NUEVO COLEGIO DEL PRADO

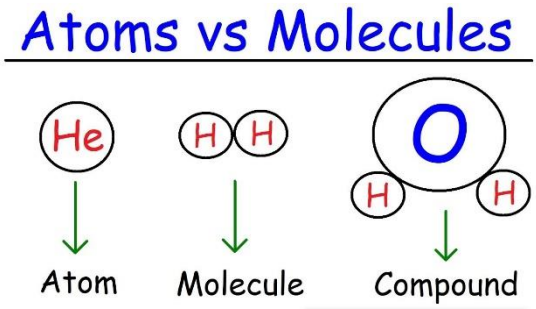

Science 8th Grade

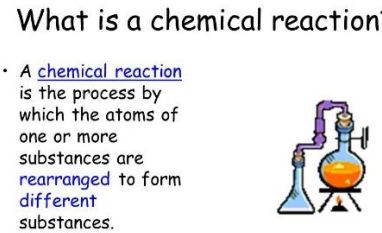

Guía de Trabajo Semana 5, 4 – 8 mayo de 2020

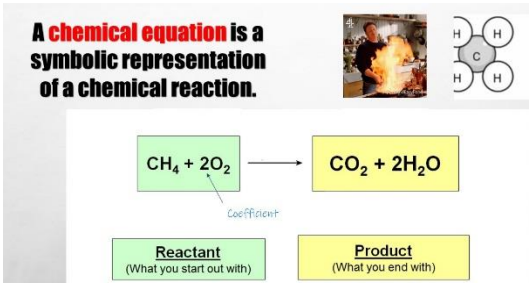

Email: jmunoz@nuevocolegiodelprado.edu.co

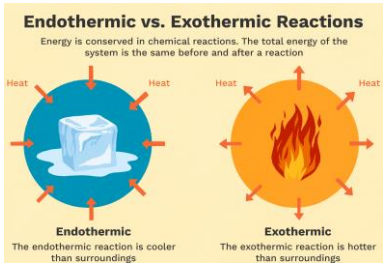

Part 1

1. **Before the class, download the PowerPoint and check it out.**
2. **Attend the video class on Tuesday.**
3. **Watch the videos posted on the blog to review.**
4. **Take notes on your notebook. Use these slides:**

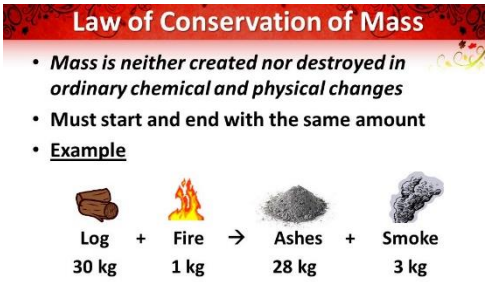

Part 2

5. **Play the games posted on the blog. The first one is about how to form elements, molecules and compounds, and the second one is a trivia about matter and its classification.**
6. **Attend the reinforcement class to study exercises (molar mass) as review of the past week. Only attend if you have trouble calculating molar mass.**
