

SUMMARY: My UST contact says that the window is now open from now until the 15th for the 800 numbers to be released and the release codes on the paymaster funds. He does not expect that we will go to Friday without exchanging, or at least getting an appointment to exchange.

Zap says that the money for the RV was paid out in China last weekend, that we will be paid in October, possibly as early as tomorrow, probably by Wednesday, and he shares a valuable information from an unknown 'Authority of the Financial Markets'.

And Doug Jones of Landa has a good explanation of the legendary Private Placement Platforms, or PPPs, which have been used to make billions of dollars for the planet, only to have it stolen by the Cabal. And how they might be useful to you in the future.

Ben Fulford reveals to his readers the utter depravity of the Cabal. But it is old hat to you guys, right?

Good news from Zap in China

HI ALL,

IT WAS CONFIRMED TO ME THAT THE MAJOR CURRENCY TRANSACTIONS WERE COMPLETED AND PAID OUT HERE IN CHINA THIS WEEKEND. THIS WAS THE START OF IT ALL THIS MONTH, AND THE OTHER GCR AND TREATY TRANSACTIONS ARE TO FOLLOW. SO GOOD NEWS TO EVERYONE THAT HAS BEEN AWAITING THIS PROCESS.

IN ADDITION, SOME SPECIAL THINGS ARE IN THE WORKS FOR THE FUTURE OF OUR HUMANITY AND THEY HAVE TO DO WITH PROJECTS AND THEIR ACCOMPLISHMENT. IT WILL TAKE A FEW MONTHS TO GET SET UP AND WORKING, BUT THE END RESULT IS MAGNIFICENT AS IT SHOULD BE.

(ZAP shares the following which was sent to him)

Wed, Oct 3, 2018 1:22 pm

The last two weeks have been quiet regarding specific confirmations, but much has happened in regards to finalizing the release of funds for historic assets.

Over the weekend, we received positive confirmations of several test transactions being completed with code approvals and account transfers to sellers. The funds are deposited to seller accounts, but will only be available on Tuesday at the earliest to those sellers, and possibly this could happen on Wednesday. Again, these transactions

will be the high priority and heritage transactions which have been scheduled for some time and are finally being completed.

This week, after the funds for these transactions are activated, we will begin to schedule transactions for our sellers. *[sellers? That would be you guys—dle]*

As the Global Currency Reset is becoming a reality, complete information on the historic battle for the end of the enslavement of humanity and the history of how this happened, is beginning to be disclosed. As the world changes and the chains of these global financial terrorists are being thrown off, it is important to understand how this happened, so that we can make sure this does not happen again. Most of the world is not even aware of the currency reset and how much has been hidden from the public for the financial cabal to maintain their monetary power and control of the world. All of our media, education, medical and religious institutions have been infiltrated and controlled in the interests of those who have been withholding the natural and financial resources of the world - in order to hide and misrepresent the evil deeds they have committed to support their greed and maliciousness. They have polluted and poisoned our world, created natural disasters with weather manipulation, and caused wars and diseases, to further increase their financial wealth and malevolent enjoyment of global pain and suffering.

Many people in the world, and in your communities and even families, will be confused as the changes take place - even as good begins flourish and we see better medical cures, more effective and less expensive energy and other technologies being developed and used, and art, culture and true charity and goodwill to once again be a way of life.

You are one of a very small group who will have the power and knowledge and funding to carry the world forward on a different course, and you must also be aware of the lack of knowledge of this topic in the rest of the world.

Although this could be startling, it is essential to understand as we delve into the project work ahead and create a better world for all, not just the few. Change, even positive change, is difficult, and it is important to understand where we have been in order to accomplish what needs to be done - for the good of all, and to have this knowledge to overcome any resistance to change in your own areas due to an uninformed public. This information, although it may be hard to accept, will enable you to be more effective and to reach out to others and bring them into this great opportunity for all of mankind.

The top levels of the cabal are being taken down on an international level. Many of these have had control of local institutions which people have respected and trusted, not knowing the duplicitous purposes that have been operating in their own communities. Many of the people who are associated with, or working for these institutions, have been compartmentalized or falsely trained, but are essentially good people - this includes in churches, schools, banking and medical professions. Others have felt they needed to cooperate for reasons of personal and family survival, and will be happy to repent and begin to work for good. Many local people will find it difficult to grasp how they have been misguided for many generations. These are issues to be aware of, as project money flows and, that we will be the ones who need to lead the masses to forgive the past, re-educate for the present and future, and build strong communities based on love, greater knowledge, good health, and abundance.

