"Giantslayers"

HENRY MILLS is in his motorcycle going to the camp of an announcement he saw in the Kingdom of Tär. He arrives. There is a group of men and women sleeping and eating chicken around a campfire.

HENRY

Good night, lads. My name is Henry Mills. Are you the monster slayers?

AKIRA

Indeed we are. I guess you saw the announcement.

HENRY

I did. Where does the giant live?

JACK

He doesn't live here. He lives two days from here by horse. We are taking a break. Tomorrow we are going to continue our way.

HENRY

Well...

JACK

You can stay in that tent with me. I'm Jack (*shakes hand*)

HENRY

My name is Henry, I'm from Storybrooke.

JACK

Storybrooke? Where is that kingdom?

HENRY

In a Land Without Magic.

JACK

A Land Without Magic...? I'd love to go there.

HENRY

You'll go someday, it's cool.

HENRY and JACK went to their tents and slept until a loud noise could be heard. They woke up and saw smoke rising in a near village. One of Jack's friends, Akira, said that the Giant attacked again.

AKIRA

We have to go now! The giant is going to keep destroying villages.

JACK

Pack all your things! We're leaving as soon as we can!

3 INT. HENRY'S HOUSE - NIGHT

3

TIANA knocks the door. ELLA opens the door, and Tiana is crying. Lucy is sleeping.

CINDERELLA

Tiana, what is going on?

TIANA

Naveen is gone! His department is a mess, there were papers everywhere and... it seemed like someone broke in.

HENRY (STANDS)

What...?

CINDERELLA

Well, relax. Did you speak with Rogers?

TIANA

No! I came here as soon as I saw that mess.

HENRY

Wait a minute... why do you need Naveen?

CINDERELLA

I'm trying to find my stepsisters!

HENRY

Did you try using a Locator Spell?

(CONTINUED)

CINDERELLA

I don't have anything from them!

HENRY

Didn't you ask my mother for another way?

CINDERELLA

Shut up, Henry! Regina is busy now and Naveen is missing!

TIANA

What do I do!?

HENRY

I'll go with you to the police station, and we'll report it to Rogers.

TIANA

Lead the way.

4 INT. HYPERION HEIGHTS' POLICE STATION - NIGHT

4

TIANA and HENRY arrive. The Desk Sergeant is working in his desk. Rogers was reading something in his office. Tiana and Henry knocked the door. Rogers lets them in.

ROGERS

Henry, Tiana, what's going on?

TIANA

Naveen is gone! He wasn't answering his phone and I went to his house, everything was messed up; shattered windows, dirty papers everywhere, broken objects... I used a locator spell, but it's not working!

HENRY

Help us, please.

TIANA

Us?

HENRY

I am coming with you, Tiana.

ROGERS

Do you have any clue?

(CONTINUED)

CONTINUED: (2)

TIANA

I found these things interesting for the case (*she hands Rogers Naveen's phone and his spear, magicless now*)

ROGERS (TAKES A LOOK)

What hour did you go to his house?

TIANA

Midnight?

ROGERS

His last call was at 10:30 from... Ghenadie Albescu? Who's that guy?

HENRY

I have no idea.

TIANA

Neither do I.

ZELENA (*ENTERS THE OFFICE*)

His name is Dracula... he's planning something.

5 INT. ROYAL CASTLE - DAY

5

REGINA

Charlotte LaBeouff? Aren't you Tiana's friend?

CHARLOTTE

Y-yes... How's Tiana now?

REGINA

She has her own restaurant now, near Mr. Gold's pawnshop.

CHARLOTTE

Where's that?

REGINA

Nevermind, I'll tell Zelena to take you there someday.

DRACULA

Well... what's the deal, then?

REGINA

You can take the King Pierre's Castle, and you return Wallachia's castle.

REGINA (CONT'D)

Deal?

DRACULA (SHAKES REGINA'S HAND)

Deal.

