Betting Basics

Some essentials to get you started with making a wager.

1 How to wager

Place your bet by visiting a teller, or using a self-serve terminal.

To place a bet here are just 5 things you need to know:

- 1 Name of racetrack (choose from any track in the simulcast feeds)
- 2 Number of the race
- 3 Amount of your bet (e.g. \$2)
- 4 Type of bet (see step 2)
- 5 Horse's number (see step 4)

Once you have decided what you want to bet, head to the nearest seller's window and use the sample statement as your guide:

Hello, (Racetrack), race 6, \$2 to WIN on Horse #4

How to use a self-serve terminal:

- 1 Swipe your Cash Card/Insert Cash
- 2 Enter the initial PIN #1234 (then choose a new PIN)
- 3 Press/Tap the track you would like to bet: (defaults to current race)
- 4 Tap the Horse Number: **#4**
- 5 Press/Tap the Bet Type: **WIN**
- 6 Press/Tap the Bet Amount: **\$2**
- 7 Press/Tap the Race Number: **Race #6**
- 8 Press Green **"Make BET"** button
- 9 Press/Tap the **"Finish with Receipt"** button
- 10 Be sure to check your ticket to confirm it's the bet you wanted

To get a Cash Card or for assistance ask a teller, or a staff member.

2 Types of bets

Single horse bets (minimum \$2.00 bet is required)

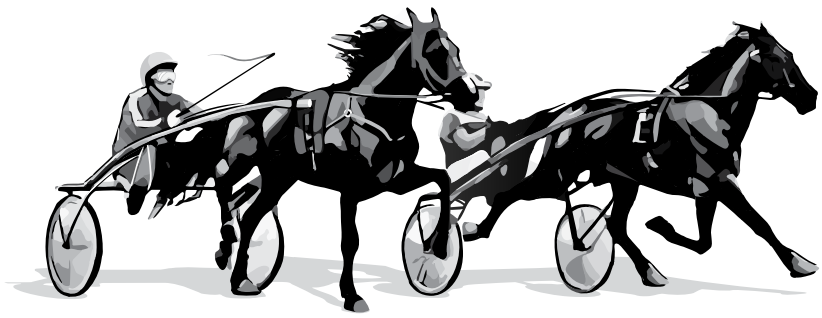

| Bet type | Level of difficulty | Explanation and expectation |
|----------|---------------------|---|
| Win | U U U | Your horse must finish 1st; payoff determined by the win odds. |
| Place | U U | Your horse must finish 1st or 2nd; payoffs better than to show. |
| Show | U | Your horse must finish 1st, 2nd, or 3rd; modest payoffs. |

Exotic multiple-horse bets

| Bet type | Level of difficulty | Explanation and expectation |
|----------------------------------|---------------------|---|
| Exacta* | U U U U | Your horses must finish 1st and 2nd in exact order; riskier bet that can pay a little or a lot, depending on the horses' odds. |
| Daily double | U U U U U | Pick the winners of two designated consecutive races. |
| Pick 3, Win 4, Pick 5, Pick 6 | U U U U U U | Select the winners of a designated set of consecutive races. The wager must be made prior to the start of the first race in the multi-race wager. |
| Triactor* | U U U U U U U | Your horses must finish 1st, 2nd, and 3rd in exact order; can be expensive to play if you use a lot of horses. |
| Superfecta* | U U U U U U U U | Your horses must finish 1st, 2nd, 3rd, and 4th; big payoff possible. |

* Exotic bets require the horses to finish in the EXACT order you select, unless you "BOX" the bet, in which case your selections can finish in any order.

All of the numbers and letters in the program might seem confusing or overwhelming at first, but focusing on these sections makes choosing a horse simple.

- 1 Horse's number in the race
- 2 Horse's post position colour
- 3 Horse's colour, sex, age, sire (father), dam (mother), sire of the dam
- 4 Morning line odds
- 5 Horse's name
- 6 Driver and Driver Record (Name, # of wins, # of 2nds, # of 3rds, winning %)
- 7 Trainer information
- 8 Horse's Lifetime record (with best win time, track size, track, age, lifetime wins and lifetime earnings)
- 9 Horse's current record (# of races, # wins, # of 2nds, # of 3rds, and money earned)

4 The odds

Odds are also important to consider when choosing your horse. Horses that are thought to have a better chance of winning will typically have lower odds.

