Opposition To Plan Voiced At Asphalt Plant Meeting

by Marianne Martin

"I think the message that is being said to you tonight is that we don't want this batch mix plant in Charlestown. This is our community. It's as simple and basic as that," one Mt. Vernon Street resident told representatives of the Simeone Corporation at a public forum Tuesday night at Bunker Hill Community College, in reference to the company's

proposed bituminous concrete plant at a 2.5 acre 100 Front Street site.

Over 250 residents of the Charlestown community attended this Simeone Corporation sponsored public forum. The residents expressed anger and the general consensus of the audience was opposition to this plan presented by the company representatives. Approximately 30 residents

spoke in opposition, whereas no one from the audience spoke in favor of the plan.

City Councillor Robert Travaglini acted as moderator for the event, which heard the pledged support in opposition by several elected government officials including Representative Richard Voke, Senator Fran Doris, as well as, Mr. James Rowan from Speaker of U.S. House Thomas P. "Tip" O'Neill's office and City Councillor Michael McCormack.

The reasons stated for the opposition included the odor, traffic, and area appearance resulting from the asphalt plant, as well as, the fact that plans for the construction of the

Memorial Day Services Planned For Sunday

The community is invited to participate in Memorial Day Services on Sunday, May 27, 1984, under the sponsorship of the Charlestown Veterans Committee.

The Annual Memorial Day Mass of Bunker Hill Post 26, American Legion will be held at 8:30 a.m. at St. Francis de Sales Church, 313 Bunker Hill Street. This Mass, which honors the deceased members of Post 26, will also memorialize the deceased veterans of all wars.

At the conclusion of the Mass, a procession will form outside the Church and will march to the martial music of Waltham Post 156, American Legion Band to the corner of Union Street and old Rutherford Avenue for the dedication of a Hero Square.

This dedication will be in honor of GM 2-C Anthony J. Parrino, USN, who went down with his submarine, the USS Grayling, in World War II.

Anthony Parrino, the son of Mr. and Mrs. Joseph Parrino, grew up on

Rutherford Avenue in Charlestown. He enlisted in the Navy in 1940, following his graduation from

GUNNER'S MATE
SECOND CLASS
ANTHONY J. PARRINO

Charlestown High School. He was assigned to the Destroyer Mahan and later was transferred to the Destroyer Perkins. They were underway to Guam from Pearl Harbor when they were attacked in December 1941. He fought in the Coral Sea Battle. In 1942, he volunteered

for submarine duty, trained in New London, Connecticut, and was assigned to the Submarine USS Grayling. On the Grayling's first mission in Japanese waters in September 1943, Parrino was reported missing in action and two years later the War Department declared the 65 men and officers on the Grayling, killed in action.

The Purple Heart, the American Defense Service Medal, and the World War II Victory Medal were awarded to Parrino posthumously.

Following the dedicatory program and the unveiling of the Hero marker, the procession will continue to 105 Bunker Hill Street, across from Lexington Street, for a formal dedication of the Veterans Court and Garden, established and maintained by James "Butsy" McGrath.

The public is invited to attend these ceremonies.

Recent Graduate

Mary Maheigan of Auburn Street, Charlestown, recently graduated from the Gerontology Program of the College of Public and Community Service, University of Massachusetts at Boston.

The Gerontology Program is a unique one-year program geared to older adults who wish to return to school and use their life experiences to help other senior citizens locate and use the services available and to initiate and lobby for needed changes.

Bunker Hill Day Parade Committee To Meet

The Bunker Hill Day Parade Committee will meet on Tuesday evening, May 29, 1984 at the American Legion Hall, 27 Chestnut Street at 7:30 p.m. The public is invited to attend.

The Bunker Hill Day Parade and Celebrations will be held on Sunday, June 17th.

Academy Selects Raffle Winner

Congratulations to Mr. Bill Powers of Charlestown for winning the Holden Academy Atlantic City Raffle! We are very excited for Mr. Powers and hope he enjoys his weekend!

Many thanks to the parents, students and friends of the Holden Academy for supporting our raffle and the car wash and bake sale. We are very pleased with the results of your generosity. Plans are underway to improve our computer literacy program with these funds.

Applications for September enrollment are now being accepted. If you would like further information, please contact Janice Brenner or Sally Jeffery at 242-3940.

Again, thank you for your generous support. Be watching for further events from the Holden Academy!

Named Academic All-American

The National Secondary Education Council has announced that John Addison, Jr. of Charlestown, has been named an Academic All-American.

The NSEC has established the Academic All-American Scholar Award Program in order to offer deserved recognition to superior students who excel in the Academic

disciplines. The Academic All-American Scholars must earn a 3.3 or better grade point average. Only Scholars selected by a secondary school instructor, counselor, or other qualified sponsor are accepted. These scholars are also eligible for other awards given by the NSEC. These are awards few students can ever hope to attain.

