

✿ **Soul Journey Coaching Practice Online Private, Confidential, Virtual Therapy On Your Schedule~ In The Form Of 24/7 Access To Unlimited Messaging Coaching.** ✿

✿ Please Click <https://macsjcpr.consulting/sjcsession> To Begin Your Online Private, Confidential, Virtual Therapy On Your Schedule~ In The Form Of 24/7 Access To Unlimited Messaging Coaching.

This method of Virtual Therapy allows you to send private and confidential messages 24/7. This is an exceptional way for you to communicate anytime that you desire, feel the need. Many are working through insomnia, struggles, disease, pain, negative thoughts throughout the day, and night, and find having this method of Virtual Therapy and Community Support available anytime to be instrumental to their healing, and feeling completely supported.

This method of Virtual Therapy, also removes any scheduling conflicts, as well as gives clients an avenue to receive support, guidance, in the moment, in real time. Virtual Therapy is extremely beneficial in numerous ways especially for those not able to, or do not feel suited to have traditional face to face counseling.

Intuitive Guidance in regard to oracle card readings is also a part of this service which allows clients to Send Questions, Inquiries And A Response Will Be Provided. Several decks will be utilized and all cards that come up for you, will be sent with explanation.