Morning line odds

Odds listed in the race program are the "morning line" odds. These are predictions of how the public will bet on the race. They are set by the track's handicapper when the race program is published, before the wagering starts.

The actual odds will be posted on the **Television** or in-field on the **Tote Board** before the race; they change up until post time, depending on how customers are betting on each horse in the race.

Calculating a \$2 win prize

To calculate a win prize, find the Odds of a horse on the **Television** or **Tote Board** (in-field board).

Multiply the first number by 2, then divide that number by the second digit (if there is one), and then add \$2. Simple as that!

| Odds | 1/2 | 2/1 | 7/2 | 5/1 | 10/1 |
|------|--------|--------|--------|---------|---------|
| Pays | \$3.00 | \$6.00 | \$9.00 | \$12.00 | \$22.00 |

Helpful facts for betting

- Some racetracks have a television simulcast commentator who tries to identify winning horses (handicaps) between the races. Listen and see if you can pick up any good tips to bet on.
- A good betting method is to choose horses with current odds two to three times higher than their morning line odds.

3 Tips to remember

WIN BETS on the FAVOURITE pay 32% of the time
PLACE BETS on the FAVOURITE pay 53% of the time
SHOW BETS on the FAVOURITE pay 67% of the time

* Numbers listed above are approximate, may vary by racetrack.

Race 1 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 SUNSHINE LIST failed to make the Grassroots final when he finished sixth in his elimination last week. He drew an outside post to get away seventh and was only able to advance one position, despite banging home in 27.2. He came his back-half in 54.3 and should be much closer in drawing the three-hole. He was a winner in the lower earnings version of this class on July 9th and was third in here on September 7th. He gets a favorable post to work from and gets our top honors to kick off the card.

#4 SOLID MAN won three in a row back in August of which the last two were both in the NW2 class that falls directly below this one. He did not have much of a chance last time when he started from the second-tier and was already more than 14 lengths out of it in eighth by the time the field hit the quarter-pole. He ended up making a miscue in the stretch but can hit the ticket with a better trip tonight. Using underneath.

#8 HP I GOT TOPLAY will be making his first start for Benoit Baillargeon after going four for 11 on the season at Trois Rivières and winning a stakes race in his last. This outfit had him briefly last year for two qualifiers, but he never made it to the races at two. He should not be dismissed.

#10 MACK followed Darth Fader last time but was unable to get by him before the wire and had to settle for second in here last week. He came home in 27.4 on a track that was graded one second off by judges and went past that rival after the wire. This gelding came his back-half in 54.4 and has a chance if he can get spotted early from the trailing post. He might be able to get a piece.

Race 2 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 FORTUNE STARLET floated off the gate last week and stayed outside to drive on to the lead and parked to the three-eighths pole. She chopped out a big half of 55.4 but ended up being the easiest kind of winner with Roy motionless through most of the stretch. This filly picked up smaller pieces against stakes company and crushed her foes in both of her overnight races over the surface. She has earned over \$200,000 in her career but still fits the class for one more win. She is tough to go against in here and should win if she comes back to her latest.

#6 NIMBUS DEO got away seventh from the eight-hole last time and ended up moving out second-over down the backside. Her cover stalled on the final turn before making a break in stride in front of her, but she still accelerated in the stretch to finish third. This mare had won three in a row going into her latest and has raced well in all five of her efforts to start off her career. Using underneath.

#8 DELILAH SEELSTER finished second to out top choice last time by securing the two-hole behind her. This mare was sent to the early lead from the outermost post and sat the garden trip before holding off our Nimbus Deo in the stretch for the place spot. She draws an outside post for the third consecutive week and has been the runner-up in her last six outings.

#7 CHEESES MURPHY has won two in a row in NW2 for new trainer Barrington but now must step up to the NW3 level. He toyed with his competition last time and had no trouble putting away a charge by Kombucha on the final turn. He might be able to get a piece of it.