Regina summons and hands him the key of his new castle. Dracula teleports himself and Charlotte away, to his new castle. The door suddenly opens. Zelena, Nook, Henry and Tiana enter to the room. Unknowingly for them, a crow is watching from the window.

REGINA

What are you doing here? Can I help you?

ZELENA

I don't like Dracula... he's planning something, Regina.

REGINA

Zelena, rumors may be true and may not be true. If they were true, he could've changed. Remember the Evil Queen and the Wicked Witch?

ZELENA

I'm *still* the Wicked Witch, thank you very much.

ROGERS

I don't understand... what's going on? Who's that guy?

REGINA

He's Dracula. He bought an abandoned castle that belonged to him long ago. His wife didn't like his castle, so he asked for another castle. I decided to give him King Pierre's Castle.

ZELENA

Regina, he's planning something.

REGINA

How do you know? Oh, you don't have any proof!

ZELENA

I have. I checked Storybrooke's Hospital files and today, King George,

Bo Peep, Lady Tremaine, Happy and the Sheriff of Nottingham died because of a *heart failure*. Strange, right?

REGINA

Well... I'm wordless, we should ask someone who may know about this.

HENRY

And who knows about it?

REGINA AND ZELENA

Sidney.

6 EXT. MILLS HOUSE - NIGHT

6

It's friday night and the Mills-Swann-Charming-Jones-Vidrio family is reunited in Regina's house. David and Killian are cooking. Sir Henry is playing with the Xbox with Margot and Alice. Zelena and Rogers are joking about Mombi. Snow is drinking punch with Regina. Emma is talking with Henry.

EMMA

Tell me more adventures, Henry.

HENRY

Did I tell you the time I met Jack?

EMMA

Yes, honey.

HENRY

Goldilocks? The Elven Kingdom? The Mines?

EMMA

Yes. All of them. Wait... I just got an idea! I'd like to know how you met Ella, with every single detail.

HENRY

Well... I was going to a ball in King Pierre's Kingdom when she punched me and stole my motorcycle. She escaped the ball after she was accused of killing the prince, that's when I used the bottled message, Regina and Nook helped me to find her, we got married, Lucy was born, Drizella casted the curse... you know the rest.

(CONTINUED)

EMMA

More details?

HENRY

Well... you know the wedding. Oh! Right after the wedding, in our honey moon, we fought the wife of the giant I slayed in my first adventure.

EMMA

Wait... that giant wasn't like Anton, right?

HENRY

No, Anton is kind, this one was cruel, evil... she was defeated in the New Fairy Tale Land's version of the Lake Nostos. She was even more evil than her husband. Curiously, right after that fight, we found out Ella was pregnant.

EMMA

So cute! Hook sits at Emma's left, carrying baby Hope. David announces that the dinner is ready. They all sit and eat David and Hook's version of Regina's lasagna.

DAVID

What do you think, guys?

SNOW

It's tasty, but no one is better than Regina with this dish...

REGINA

You should've added apples, but it's delicious!

DAVID

Thank you guys!

ZELENA

Well, I'd like to thank to Snowing for protecting Storybrooke while we were gone, cheers for (*cheers*) heers)

REGINA

Cheers!

CONTINUED: (3)

Everyone cheered.

DAVID

This evening I received a call from Nurse Ratched... King George died due to a heart failure.

REGINA

Yes, Zelena told me

ZELENA

So strange having a heart failure in these times... especially with Dracula.

Emma changed the theme of the conversation, trying to avoid fights and drama.

EMMA

Did you know that... Lancelot freed Guinivere from the Sands of Avalon.

HENRY

Great!

ELLA

Glad to hear, though I never met Guinivere and Lancelot.

LUCY

Mom, I remember perfectly that you greeted him at grandma's coronation.

ELLA

Maybe...

After an hour since they finished eating, Snow got drunk.

SNOW

H-hey Regina, w-wasn't your daughter an old lady?

ZELENA

I'm Zelena, by the way, and Robin has never been an old lady... I think you meant "H-hey Emma, wasn't your daughter a baby?".