Please also give some thought at this time to consolidating project plans, and producing a written business plan and projections for your projects, as these will be required as we move forward. Funding will be a combination of free discretionary monies and vast amounts of monies for project development - in all viable community, business, tourism, agricultural, technology development and implementation, new medical solutions, production and manufacturing, education, etc.

We have known this information for a long time and releasing the world from these forces has been our driving force, but it has been very difficult to present to others because of its sensitive and outrageous nature. Without the currency reset it would have been impossible to fight these issues and the information would only have further frustrated and demoralized the good people of the world. Now, that we are on the verge of overcoming the centuries of this horror show, it is it time for the world to understand and to be awake, alive and free for the new future which is going to possible very soon.

I will send more information as available.

Thanks to everyone participating.

Best regards,
(AFM)

A good explanation of what a PPP is, how it was meant to be used, how the Cabal took it over, and what it means to us for the future. From Doug Jones of Landa

Good Evening,

“A trading platform is a process through which investors and traders can open, close, and manage market positions through a financial intermediary.”

The releases, hopefully, coming over the next few weeks will expose the details of these methods by which the cabal rules the world through the control of money by showing you trading contracts with proceeds as high as \$3 Trillion and \$25,000 Trillion. If used properly, is enough to fund every TRUE humanitarian project on Earth in addition to advanced technology, free energy, the exploration of our universe, housing, hydroelectric projects for undeveloped countries, turning deserts green and other infrastructure projects all over the world. Instead, the money is used to subvert the production of the people to a select few bloodline families. This is how these people control Planet Earth.

Trading programs were created as a way to raise funds for projects that relate to humanitarian endeavors, ie. Creating, maintaining and rebuilding infrastructure, assistance with bringing undeveloped countries up to current technologies, rebuilding communities after natural disasters etc. .

But, as with anything to do with the financial world, the rat pack of 'bankster' cabalists have infested it at the highest levels to subvert the program for their own devious plans to control the world. History is filled with personalities whose aspirations to run the world are well known: Alexander the Great, Genghis Khan, Julius Caesar, Adolph Hitler , you may know the rest. Why is it such a stretch to believe that that same lust for power is not present today? Rather than be accomplished by might and power and strength and armies all out in the open, now it's being done in secret by conning the

people of the world utilizing a usury system of currency control akin to immoral grafters running a high stakes shell game.

Trading programs are initiated, administered, operated and controlled by the Federal Reserve. You should know what's coming next.

Now that the information is out in the open about how the Federal Reserve and their 'banksters' brethren have been operating a massive con game on the public, things will be moving to a deeper level, never seen before and never revealed to the masses on the scale that is about to be unveiled.

The elements of a trading program contract are very simple as follows: an investor, an amount, a time period, collateral, earnings and payout schedule. The investor puts up the collateral (asset), the Federal Reserve administrates the profit generation mechanism (program trading, bank to bank) and the proceeds of the trading profits are split between the parties to the contract and the project fund. There are two parties to the contract, the investor and the Federal Reserve Bank (NY), a PRIVATE CORPORATION.

The scam is simple although the protocols and mechanisms of the process are sophisticated. Find an investor with vast sums of cash or gold or equivalent asset value; enter into a contractual agreement where their humanitarian objectives are accomplished; then, when the proceeds are paid from the inter-bank trading platforms, steal the proceeds and use it for a variety of means, all of which are crimes against humanity and serve to keep us all in chains.

Over the years, it has been documented regarding the thefts of Falcone, Tropos, Wanta and others, accomplished by bribes and payoffs in the millions of dollars. When you generate multiple trillions with each trading contract, what's a few hundred million paid to the criminal elitist and their 'bankster' cronies and others to keep their mouths shut? When you generate \$25,000 Trillion (\$25 Quad), you could pay every debt on the books, fund all governments for decades and of course, trigger a financial reset to enrich every person on the planet.

