

What You Don't Know About the 2020 Election

In November 2020, multiple groups of concerned Americans came together because they all observed something incredible in the 2020 elections.

The groups united to launch a full-scale investigation led by former members of the Intelligence Community, the Department of Defense, NASA, the U.S. National Laboratory, Private Investigations, Cyber Security firms, and Legal firms from around the country.

[Here is former Military Intelligence Officer Colonel Phil Waldron \(U.S. Army-Retired\) with the facts of the secrete investigation. . .](#)
