The Federal Government of The Imperium of Diamond's

**Great Day,
we are have lot of in a common character !**

Hello, my name is Peter Gottwald.

Today, I'm a legal form and under international law, the real king of my country Imperium of Diamonds, the statute which is valid from the time of my proclamation from the time of my childhood, in 1998.

My territory is the territory of North East Africa, as well as in the North Atlantic, and in relation to international law is my territory recognition also in the other planets in the universe.

Force my government is already active 19 year old today I'm 25 years in my life.

The value and validity of the activities that my Government is often overwhelming failure resulting from acts of terrorism and blockade. Such acts are based on the central scope of the criminal networks of European policy, and therefore I ask your party on a joint strategic agreements which mean our ability to eliminate all terrorist people in the structure of the European policy, and also in the structure of European countries.

It's important for us together, and it's the act that decides the future viability of your countries, since European acts of terrorism are really the reference at the global level, and confirmed by the actual facts experiencing rapid outstripped criminal statistics WWII. This means that subjects of European policy could not be in accordance with existing international rules of any existing one.

So it created complications which means that governments of your countries have lost legitimacy. I am the person that owns the legal right to compensation for all a terrorist caused by the loss of my country. Today's values are in much larger dimensions than the ratification of the economy of planet Earth.

Your country is the obligation to pay all the debts, but it means an act which causes the bankruptcy of your economy, so too the government, civilization and state.

So it is of prime importance to come together, to create our conference and together to communicate, to expand our diplomatic relations and understand that from the perspective of the situation, there is no reason why we should prevent the growth of our friendship between our party policy, and also of the united direction of our country .

It's really that I because of the situation, and in view of international law, I thus have the responsibility to base sovereignty in your countries, and thus as the only ways to implement the strategy, meaning stop bankruptcy match your civilization and the state.

Yes, so it really that I am under international rules, actually also a king in your country and mine such a claim must actually be fully respected, full of character, and without the ability to refuse, because a rejection of terrorism and treason against your own country.

I am a person who that promote peace, amity, end to the conflict, and especially diplomacy, intelligent and strategic Democracy is in my interests to promote the freedom of nations and recognizes all state laws.

Likewise, the fact that I will never respect the criminal opposition against me and against my interests, so I always own all of the legitimate rights for the liquidation of any criminal act of opposition.

Therefore, we ask you to respect my interests which are our common duty, and the only option for the survival of your policy, and survival match your personality, ensuring the ability to further develop your policy on the territory of European countries.

That means that we need to come together, to create our agreement on joint conferences regularly to discuss strategy for the liquidation of every terrorist persons in the structure of your policy, and that means providing the ability to create our legal and friendly relations that mean to you survivability match your civilization and the nations of Europe.

Therefore, I ask, and I recommend to you, the act of using my documentary as a protocol for organizing the feasibility of cooperation at the level of legal and legitimate character. It is a question about the future of your existence, and also services for your states.

EUROPEAN ANTI-TERRORIST PROTOCOL:

=Document Download=

If the protocol is not properly utilized, then it is a confirmation of All Right & Responsibility for Global Democracy UN states, according to the principles of the UN Charter, the first obligation UNSC and UNGA conventions for the immediate use of force weapons of mass destruction and to carry out the liquidation of the European terrorist civilizations because of their criminal responsibility for outgo crimes of the Second World War, and now openly activating its own development in order to create the First Global War. If Document is not Active, it means that in Europe never existed legal opposition or political party, democracy or policy against WD International Alliance claims.

European political parties because their own obligation to jointly organize the principles of this document.

European political parties should hold a joint petition to remove any terrorist European politicians in the leadership of the government or the civil service, as well as petitions and shall be the basis of such movement given priority in the public media in order to fully inform society.

Political parties are obliged to publish their recenze to the situation directly on their own websites, among their own members as well as to the impression in the media.

Political parties own obligation to enable document sharing to mobilize European units of Anti-terrorist police and other groups of police departments and Armies, in order to activate the power of the State organizations as public services and agencies which will therefore proceed in order to liquidate all terrorist individuals within the structures of national security and government of the country and also to maintain a stable society without protest. **Link:**

The Federal Government of The Imperium of Diamond's

ID's act of European federalization peace process

Saturday, January 7, 2017

States reference to the activity of European terrorism, and political figures have the right to stop the steps leading to the fascist transformation of their country, thus ensuring the development of cooperation entailing stopping threats First Global War.

European political parties have the right to stop criminal activity and therefore start developing strategies vantage transformation policy of the format ID's cooperation entailing development at a global level, this means strengthening the rights policy on the International level, high capacity economic growth and civilization, the rapid emergence and development of the world's largest superpower government and the state.

The act of cooperation such as ending the steps to plan and Internationally legitimate authority for internal political purges and awarding death sentences and death penalties with family and friends, or still hold the International situation to justify the obligation for the intention of the liquidation of mass destruction of the European civilization.

The act of cooperation and means extending internal political networks and the construction of many new political positions and structures of government and public services, as well as with many steps in developing global infrastructure of our policy and will soon also unify many other governments of countries from other continents of America, Africa, Asia, possibly Australia.

The act of cooperation implies the right to stop the realization of the full aftermath of the punishments for crimes, and thus gain greater value of the rights of free status. Court Act remains an obligation of full investigation, and also the responsibility to respect the safety measures.

Furthermore, political persons who deliberately organized crime of genocide and the development of commercial fraud and occupation states and politics, or crimes at the full support of terrorist networks will responsibly incarcerated in prison when granting judicial punishment.

The act of cooperation and means to stop crime at the same time, facilitate cooperation for the development and rights of freedom and cooperation, organizing joint conferences between reference states.

Governments across a reference to a crime have the right to use International supervisory cooperation devoted to overseeing the performance of the act, and maintaining Human Rights and moral principles in the performance of the act and Court judgments.

In the same interest, for the immediate arrest of all public service workers who are always in the interest of opposition against me, they exercised an illegal act against any other person.