John Addison, Jr. who is a senior at Christopher Columbus Catholic High, was nominated for this National Award by Father Berry, Science Teacher. Addison will appear in the Academic All-American Scholar Directory, which is published nationally.

"Recognizing and supporting our youth is more important than ever before in American history. Certainly, winners of the

Academic All-American Awards should be congratulated and appreciated for their dedication to excellence and achievement," said Dr. George Stevens, Executive Director of the National Secondary Education Council.

John is the son of Jack and Lynn Addison. His grandfather is Earle Davis of Charlestown.

It's Time To Shape Up For "The Battle Of Bunker Hill" Road Race

If you love the thrill of competition, you'll be happy to know plans are now underway for the annual Charlestown Boys and Girls Club **Battle of Bunker Hill** road race to be held on Sunday, June 17th, before the start of the Bunker Hill Day Parade. No experience is necessary to join in the fun — just a pair of sneakers and the motivation to try. All proceeds will support programs and activities at the Charlestown Clubhouse which provides over one thousand boys and girls between six and 18 years of age with educational, physical and social development through a variety of programs and activities.

The race will be conducted by a committee of Clubhouse Executive Board members and interested residents. Race co-chairmen Rob Ferris and Denny Borden are being assisted by Mike McHugh, Debby Leonard, Liz Mansueti, Ginny McGonagle, Chris Haughey, Phil Carr, Marty

Fabiano, Jerry Driscoll and Norita Lee. Ferris and Borden acknowledge the support of the Boston Police Department, Store 24, Saucony, The Forum Corp. and WNEV-TV (Channel 7) and the cooperation of Paul Jackson and John Brennan of the Clubhouse staff.

Two races have been planned for this year. If you're a runner of modest athletic ability, or if you're planning on staying out late for the Night Before Banquet, your chance to compete will be in the two mile novice run starting at 9:00 a.m. Registration for the novice race is \$5.00 and entrants will assemble at the Clubhouse, 15 Green Street, at 8:30 a.m.

For the more seasoned runner, a sanctioned 10K race will begin at 10:00 a.m. Named **The Battle of Bunker Hill** because of the hilly character of the streets of Charlestown, this race has proven to be the **toughest 10K in**

Boston! Runners for the 10K race will gather at the Clubhouse at 9:30 a.m. At the sound of the starting gun, entrants will follow a course that will traverse the streets of historic Charlestown and end on Austin Street at the Bunker Hill Mall.

The first leg will take runners on a relatively easy run along Rutherford Avenue to the Sullivan Square rotary, followed by a tough run over the summit of Bunker Hill to Chelsea Street. It then winds through the neighborhood and proceeds on a challenging uphill run of Monument Avenue, around the Bunker Hill Monument to High Street, down Green Street, to the finish line at Austin Street.

All runners will be cheered across the finish line by spectators and radio personalities from WVBF-FM, who will be on hand with the station's van to take part in all festivities in Charlestown on that day. WVBF is Boston's leading full service FM station providing listeners with music, news, sports results, weather and traffic reports.

The WVBF personalities will also take part in post-race ceremonies at the Clubhouse which will begin when all runners have crossed the finish line. Trophies will be awarded to men and women winners in both the novice run and the 10K race for first place, first Clubhouse members, first Charlestown residents and first in the Under 17, 18-39, and 40 plus years categories.

The 10K registration fee is \$5.00 per runner, teams of five \$25.00. All registrants will receive a T-shirt. Entry forms are now available at sporting goods outlets and athletic clubs around the city and at the Clubhouse, 15 Green Street, Charlestown. For information call Clubhouse Director Tom King at 242-1775.

Weight Watchers To Honor 100 Pound Losers

On June 2, at the Marriott Long Wharf in Boston, a celebration will be taking place for Weight Watcher members who have lost 100 pounds or more. Florence Tognarelli of Charlestown is among those being honored. The theme of the luncheon is new beginnings. Not only will there be new beginnings for those who achieved this personal accomplishment, but also for babies who have yet to be born. Proceeds from the luncheon will be donated to the March of Dimes Birth Defects Foundation.

The efforts of the Weight Watcher Group will be recognized during this March of Dimes second annual Telethon, which will be aired on Channel 56 on June 30 and July 1. Funds will help let freedom ring for America's babies. The support received from organizations such as Weight Watcher's allows the March of Dimes to continue their advancements in preventing and treating the nation's most serious child health problem: birth defects.

Festivities are planned to begin at 11:30 a.m. and will include a fashion show by August Max, recogni-

tion of 100 pound losers, an opportunity to view the Tall Ships, and a raffle offering as a first prize a trip for two to Hawaii. Florine Mark, President of Weight Watchers Group, Inc. will be on hand as a special guest and the commentator for the day's events.

