**Czym jest Paidverts?**

Kwiecień 2, 2014 Author: admin No comment yet

**PaidVerts** to platforma reklamowa która dzieli się zyskami ze swoimi użytkownikami. Projekt stworzony z rozmachem, skrypt oraz grafika robione na zamówienie, unikalny plan marketingowy. Paczka reklamowa kosztuje 1\$ , w zestawie dostajemy 50 wyświetleń naszej strony, 25 wyświetleń bannera 728x90 oraz 100 wyświetleń bannera 125x125 oraz 3100 Bonus Ad Points.

Punkty BAP (Bonus Ad Points) gwarantują nam naliczenia na naszych kampaniach reklamowych, 3100 BAP = 1.55\$. 5% od naszych zarobków idzie do naszego sponsora, maksymalny zysk wynosi więc 1,475\$.

Nie ma limitu zakupu, wartym odnotowania jest fakt że będziemy dostawać reklamy proporcjonalnie do wartości naszych ad-packów (choć przy dużej inwestycji również zdarzą się mniejsze reklamy) np. inwestując 100\$ możemy dostać reklamy nawet i po 1\$ / sztuka.

Można również zarabiać na darmowym koncie, oglądając reklamę aktywacyjną dostajemy punkty BAP, dzięki którym będziemy dostawać płatne reklamy.

Za dodatkowe 5 centów możemy wykupić opcję upgrade, dzięki której będziemy dostawać niewykorzystane reklamy przez innych użytkowników. Zarobek z 1 upgrade to przynajmniej 1\$, jest to więc dobra okazja dla darmowych użytkowników na szybkie rozkręcenie swojego konta.

Akceptowane metody płatności to: perfect money, egopay, solidtrustpay, przelew bankowy, western union, paypal. Więcej info [tutaj](#)

Prowizja za poleconych wynosi 10% od ich zakupu adpacków, oraz 5% od ich wszystkich płatnych klików.

After that close the window and repeat this process 5 times.