Race 3 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 BEACH SPORTS has finished third or better in her last three versus stakes company. She finished eighth in the OSS Gold standings and has qualified for the Super Final that will take place here next week. She was a winner in NW4 here on July 25th and has only missed the board four times in 13 starts this year. She draws an inside post for the fourth week in a row but has a much more important event here next weekend. She gets our top billing, but this is a difficult race to navigate.

#9 LADYLIKE has a maturity edge over several in the field at the age of four. She has been an easy winner in her last two at Flamboro Downs and has won three of five for Richard Moreau since being claimed for just \$15,000 in a condition claimer event on August 7th. This mare has won 13 of 23 on the season and has only missed the board three times. She might be able to work her way into the race from the trailing post. Using underneath.

#5 ROSE RUN VICTORIA was an impressive winner in an OSS Gold here on September 29th when she paced by all her rivals in the stretch to win by almost two lengths in 1:50.4. She came her last quarter in 26.3 but failed to win as the favorite in the start prior to that one in NW3. Jamieson commented that she is not an easy filly to drive and he has other commitments tonight. Mixed feelings but hard to dismiss her altogether.

#4 BETALADY was a winner in an OSS Gold event three starts back here on September 5th and followed that up with a fifth-place finish in the Simcoe the following week. She was used hard early last week to make the early lead and tripped the opening quarter in 26.2 and then closely attended hot fractions. She ended up fading in the stretch and will probably be in search of a braving trip tonight. She has also qualified for the Super Final and finished seventh in the points standings.

Race 4 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 WATCH MY LUCK drops down to NW8000L5 after racing her last four starts on the circuit in NW16000L5. She has spent her last two starts at Flamboro Downs and was victorious two starts back in the F&M-Preferred-2. She was unable to repeat last time though as they wrote the class as a handicap event and she was given the outside post. She was a winner by four lengths here in NW10500L5 on July 31st and beat the class directly below this one, the last two times she dropped down to that level. She might offer some value tonight and is fully capable of finding the winner's circle.

#2 THIS DRAGON ROCKS drops down a couple of notches on the class ladder and draws her best starting position in her last four starts. She had no chance from the eight-hole last time when she got away ninth off the gate and finished seventh in NW12000L5. She has hit the board in 10 of 25 this season but has only won twice. She can land somewhere underneath.

#8 SKATER CHICK finished third to a well-meant winner in Bestseller Hanover in her latest. She landed the three-hole and had to step around Village Joules on the final turn, as she was laboring in the two-hole. She was clearly third best in there and the top two finishers came back to finish first and second again up a couple of classes from this in their next starts back. This mare fits well with these and should hit the ticket.

#9 SUNDAY AFTERNOON drops down in class but draws the dreaded nine-hole for the second time in three starts. She was a winner in the class below this three starts back and might be able to grab a share if she is not too far out of it.

Race 5 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 BOADICEA raced much better last time when she dropped down to NW19000L5 and got an inside trip. She landed the early three-hold and stayed put on the inside before running into some traffic trouble in the stretch. She finished with pace under the wire and was probably in need of a trip like that after taking on much tougher in the final of Milton in her start prior. This mare should be brave off that effort and should have her way with these if she is anywhere remotely close to her best.

#6 ROLL WITH SPARKY plunges down in class after finishing fourth last time in the top condition. She finished third in a dead heat two starts back and has picked up smaller shares behind a pumped-up Kendall Seelster in her last two. She has finished second in her last two tries at this level and is always dangerous when she gets into the mid condition classes. Zeron picks up the drive in the absence of Filion. Using underneath.

#3 HELLO LOVE drops back down to the level she finished third at two starts ago. She was reunited with MacDonald last time in NW19000L5, but they had the eight-hole and got away ninth off the gate. This mare came her back-half in 53.3 and her final quarter in 26.4. She draws inside tonight and looks threatening. She can hit the ticket.

