Interesting Friday with 5 different stages winners on the 5 stages of this morning, **joan** was the fastest on the opening one, then **Juhopack**, **mimowrc**, **hubertos** and **Riry**. **Hug** was signalled stop early on the last stage. The afternoon a battle between **hubertos** and **mimowrc** start, the Toyota driver take advantage on a mistake in SS9, the Bulgarian drops a few seconds enough to drop down to 3<sup>rd</sup> behind **Riry** at 17sec of the lead, he's just in front of **mcdaros** waiting his moment to take everyone by surprise and **Juhopack** 5<sup>th</sup> will surely push Saturday and get some time back from the lead.

Short day for the 2<sup>nd</sup> leg, 3 stage to repeat twice, **hubertos** and **mimowrc** fight together as planned, the Bulgarian take the advantage and will leading tomorrow, during this time **Ryri** close the gap and is now at 7s of the lead, he can surprise everyone Sunday !  
**Juhopack** take 4<sup>th</sup> place after seeing **G.Ros** retired on the last stage, **mcdaros** is 5<sup>th</sup> at 7s, **joan** on his tail at 0,04s, the last stages will be very interesting !

With 3 scratch on 4 stages, **mimowrc** won the 4<sup>th</sup> round of the World Rally Championship, increasing at the same time his lead on the championship ranking.  
**hubertos** finish 2<sup>nd</sup> at 11s, **Ryri** enable to follow the rhythm imposed by the **M-SPORT** driver will settle for a 3<sup>rd</sup> place, **mcdaros** wait to long and finish 6<sup>th</sup> behind **joan** who almost pass **Juhopack** on the Power Stage for 4<sup>th</sup>.  
 Gap were close, everyone fight hard to win points in this rally !

## WRC-2

The fight was also rude in WRC-2, in the early stages the Top5 was exclusively French until **vince97421** made a mistake and **xav62** retired in SS4, **Fufu26**, **WTF\_ouhlalui** and **Marmotte** then rejoin by **PouletGrille** late in the Friday morning are all in 10s. Leading in the first partial time in SS6, **WTF\_ouhlalui** lost a minute going off road were no spectators could help, in order to gain some time back he went maximum attack in SS7 and destroy his Fiesta R5 in SS9, his trip in Chile end here. During that time **Fufu26** attempted to flee but **PouletGrille** try his best retain him, **Marmotte** and the Malagasy got exactly one second between them and they are down by 14sec of **Fufu26** and his Hyundai i20.

Epic Saturday it was ! They show up great driving skills, they even finish the three morning stage in the same second ! **Marmotte** put pressure on his compatriot and take the lead in the last stage with an advantage of 2,3sec on **Fufu26** and 5,5sec on **PouletGrille**.

Four stages to go and **PouletGrille** was the first to commit a mistake, losing 30sec ended his victory chances, assuring his lead **Marmotte** ended up getting his place stolen by **Fufu26** who won by 1,84sec ahead of the Citroën C3.