But no, that's not how it's done when 'they' run the world. 'They' coerce, bribe, blackmail, steal and deceive their way into controlling the planet by controlling the flow of money, creating a process by which they are the ones at the top of the pyramid. The majority of money generated from these programs is OFF BALANCE SHEET. This means it is NOT reported or rather the practice of "two sets of books." What these dummies didn't take into account is they left a data trail that, with new I.T. systems, can be retrieved, and utilized in their prosecution.

The illegal and immoral siphoning of these designated project accounts and or the further manipulation and restricting of fund movement through nefarious means not only has been discovered and uncovered but measures are being implemented to relieve the culprits of, not only their freedom, but their control mechanisms and networks of accomplices as well.

With some tweaks and utilized properly as initially designed, the current financial mechanisms including currency and exchange rates, can and will work in favor of the public as a whole.

At the end of the World War II, the whole world was experiencing so much chaos that the major Western governments felt the need to create a system to stabilize the global economy.

Known as the “Bretton Woods System,” the agreement set the exchange rate of the US dollar against gold. This allowed all other currencies to be pegged against US dollar. This stabilized exchange rates for a while, but as the major economies of the world started to change and grow at different speeds, the rules of the system soon became obsolete and limited. .

In 1971, the Bretton Woods Agreement was abolished and replaced by a different currency valuation system. The currency market has since evolved to a free-floating one, where exchange rates are determined by supply and demand. It has been difficult to determine fair exchange rates, but advances in technology and communication, reverting to asset backed currency, and eliminating the corrupt behavior and access, eventually will make things easier.

Everything Is A Hoax

Paul Craig Roberts—IMPORTANT ARTICLE! PLEASE READ

An Israeli expert on terrorism and covert assassination procedures explains that the alleged Russian GRU attack on the Skripals with a supposedly deadly nerve agent is a completely obvious hoax to anyone who knows anything at all.

<https://russia-insider.com/en/skripals-are-mi6-hoax-not-worthy-ladies-detective-novels-israeli-expert-demolishes-uk-case/ri24912>

The official story, says the expert, is “stupidity on stupidity.”

I agree with him.

The question is: Why did the British government think that they could get away with such an obvious hoax? The answer is that the people in Western countries don't know anything about anything. They live in a world in which their reality is a product of the propaganda fed to them by “news organizations” and Hollywood movies. They only receive controlled explanations. Therefore, they know nothing about how anything really functions.

Today polls indicate that a majority of people do not believe the official 9/11 propaganda any more than they believe the Warren Commission Report on the assassination of President John F. Kennedy,

The world is about to learn about Khazarian mafia crimes horrific beyond imagination

The Khazarian mafia have been torturing, murdering, and cannibalizing children on a horrific scale, and the world is about to find out as military tribunals begin. Some very disturbing images and testimony sent by the New York Police Department and the CIA show just how evil the Khazarian mafia really is. These people are beyond truth and reconciliation and do not deserve even a quick death.