#2 CUSTARD LITE closed to be third in here last time and fired off a final panel of 26.3 in doing so. She came her back-half in 55.4 and did not finish too far behind Bestseller Hanover, who has won two in a row. This mare was racing great at Grand River and was the easiest kind of winner two starts back in their F&M-Preferred-3. She gets an inside post to work with and can get a share again.

Race 6 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#7 BUZZ had the trailing post last time in here and gets his nose on the gate tonight. This gelding does his best work when he is put into play early and that was not possible last week from the second-tier. He ended up landing a perfect second-over trip but was unable to fire in the stretch. Expecting him to be sent to the early lead off the gate tonight and attempt to go wire-to-wire against this group. The pick.

#10 TREASURED TEE drops down to NW5000L5 after facing tougher for his last nine starts. He dropped down to the level below this one on March 13th and crushed his competition in winning by more than four lengths. He won his last start before the racing hiatus due to COVID-19 and then won his first start back in NW11000L5 before picking up smaller prizes against stiffer competition. He is dangerous in here but must overcome the tailing post.

#4 STORMONT VENTNOR has six starts this season and all have been at Rideau Carleton. He was a winner two starts back in NW2750L3 and has picked up pieces in their NL-Preferred in three of his last four. This gelding can beat this group at his best but has just one win in 11 starts over his last two seasons. He is still worth a look and should offer value.

#2 YOUR STILL UP takes on older foes but moves to the red-hot barn of Shayne Barrington. This is not the easiest of spots for this gelding and he is coming off a disappointing season in the Grassroots, but he cannot be dismissed based solely on his new connections.

Race 7 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#10 REVOLT has won two in a row since making his debut north of the border for Anthony Montini on September 18th. He raced well to be second to the undefeated Enavant in that start and has won both starts since then, including an off the pace score in here last week from the trailing post. He came his back-half in 54.1 and stormed home in 26.1 to win by open lengths. This three-year old gelding commands respect in here but will have to overcome the second-tier for the second consecutive week. He is the one to beat.

#4 INDICTABLE HANOVER failed to fire last time off a perfect trip in this class as the heavy favorite. It was his first start back after being off more than two months but had a decent qualifier under his belt, where he came home in 26.3. He still managed to pace his final split in 27 seconds flat and he might rebound with a better effort tonight. Using underneath.

#3 NOSPORTPUNINTENDED was incredible in his latest at Flamboro Downs when he paced to a new lifetime mark of 1:52.1 and crushed his NW50000L rivals but more than two lengths. He has won two in a row and has been no worse than third in his last seven starts. He takes on some tough customers in here but might be able to hit the ticket.

#1 JK LAST CHANCE finished third in here last time after making the lead in the stretch. He has produced back-to-back solid efforts since relocating north of the border to the care of Bruce Macdonald. He gets rail control tonight and is primed to get a piece.

Race 8 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#5 WINGS OF SPEED finished second in NW8000L5 in her latest and was only beaten a neck by O Narutac Perfetto in the slop. He also got the better of On The Ropes who has since come back to handily win his next start. This gelding had traffic trouble in the stretch the last time he was in this class and had to settle for fifth. He might be rounding into form off his latest and looks as good of an option as any in this difficult race to handicap.

#4 ANGRY EYES was a judge's scratch in her latest scheduled start but was victorious in back-to-back efforts prior to that, including her most recent which was in this class. This mare has won four of her last six and should not be dismissed. Using underneath.

#1 HP BRUXELLES won his latest in wire-to-wire fashion at the NW5000L5 level. He has not had much success in this class in his recent tries but did have back-to-back runner-up finishes in here in his two starts that just are just beyond what shows on the program. He might be confident off his latest and cannot be dismissed.

#7 NEVER MIND N has made breaks in his last two starts but might be able to rebound with a better effort tonight. He won two in a row in NW3 just over a month ago and is in desperate need of a flat line. He might be able to get a piece.

Race 9 Selections**THE HORSEPLAYERS JOURNAL by Robert Reid Jr.**

#9 LIT DE ROSE has been given the outside post by the race office in this handicap event but she finished second against some of the best mares in North America from the eight-hole in the Milton two weeks ago. This mare blasted to the early lead in 26.1 and released the winner to sit a perfect two-hole trip before holding that position to the wire. She won this race by a neck three starts back and was already racing at the top of her game before moving to the barn of Richard Moreau for the first time this start. She is clearly the one to beat, nine-hole and all.

