They also say that the comments they passed with IInd division in 2000 from is audible to others in their voice or mine.

I call it “Satellite effect”. I have no idea how is produced but I am sure I can’t run away & hide.

It is often done by Mr. Subhash Ojha & Mrs. Vandana Ojha

They abused all those people who had or have soft corner for me as well as all those whom I admire from common people to celebrities like politician, filmstar cricketer or any other sportstar or industrialist etc.

They also display mental images (Obscene) on my mental screen.

They claim that through agent these "inner voice" & "obscene images" are sent to respective person.

some shopping complex. I was searching one and reached another. If I will add up the name of both shop it will be

Priya --- Fair Choice

OR Fair Chocie – Priya

I don't know it was coincidence or projecting this event or indera through "Parallel Subconcius"

Again the question is:-

- i) Is it projecting destiny for me through "Parallel subconscious"?
- ii) Is my own subconscious is sacked by this stronger – "Parallel subconscious" effect