SNOW

That's what I meant! Wanna throw darts to Neal?

(CONTINUED)

CONTINUED: (4)

ZELENA

Neal is your son! Regina, please, what is this?

REGINA

She got drunk... you should've seen that time with those vikings...

SNOW

Tell me, Regina, have you ever slept with David? I heard rumors that he's a stripper... you should have seen when he-

ZELENA

I'd prefer not to know. And I never slept with that man.

DAVID

Well, Snow, I think we should go back to our home, right?

SNOW

Sure! I want another baby. Her name is going to be Angelica.

DAVID

Neal, go to the car.

David, Neal and Snow returned to their house. A while after midnight, Emma and her family also returned home. The party finished a while after Emma left.

7 INT. TAVERN - DAY - FLASHBACK

7

Henry, Jack, Akira and their group arrive to a tavern called "The Crimsom Crow". They sit next to Phil, one of Jack and Akira's friends, who they were supposed to meet there.

JACK

Hey mate, did you investigate the Beanstalk?

PHIL

Yes. It's a quiet place, it has an enormous castle and an enormous stable. There's a broken mouse door at the door's left. We can sneak in there and we'll find the interior of the castle.

(CONTINUED)

JACK

Thank you, Phil. Akira will give you the coins.

AKIRA

Let's make the groups. Jack, Phil and I are going to the Beanstalk.

HENRY

I'd like to go too.

AKIRA

You are too young, we will be facing a giant.

HENRY

I've faced worst things before...

PHIL

Like what?

HENRY

The Black Fairy, Peter Pan, Cruella de Vil...

JACK (*LOOKS AT AKIRA*)

Let him come with us, Akira.

AKIRA

Ugh... fine.

SALOONKEEPER

What do you wish?

JACK

Give us the best beer you have.

HENRY

Beer?

JACK

Have you ever tasted beer before?

HENRY

No, I was the only boy in Storybrooke who never tasted beer. I tasted wine though.

JACK

Give us six cups of beer. I will pay everything! (*he throws a sack of coins*)

AKIRA
Curiously, today is my birthday,
August 15th. If I die, I'd like it to
be the same day I was born.

HENRY
Really? I didn't know it was *our*
birthday today!

AKIRA
Excuse me?

HENRY
Today is my birthday too.

JACK
Henry, why don't you tell us about
your home? That Land Without Magic.

HENRY
Well, my town has magic, but the rest
of the world doesn't.

JACK
How's your town called?

HENRY
Storybrooke, I think I mentioned it
before.

PHIL
Yes, you did.

JACK
Who's the king of the Kingdom of
Storybrooke?

HENRY
My mother Regina is the major, not the
queen.

SALOONKEPPER
Drinks are ready!

The saloonkeeper placed the drinks in the table, and they
drank it before going to the Beanstalk.

REGINA and ZELENA arrive to Sidney's house, located in DunBroch.

SIDNEY (*OPENS THE DOOR*)

How can I hel- REGINA!?

REGINA

Hello, Sidney.

SIDNEY

What are you doing here?

REGINA

We need to know about a man named...
Ghenadie Albescu.

ZELENA

Hello, by the way.

SIDNEY

The Queen and the Witch... you ruined
my life, did you know?

REGINA

Sidney, help us, please.

SIDNEY

I'll help you if you give me a
comfortable home in the Royal Castle,
along with my old job.

REGINA

Fine, but tell us.

SIDNEY

Come in.

9 INT. SIDNEY'S HOUSE - DAY

9

SIDNEY (CONT'D)

He lived near Jefferson's house. He
lived with three women in a big manor,
their names were Amanda, Elly and BeBe
Matthews. They were sisters. They
worked as lumberjacks in the woods.
They always sold the money, and that's
how Ghenadie became rich. Why?

REGINA

We wanted to know his history. Who was
he before the curse?

(CONTINUED)

CONTINUED: (2)

SIDNEY

I don't know his name, that was all I knew about.