#8 SO MUCH MORE tried to come from the clouds in the Milton and managed to pick up a cheque in finishing fifth. She came her back-half in 54 seconds flat and her last quarter in 26.1. She has won two of her last four in here and has been no worse than third over that stretch. This 26-time winner will likely have to come from out of it again but still has a winning chance. Using underneath.

#7 KENDALL SEELSTER has won two in a row and has been breathing fire in the stretch in both of those efforts. She has looked like a new horse since Jamieson took over the driving duties on September 18th and figures to be flying from out of it once again tonight. This millionaire must step back up in class to face Preferred types but can still hit the ticket.

#5 PARISIAN BLUE CHIP just gave way to the mare above in the top condition class last week and was fourth two starts back in this class. She won three in a row prior to that while climbing up the ranks and can get a piece of it in here.

Race 10 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#8 SOUND IDEA has tried stakes company in her last three starts and managed to pick up a cheque in an OSS Gold event in her latest. She finished third in a much tougher version of NW3 on August 28th and beat a solid group of three-year old fillies prior to that. She gets to take on a much softer group tonight and should be difficult to beat.

#9 MAJOR BATTLE finished second in here last time but draws the dreaded nine-hole tonight. She has hit the board in seven of 11 this year and has had to race against much tougher than most of these over her most recent stretch of starts. Using underneath.

#10 LARJON LEAH comes into this with seven wins in a row and has hit the board in all 10 of her starts as a sophomore. She will be making her first start on the big track tonight after beating up foes on the B tracks all summer. This filly might be able to handle the step up in competition but will have to contend with the trailing post tonight. We are interested to see how this one fares and will be using her on the ticket.

#6 TUGGINGONCREDIT failed to make the Grassroots Final after finishing eight from the second-tier in her elimination last week. This filly picks up Sylvain Filion for the first time in her career and he has worked wonders with others the first time he has sat behind him. She is not impossible in here.

Race 11 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#3 WINDSONGMAGNIFIQUE drops down another notch on the class ladder tonight after finishing third in NW8000L5 last week. She went to the early lead and released the heavy favorite to sit a two-hole trip. She ended up giving up a position in the stretch and was beaten by more than four lengths by a much the best winner but only missed the runner-up spot by less than a length. She crushed her competition by five lengths the last time she raced in a class comparable to this one July 31st and this mare is clearly the one to beat.

#1 LADY ROCKNROLLA A comes out of the same race as our top choice where she finished one position behind her in fourth. She was game to get up to complete the superfecta but was never in doubt of catching the mare above. She was the easiest kind of winner the last time she dropped down to the class below this and can land underneath with rail control tonight.

#5 BACK IN THE GAME had no chance in here last time when she got away ninth from the eight-hole. She came her back-half in 56.1 and was only able to improve one position in the stretch. This mare gets reunited with her usual driver tonight in Louis-Philippe Roy and raced well two starts back when she was beaten by a nose on the wire in the class below this. She can hit the ticket.

#4 PRINCESS ABIE W came from the clouds in her latest after getting away last from the nine-hole. She came her back-half in 55 seconds flat and was overland for much of it. This mare just missed by three quarters of a length at 68-1 and might be able to get a piece again from a more favorable post.

Race 12 Selections

THE HORSEPLAYERS JOURNAL by Robert Reid Jr.

#6 NEED AROCKET was victorious in his return to the races last time after being away for more than two months. He cleared to the lead at the halfway point and then zipped a third quarter in 27.2 before keeping a rival at bay in the stretch to win by a head. His now moves up to the extended earnings version of the NW2 but has shown us enough to be able to beat these. Top call.

#8 ILLGETMYOWN THANKS got to the early lead in here last time and gave way to the first-over Darth Fader late in the mile. He was placed up from fifth to fourth due to a disqualification and has picked up a cheque in his last four starts at the level. He figures to have a chance in what appears to be the easier of the two divisions of this class tonight. Using underneath.

