**WEST END CLINIC**  
MEDICATION - ASSISTED TREATMENT PROGRAM

## ABOUT US

West End Clinic has been in operation since 1983 and has been at its present location, 5736 West Florissant, servicing the St. Louis city area since 1999. We are an outpatient program servicing members of our community who suffer with addiction. Our staff is dedicated to provide care with dignity and professionalism to those who seek assistance.

"Helping People Find Balance at the Crossroads of Their Lives"

## VALUES

- ▶ Providing quality services to those seeking assistance with addiction.
- ▶ Educating the communities and consumers about the dangers of drug abuse and addiction.

## OUR MISSION

We believe drug addiction is a disease and individuals with this disease should have the opportunity to receive assistance without prejudice, regardless of race, gender, religion or background.

## OUR SERVICES

At West End Clinic, our services include:

- ▶ Methadone Dispensing
- ▶ Group Counseling
- ▶ Individual Counseling
- ▶ Referrals for Physical & Lab Work
