AUTISM  
AT HOME

the  
hope  
project.

There is coronavirus, also  
called COVID-19.

AUTISM  
AT HOME

the  
hope  
project.

Coronavirus is in places where there are lots of people, like schools, malls or the playground.

AT HOME

the  
hope  
project.

EARLY AUTISM  
PROJECT

I need to stay at home so we  
don't spread the virus.

# I can do learning at home.

AUTISM  
AT HOME

the  
hope  
project.

EARLY AUTISM  
PROJECT

Remember to wash hands, and use  
hand sanitizer.

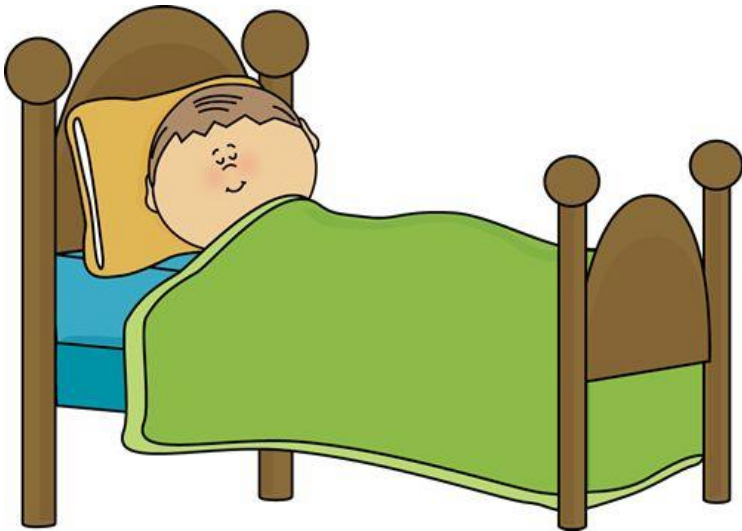

If I cough, I should use tissue  
or cough into my elbow.

If I'm sick, I need to wear a mask.

Most people who get coronavirus don't get too sick and just need to stay at home and rest.

Some people may need to  
go hospital to get better.

I don't need to worry  
because there are many  
people working to protect  
me.

It's okay! We can all stay  
safe together!