#4 RETOUR AU JEU won three in a row at Trois Rivières three starts back and finished fourth in a restricted stakes event last time. He was no worse than third in his eight starts that preceded his most recent and has won five of 11 this season. This is likely tougher than what he has been facing but he might be able to land on the ticket.

#2 KOUNNIS draws an inside post again and is loaded with early speed. He sat the two-hole last time and faded to finish fourth against a group that might have been slightly tougher than this one tonight. He might be able to stick around for a piece.

#3 MY BETTORS DEL had no chance in the bottom condition last time when he got away ninth from the eight-hole. He is back in on just three days rest and might fare better against this group. He might be able to grab a small share.

PLEASE NOTE:

In the unlikely event that bets can not be combined into a host track's pools before the end of a race, Federal Regulations require that such bets must be refunded. Refunding bets at some sites can affect odds and payouts at the remaining sites.

FEDERAL REGULATIONS AMENDMENT

In the unlikely event prices are posted based on an incorrect official order of finish, associations must stop paying those prices as soon as the error is discovered. The corrected prices will then be calculated and paid, including the correction of all account-based wagers. This change in the Regulations reflects existing standards in the United States.

CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

| | CLAIMING RACES | CONDITION RACES |
|-------------|----------------|--|
| 2 year olds | 100% | 50% on 2020 earnings |
| 3 year olds | 50% | 25% on 2020 earnings 50% on 2019 earnings |
| 4 year olds | 25% | 25% on 2019 earnings |

ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

EXPLANATION OF THE LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Alcohol and Gaming Commission of Ontario passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the super vision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

C.P.M.A. Regulation Changes

 Effective January 1st 2012

CPMA will be instituting several new rule changes with regards to the following pari-mutuel pools:

Pick Pools

- If there are no winners in any leg of a Pick N pool, the entire pool is refunded.
- If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners.
- A pool is no longer refunded if the 1st leg in the pool is cancelled or declared no contest.
- Pick-3: If at least 2 legs are declared no contest or cancelled, the pool is refunded.
- Pick-4, 5 or 6: If at least 3 legs are declared no contest or cancelled, the pool is refunded.

Smoking Regulations

The Government of Ontario is committed to improving the health of residents through the implementation of the *Smoke-Free Ontario Act*. Recent changes to the Act, which came into effect on January 1, 2015, further restrict the use of tobacco products in restaurants and bar patios. Smoking is now prohibited in all areas where food is served or sold or offered for consumption or in areas that are operated in conjunction with an area where food and drink is served or sold.

The City of Toronto has also enacted restrictions on smoking in public places by requiring that smoking is not permitted within a 9 metre radius of an entrance or exit to a public building.

Please refer to signage posted throughout the facility and the site to determine where smoking is permitted.

THE MORNING LINE reflects the track oddsmaker's estimate of what each horse's odds will be at post time. The actual odds are established by the amounts wagered by the public on each horse in the win pool.

All tickets should be held until the result of the race is declared official and prices are posted.

No person under the age of 18 shall purchase or cash a ticket or voucher.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system. Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system. Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

EXACTA (Also known as Exactor)/TRIFECTA (Also known as Tractor)/SUPERFECTA

An Exacta, Trifecta, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exacta wager, the Exacta payout will be on first and third.

JACKPOT HI-5

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1st, 3rd, 4th, 5th, 6th.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot.

PICK 3, PICK 4 AND PICK 5 BETTING

The Pick 3, Pick 4 and Pick 5 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three, four or five successive races specified for the Pick 3, Pick 4 or Pick 5 respectively.

Winning tickets for the Pick 3, Pick 4 and Pick 5 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

PICK 3, PICK 4 & PICK 5 SCRATCHES

In the event a Pick 3, Pick 4 or Pick 5 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3, Pick 4 or Pick 5 the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3, Pick 4 or Pick 5 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, changes boards and our website.

The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

COMMON POOL WAGERING (INTERTRACK BETTING)

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

FAIR START

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.
