# About Us

Professional Exhaust has been operating for over 30 years. We have a team of 5 professionals working onsite that have over 80 years' experience combined, from fitting your basic [exhaust systems](#) to designing the most complex customized systems from car A to Zephyr to your everyday Holden or Ford. We can assess the condition and performance of your car whilst you wait and take the time to discuss your options with you. We have close ties within the industry and excellent relationships with a range of reputable suppliers that allow us to access the latest products within minutes. Professional Exhaust can also work with you to design and build a custom exhaust system and source the required components. We provide flexible service arrangements that ensure most work is done whilst you wait or within your required timeframes. We stand behind our work and strive to ensure that you are satisfied with your car's performance after every visit. We also have an ebay store you can visit to purchase any of your [exhaust](#) and accessory needs, you can even say Hi to us on our facebook page and keep up to date with what we are doing.