During the past 20 years, Weight Watchers has provided people with a sensible approach to losing weight. By following their food plan, changing certain habits, exercising and attending weekly meetings, people across the country have been successful in los-

ing weight and maintaining their losses. This spring celebration is a tribute to those members who are working towards their new life at their goal weight.

Anyone wishing to attend this celebration may call Weight Watcher's at 566-5100 or the March of Dimes at 947-1519.

Space-Age Technology Revolutionizes Dentistry

There's a revolutionary new way to keep an attractive smile — with a space-age material used for making dental crowns to restore badly decayed or broken teeth.

Dr. Sumner Hirshberg, President of Dental Associates, a multi-specialty dental group practice with locations in Charlestown, South Boston and Quincy, and a member of the faculty of Tufts University, School of Dental Medicine has stated that the clinical application of the new crown is readily adaptable to group practice. "At Dental Associates, the laboratory personnel have been retrained to fabricate these porcelain crowns." The core of the super ceramic crown is made through a direct injection technique. After a series of procedures, specially formulated, colored porcelains and stains are used to make the super ceramic crown look so lifelike, it is virtually

undetectable from a natural tooth. Dr. Richard Woolfe, a member of the faculty at Harvard University School of Dental Medicine has developed the system at Dental Associates. He says that the results are most gratifying and is anticipating a great demand for the new, advanced technology.

The innovation is called Dacrown (Day-Crown) at Dental Associates and Cerestore Crown by Johnson-Johnson Dental Products Company.

Dr. Ralph B. Sozio, Co-director of the Prosthetic Division of the Forsyth Research Institute and on the staff at Harvard School of Dental Medicine, initially raised the idea of using advanced ceramic technology for dental application and has been heavily involved in the development of the Cerestore Crown.

Drs. Ralph Sozio and Edwin J. Riley, Directors of the Prosthetic Division of the Forsyth Research Institute and on staff at Harvard School of Dental Medicine worked cooperatively on the development of the crown.

"All-metal restorations are more durable," Dr. Riley said. "However, we have found that most people do not like

to have metal showing any place in their mouths." Further, he explained, metal conducts heat and cold which can cause discomfort when eating or drinking. Metal also blocks the diagnostic x-rays used to detect underlying decay.

"Porcelain fused to metal can chip or shear off," Dr. Sozio said. "And in some cases a 'metal collar' can be seen through the translucent porcelain, especially around the base of the crown as gums recede."

Its all-ceramic-core and advanced fabrication make it possible for a Dacrown to provide a new standard in precise fit and to have a very life-like appearance closely mimicking a natural tooth. The Cerestore ceramic is exceptionally strong and therefore, can be used to restore any tooth in the mouth. This ceramic helps insulate the tooth from unpleasant hot and cold sensations. It also ranks among the least toxic restorative materials ever used in modern dentistry, reducing the chance of gum tissue irritation. The results from a Dacrown at Dental Associates has demonstrated the practical use of this space age material in a clinical setting.

Opposition To Plan Voiced At Asphalt Plant Meeting

(continued from page 1)

plant had reached the stage of a Board of Appeals hearing with a prior community meeting informing the residents of the plan.

Joe Hanbury, Engineer for the Simeone Corporation, explained that the proposed plant is a batch mixer which manufactures bituminous concrete by a process of heating and drying sand and stone combined with a liquid asphalt. The plant would house aggregate storage and fuel on the 2.5 acre site behind the YMCA on Front Street.

In addition to the proposed tower and dryer, there will be a rotary kiln and a 8 foot diameter drum.

According to a Department of Environmental Quality Engineering (DEQE) letter dated February 2, 1984, the production aggregate will be delivered in trucks daily and transferred into five bins each having an approximate 1,000 ton storage space.

Stanley Siegel, of Diversified Engineering Services, who prepared the traffic analysis for the

Simeone Corporation, stated that he foresaw no significant impact from traffic generated by the plant as the residential community, despite problems caused by the closure of the Expressway ramps in the morning commute.

Despite efforts by Hanbury, assuring the gathering that the plant was to be in accordance with D.E.Q.E. standards, many residents did not feel that this was enough.

Warren Street resident, Ken Stone, stated that "the Sand and Gravel Company located adjacent to this site, was in state and federal compliance, but not as far as the neighbors are concerned."

State Representative Richard Voke stated that he, in conjunction with Senator Fran Doris, has submitted legislation relative to the early land taking by the state, of this Front Street property. This site is slated to be utilized as part of the ramp system for the proposed North Area roadway construction.

Voke continued, "No one can argue in any manner, shape, or form that an

asphalt plant is a plus for Charlestown - that it is a development we should welcome into our community."

One resident addressed the Simeone representatives asking if they would feel as strongly opposed as the Charlestown residents do, if a "plant like this came into your neighborhood. I just wish you would find somewhere else to go."

