing and booking hotels within minutes. No staff training is necessary as the search and booking process is very intuitive.

YOUR OWN BRANDED TRAVEL BOOKING WEBSITE

Add live flight/hotel search and booking system to your website and let your clients book their travel from the comfort of their home or office. **eplus.travel** booking system is easily customizable and can be easily integrated into any existing site.

No website? No problem – we can create a fully operational and branded travel booking site for you too.

THE LOWEST PRICES FLEXIBLE MARK-UP

With **eplus.travel**, you have access to the lowest airfares and hotel prices and you can add and modify your custom profit margin easily.

DIRECT ACCESS TO GDS - NO IATA REQUIRED

Whether you are IATA accredited or not, even if you are you just starting up, are an independent agent or a corporate travel planner – get free access to the industry-leading Global Distribution Systems for wholesale prices on airfares and hotels via **eplus.travel** and start issuing real-time bookings today.

HOLD PNR RESERVATIONS

With **eplus.travel** you are able to reserve flights confirming PNR (Passenger Name Record) with the airlines, and hold reservations without payment. You are also able to search for any PNR record worldwide and issue tickets, even if your client reserved the flight elsewhere.

TRACK YOUR SALES

Access agent sales reports, see which staff member sold most tickets, see trends and invoices, all from within one platform accessible online from wherever you are.

REACHABLE 24/7 SUPPORT

We may not be the biggest travel tech company, but we pride ourselves in providing the best customer service in the industry. If you have any problems with flight changes, hotel modifications, fare refunds or any other account and ticketing issues, we are just a chat message or a phone call away. We don't operate a call center or frustrate you with phone menus – you will have your own designated Account Manager and a 24/7 direct number for the peace of mind that you can speak with a real person you know you at any time you need.

FREE SET-UP

TRANSPARENT FEES

There are no set-up costs to start using the **eplus.travel** booking system. You will only pay us a very small fee on each ticket and booking you issue. That's why we want you to have as many successful sales and trips as possible!

HOW TO START?

1. Register your agency account online on **eplus.travel** using the B2B link.
2. Upon verification, you will be emailed username and password to your Management Console.
3. Top up your account by bank transfer, credit card, Wing or even cash in our offices, and start booking flights and hotels!
