#### Poker Ride: Win \$200

We are bringing back an old tradition from years ago the Poker Ride. The Bristol Poker Ride ran for a number of years in Bristol as a road event. At the start, at rest stop and at the finish, you will receive a card. The rider with the best hand at the end of the day will win \$200. Short and long route riders will be combined so that everyone has a chance to win the prize. **Persons not wishing to participate don't have to take cards at any point during the ride and are still eligible for the prizes listed above.**

#### Free T-Shirts will be available again this year.

To get your free T-shirt register by September 22, 2023 and choose your size. Shirts are different color this year.