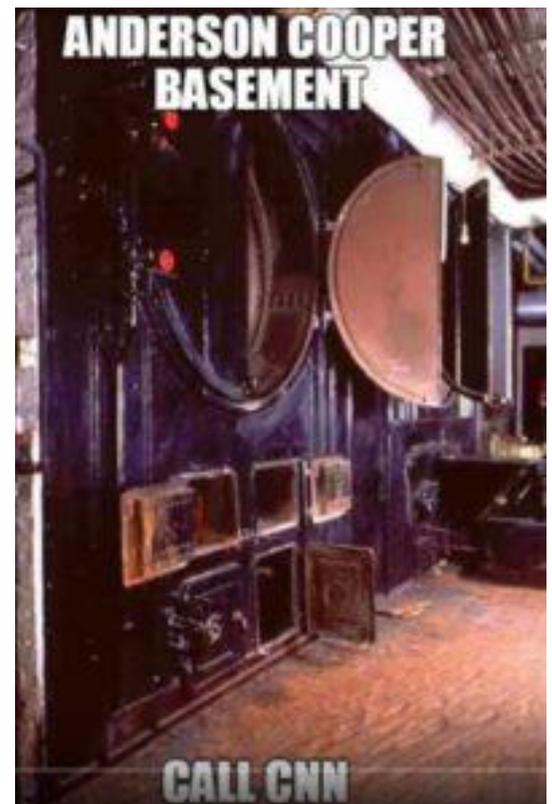

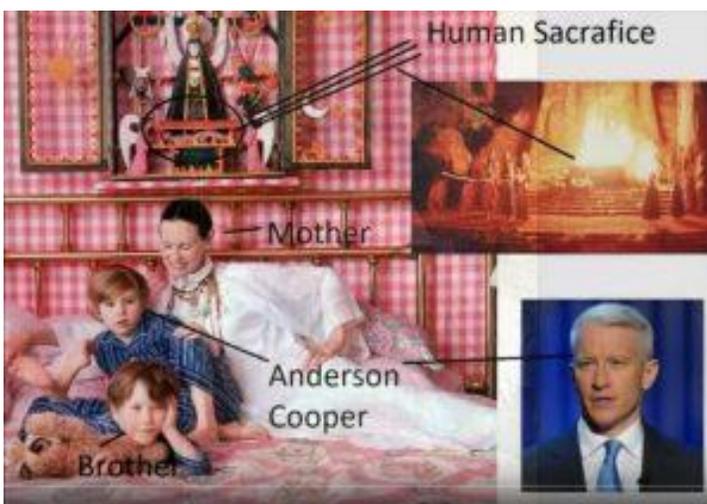

Let us start with FBI statistics on missing children in the U.S., so that skeptics can prevent the sheer evil of these deeds from shutting their minds. In 2015, 442,032 juveniles went missing; of these, 42,032 were not found.

<https://www.fbi.gov/file-repository/2015-ncic-missing-person-and-unidentified-person-statistics.pdf/view>

By comparison, in the same year in Japan 17,971 children (the equivalent of 44,927 in the U.S. when adjusted for population difference) went missing, and close to 99% of these children were found.

<https://www.npa.go.jp/safetylife/seianki/fumei/H28yukuehumeisya.pdf>

The photographs below, sent by the CIA, are linked to CNN star and FRB Vanderbilt heir Anderson Cooper and may give a hint as to what happened to at least some of these children.

Even more gruesome is the video still-shot linked below that was sent to the CIA via courier by the NYPD. It shows a young girl whose face was allegedly peeled off by Hillary Clinton in a satanic ritual. Be warned, it is graphic and I stopped watching shortly after the 2 minute mark.

<https://youtu.be/zIbY6jyOpJ8> [please see my notes which follow.—dle]

Now I begin to understand the look of sheer horror on the face of George Soros when I asked him a question at a press conference about the families that own the Federal Reserve Board (FRB). He had probably seen some of this sort of stuff firsthand.

The prosecution of these criminals is set to finally start now that the U.S. military government backing President Donald Trump has secured a majority on the Supreme Court with the confirmation of Justice Brett Kavanaugh, Pentagon sources say. “Attorney General Jeff Sessions has already met with

the real special prosecutor, U.S. Attorney John Huber in Utah, so that the 57,000 indictments may be unsealed,” the sources explain.

“The seating of Kavanaugh on the Supreme Court should unleash declassification of FISA and other documents as well as military tribunals,” the sources say. Furthermore they add, “The Senate unanimously approved a resolution calling for declassification of 9/11 documents, so the stage is set to take down the Zionists and the deep state.”

Another aspect to starting the prosecution of these criminals is the ongoing U.S./Russian military action against the rogue state of Israel, the sources say. In particular, “Russian electronic warfare is aimed not just to impose a no-fly zone over Israel, but to stop ICBMs and other missiles from being launched, rendering the Samson option obsolete and making de-nuking the only feasible option,” the Pentagon sources explain. **In other words, Israel can no longer use nuclear blackmail to protect the satanists in the U.S.** Also, Vatican P2 sources confirm that Israeli Prime Minister Benjamin Netanyahu is a satanist mass-murderer who needs to be either arrested or killed as soon as possible.

The U.S. and Russia are also considering imposing a sea and land blockade on Israel to force that state to stop its criminal activities, they continue.

The sources sent this photo with the explanation that “even the White House has declared Red October.”

[I understand that the pink lights were for the breast cancer campaign, not for Red October.—dle]

The Pentagon sources also said, “It appears that the cabal may have lost a submarine or underwater base and retaliated by sending ricin to Secretary of Defense James Mattis and Naval Chief John Richardson.”

What the Pentagon sources were referring to was the destruction of a “Clinton escape residence with entourage, including an underground bunker built to store the gold,” according to CIA

sources in Indonesia.