REGINA

His name was Dracula.

SIDNEY

Dracula? The vampire?

ZELENA

The one and only. One more question, where are the Matthews sisters now?

SIDNEY

They live in Storybrooke, near Granny's.

REGINA

Thanks, Sidney.

SIDNEY

Thank you, now I know that I don't have to mess with him.

REGINA

Zelena, take Sidney to the Tower of the Mirror in the Royal Castle, it's his new home.

ZELENA

Tower of the Mirror? That place doesn't exist.

REGINA

I just created it.

10 EXT. BEANSTALK - DAY - FLASHBACKS

10

HENRY, JACK, AKIRA and PHIL are climbing the Beanstalk. Henry supposes that it has a thousand feet tall, but Jack says it's actually two thousands. Akira had a rope with a hook, which meant that she was higher than her friends. Jack and Henry were perspiring. Akira finally reached the top of the Beanstalk. She threw the rope to Henry, because he wasn't as strong as Jack and Phil. Jack and Phil reached them a few minutes later.

11 EXT. GIANT'S CASTLE

11

They stepped forward. The Giant's castle was as big as they

could imagine, filled with jewels in it's windows and doors. Phil led them to the mouse's door. Hopefully, there were no mouses at the moment. They walked through a big hall, where at the end, they found the Giant sleeping in a silver chair. They could see something shining above the table.

AKIRA (WHISPERING) (CONT'D)

Henry and I are going to that table.
Jack and Phil, stay here.

HENRY (NODS)

Akira used her rope to climb the table. Henry followed her. The shining thing was actually a Golden Chicken. She was laying golden eggs. Akira, quietly, put those eggs in her bag. Akira and Henry then went to the ground, giving the bag with the eggs to Phil. Suddenly, the Giant woke up.

JACK

Be careful!!!

HENRY

AKIRA! Behind you!

AKIRA (TURNS AROUND AND DODGES)

Damn it!

The Giant took Akira and he pinched her arms, while she screamed with pain. When Jack turned around, Phil was on the table, taking the Golden Chicken, and then, he ran away while they were dealing with the Giant. Jack unswings his blade, *Sister of Fire* and digs it deep in the Giant's feet, but Akira fell off the Giant's arms, and due to the fall, she lost her life.

JACK

NOO!!!

HENRY

...!!

Henry took Akira's sword and helped Jack to defeat the giant. While Jack was hurting his legs, Henry climbed to the table and jumped right in the Giant's heart, but he failed, and he was stabbed in his right arm instead of the heart. Jack was consumed by rage. Henry and Jack switched positions, and this time, Jack didn't fail the attack, and the Giant died. Jack was crying over Akira's body.

JACK

We loved eachother. We were planning

HENRY
It is. I went to the Underworld.

JACK (CRYING)
Did you die?

HENRY
I was bringing my stepfather back from
death.

JACK (CRYING)
I loved her!!!! We'll meet in the
Afterlife, Akira!!!

12 EXT. FIELD- NIGHT - FLASHBACKS

12

JACK and HENRY are in a big field. There's full moon.

JACK
It's been nice to meet you, Henry. Now
I have to go, she deserves to be with
her family in her home.

HENRY
Where exactly is that?

JACK
Pendragon, the isle. After that, I'm
gonna kill Phil.

HENRY
I wish you all the luck in the world.

JACK
Goodbye, reader.

HENRY
Goodbye, Jack the Giant Killer.

Jack rides his horse and rides away, with Akira's corpse in
the back of the horse, covered with blankets. Henry saw how

13 EXT. FIELD - NIGHT - FLASHBACKS

13

Henry Mills is sleeping when he wakes up and feels a big headache. His eyes turned completely white and he started shaking. In front of him, a page of the Storybook appeared. In the page there was a text written in it:

"AUTHOR, I don't know if you'll read this, and if that happens, it means your powers are absorbing your essence. Find me in case I'm alive, but if not, Mother Goose will help you. Landceladr, apprentice of Merlin".
