

better products for a cleaner environment

CYCLONE

S380

Single Disc Scrubber

CYCLONE

S380

Features and Benefits

- Fibre glass reinforced PVC handle.
- 5 Amps power socket incorporated for vacuum unit or foam generator.
- Safety sensor to prevent machine operation in upright position.
- Low profile motor for good cleaning access under furniture and fittings.
- Powder coated aluminium alloy machine body is visually attractive, endures the hardest knocks and stays rust free.
- Capacitors housed in separate casing from motor body to prevent overheating.
- Class H (180°C) rated motor insulation for longer running life.
- Gear drive with dust sealed motor requires no maintenance.
- Low sound level suitable for noise sensitive environments such as hospitals and office buildings.