This destruction is appearing in the news as the recent tsunami that hit Indonesia, which even experts quoted by *The Washington Post* note "...was not a straightforward event," said Adam Switzer, principal investigator at the Singapore-based Earth Observatory. "This earthquake was beyond the bounds of the warning systems" available. https://www.washingtonpost.com/world/asia_pacific/not-a-straightforward-event-how-multiples-disasters-stunned-experts-and-ravaged-a-corner-of-indonesia/2018/10/06/4394e20c-c967-11e8-b2b5-79270f9cce17_story.html

Here the real explanation, according to the CIA:

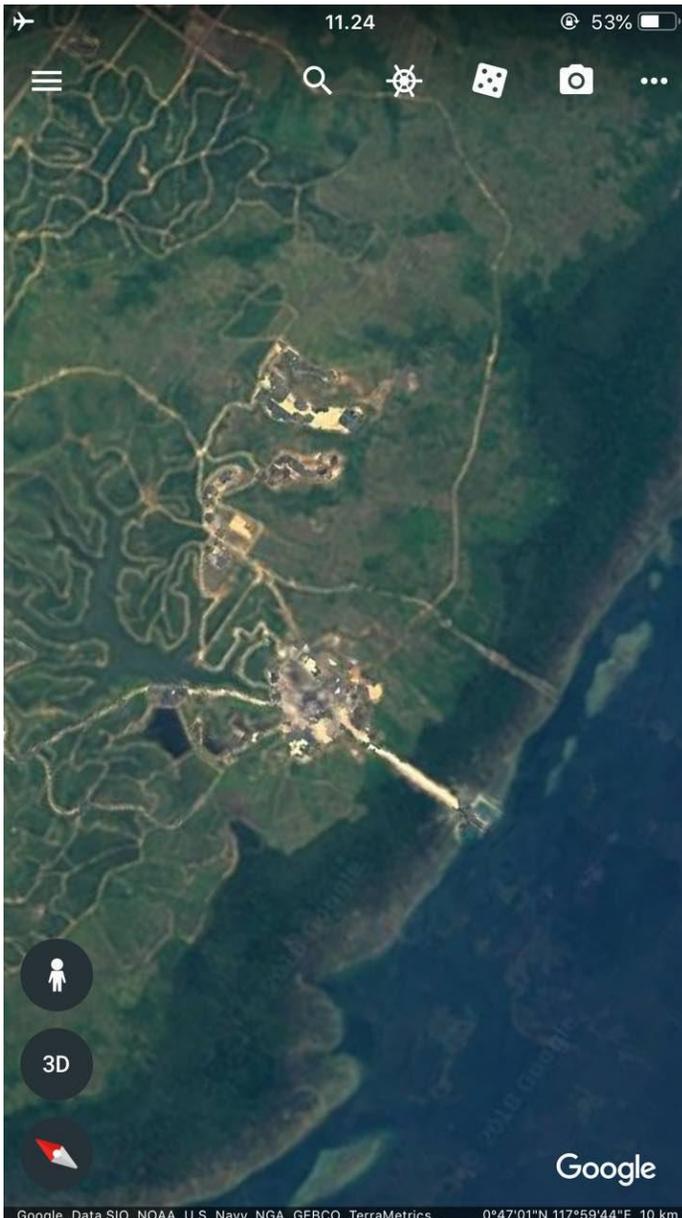

"Clinton was in control of the gold coming out from the Grasberg mine/Freeport. The Clinton Foundation/Clinton Global Initiative, with an office in Papua, was the vehicle for laundering the cash obtained from the sale of the undeclared gold. (A lot of it was off-ledger gold).

<https://www.clintonfoundation.org/clinton-global-initiative/commitments/integrated-malaria-control-program-drc-papua-indonesia>

"Clinton has done business with a certain faction of the Indonesian military for years—those who control access there.

"The Chinese had confirmed all of this and knew that the only way was to flood it out. The tsunami was triggered by the Chinese.

"The tsunami was not possible—scientifically, that is. It was all carefully done, and then blamed on faulty technology and a "weird" fault slip angle. But that fault slip angle was "weird" (if you ask geologists) because it wasn't natural.

"Communication systems can be manipulated. That's why it failed to show the third tsunami. That tsunami warning system has worked ever since they got it developed after the 2004 Christmas disaster.

