ID's Invitation for The Hellenic republic on economic and finance cooperation in interest of Hellenic finance debt's elimination

Wednesday, July 26, 2017

King Gottwald Peter in Business invitation of cooperation,

As an act of invitation to strategic cooperation on an organized market based on the process;

1. Creating an agreement between banks on joint communication to transfer finance funds,
2. ensuring the handover of the ID's check in the responsible size of the Helen Debt to the Helen Government,
3. signifying the transcription of bonds on the ownership claim of the government ID's,
4. and on behalf of the Hellenic Government to support the establishment of the Provisional Authority of the ID's Government in the territory of the Helen Country,
5. and thus to further establish or facilitate cooperation between Business Management Companies,
6. and to enable a joint agreement on Helen's development plans,
7. or engaging in joint international trade for the purpose of repaying bonds without stress,
8. act indicating the ability to repay all financial debt within one month at a moderate pace.

The King Gottwald Peter ID's