"There are non-visible lasers that have no color in the visible spectrum. This goes beyond the DEW (Directed-Energy Weapons). Beyond DEW is NON-visible laser. The Chinese military are smart—this cannot be detected. They took DEW technology and made it better.

"This was a direct hit from a Chinese non-visible laser satellite weapon. It took out the Clinton escape residence, the entourage living there, and the underground bunker. Unfortunately, there was serious collateral damage."

The CIA sources say that close to \$500 million in cash (not \$270 million as was reported last week) was seized by Special Forces in the raid on that Clinton hideout before it was destroyed. A Google Earth screen shot of the destroyed complex is below.

The money was divided "between a certain group of top-level white-hat Indonesian government officials—one of them being Vice President Jusuf Kalla—and Trump's inner circle, military included," the sources say. So now we know why the generals got ricin mailed to them.

We have also been allowed to give our readers more information on one of our CIA sources. He was in charge of the agency's clandestine services in Jakarta working out of the U.S. Embassy from 1965-1985.

"When he was there, he told me there were only 20 American citizens permanently living in Jakarta. All of

them worked at the Embassy under diplomatic cover. He told me, and this is a quote, ‘Our team escorted Bung Karno (President Sukarno) out of power and we installed Soeharto into power.’

“And yes, his team as well as Langley headquarters and other alphabet agencies were involved in assisting Soeharto in the killing of up to 1 million Indonesian Chinese that were labeled PKI (Partai Komunis Indonesia). This was a well-planned takedown of all Soeharto’s so-called opposition. It was planned with the Australian government as well; they were heavily involved in this attempted genocide. This was also about the time that Soeharto handed control of Freeport to the Agency. There is so much more to this, but enough for now.

“I asked the cowboy why he did this; his answer, ‘It was my job. I worked for the U.S. government. You did not ask questions back then. If you did, you disappeared.’ He did tell me that he personally was involved in sending two cargo ships of rice to Kalimantan, as they had no food and the Dayaks and Malays were dying from starvation during this crisis, as all rice shipments from Jakarta were stopped. (He did this with private personnel.) And to add more, yes, he was close to the Bush Senior cartel back in the day. He was part of the old guard. Not many left now.”

On a final note, our source who is connected to the secret bases in Antarctica (he is a relative of Admiral Richard Byrd of Antarctic exploration fame) got back to us to insist that something really weird was happening there, saying the quote below from last week was true:

“Antarctica is opening up a WORMHOLE. Yes, there is an ‘opening’ to other dimensions down there. Due to the extremely high magnetic shifts going on in and near Antarctica, it’s literally ‘tearing a new fabric’ in the dimensional field. THIS is the reason why ALL those government leaders went down there. THIS is why they shut off Antarctica to the public and so forth. The public only gets 5% of the ‘story.’ And now you have the other side.”

This source noted that even reputable publications like *Scientific American* were reporting, “There’s something mysterious coming up from the frozen ground in Antarctica, and it could break physics as we know it.”

<https://www.scientificamerican.com/article/bizarre-particles-keep-flying-out-of-antarcticas-ice-and-they-might-shatter-modern-physics/>

We will try again to visit Antarctica this Southern summer and report directly to our readers what is really going on there. If there really is an anomaly like a wormhole opening up there, the entire population of the planet should be told and shown proof, not just a few leaders.

Vincenzo Mazzara, a Cavalier of the Teutonic Knights and a senior member of the Vatican P2 Freemason lodge, says preparations are being made for humanity to start building a fleet of ark ships and expanding out into the universe. <https://www.youtube.com/watch?v=-xpMcEBZqiY&feature=youtu.be>

As usual, my reaction to this sort of stuff is to believe it when I see it. For now, the White Dragon Society is working towards getting multi-trillion-dollar funding for an earth-based massive campaign to end poverty and stop environmental destruction.

The video at the url on the fulford doc is not the original video. It supposedly contains footage from it, but most of the footage that the narrator refers to is random shots of blood spattered walls etc, with no recognizable action or persons. Then, there is a still shot of a child whose face has been mostly flayed off. I could see no connection between this apparent crime photo and any identifiable persons or any video.

Most of the video was a video about the rumored snuff film.

I was also sent a separate link which required me to identify myself before I watched it, and I did not do that. –dle