City Councillor Michael McCormack pledged support against such a proposal stating, "I don't have an asphalt plant next to my house in Brighton. And no one is proposing one next to my house in Brighton, and they damn well better not be proposing an asphalt plant next to my house in Brighton. I wouldn't put up with it and I don't think that you should."

A letter by John W. Oliver, Supervisor of the Central Artery Project, was read before the forum by Senator Fran Doris, requesting immediate acquisition of the land parcel in question by the State Department of Public Works stating reasons of "cost to the Commonwealth and to its taxpayers" in addition to the "adverse impact to all in the community" if the asphalt plant was permitted to be built on this site.

Senator Doris added that the Department of Public Works agreed with the supervisor's recommendation.

Representative Voke also agreed, stating that

since the land was to be taken by eminent domain in a year and a half, this fact "should make any responsible person oppose the project of even building a convent on that site."

Voke added that the Metropolitan District Commission, in writing, opposed the project, citing "adverse impact" on MDC plans for the immediate area.

Mr. James Rowan, representative of the Speaker of the House, "Tip" O'Neill's office, stated that he was "very much opposed" because the Simeone Corporation's Asphalt Plant is "the wrong plant at the wrong time in the wrong part of town." He assured the Simeone representatives that "we shall, gentlemen, defeat you in City Hall."

For those seeking additional information about the asphalt plant, the Simeone Corporation is sponsoring a tour to their Holliston plant on Tuesday, May 29, 1984. If interested, call the Simeone Corporation in Stoughton at 1-344-1100, extension 229 to reserve a seat on the bus. Reservations are required.

Also, there will be a tractor trailer on the site until Friday, May 25, 1984 between the hours of 4 to 8 p.m. Engineers will be on hand to answer any questions residents may have.

The Public Hearing on this proposal will be heard before the City of Boston Board of Appeal, Room 801, Boston City Hall on Tuesday, June 5, 1984 at 9:30 a.m.

An official transcript of the meeting was recorded by a stenographer, funded by the Charlestown Preservation Society in conjunction with the North Area Task Force.

Student Seeks Home In Charlestown

A quiet, responsible charming young South American woman wishes to live with an American family while she studies English and learns about the culture of New England. Her name is Thelba and she will be attending Bunker Hill Community College. She can live in or out of Charlestown, just as long as she can use public transportation to get to school.

If you would like to be a host to Thelba and open up your home to her for a few months, please call Carol Allen in Haverhill at 1-373-9259 or in Boston, during work hours, at 426-2700. You do not need to speak Spanish. Thelba, who is from a good family in

Northern Chile, already communicates quite well in English.

Thirteen Vie For Title Of "Charlestown Rose"

CHARLESTOWN ROSE
KATHLEEN BROWNE

Thirteen young women from the Charlestown community will compete in the Second Annual Charlestown Irish Rose Contest to be held at the Knights of Columbus Hall, 75 West School Street at 8:00 p.m. on Friday, June 1st.

One of these contestants will succeed Kathleen Browne, who a year ago was named "Charlestown

Rose" and has spent the past year representing this community in events from Charlestown, Massachusetts to Charlestown, County Mayo, Ireland. Along with her title as "Charlestown Rose", Kathleen and her mother were guests of the Charlestown To Charlestown Committee on a tour of Ireland, where she took part in the Western Irish Rose

Contest. Kathleen has stated that this past year, as "Charlestown Rose" has afforded her many fond memories and warm friendships, making this a year she will never forget. The 1984 contestants include: Maureen Atkinson, Kerry Campbell, Dawn Dineen, Kerri Farley, Karen Feeney, Janet Flynn, Paula Hurley, Sheila Kavanagh, Dineen Nolan, Ann Marie O'Brien, Sheila

Sheehan, Karen Simpson and Erin Sullivan. Family, friends, and the general public are invited to attend the Charlestown Rose Contest. Tickets are priced at \$10.00 per person and may be purchased from Marty O'Brien (242-5064), Carol McClellan (242-1254), Peter Looney (242-4032), Dennis McLaughlin (242-4291) or John McLaughlin (242-3631).

The Roses Behind The Roses

by John McLaughlin
Last Sunday, which also happened to be my birthday, I reread last week's Charlestown to Charlestown column having decided I might continue on with it this week. Reading the first sentence "After a year of hard work, Charlestown

has given us one dozen beautiful roses," a feeling of embarrassment came over me that perhaps I was giving myself, the Charlestown to Charlestown Committee MassPort, Charlestown Co-Op Bank or Aer Lingus some credit for the young ladies being roses.

One never rises on any given day and becomes a rose or anything else. Behind each rose stands another rose, with the encouragement, direction and patience that is so important and goes so unnoticed much of the time.

On Friday evening June 1st when all the roses are taking a bow, it will represent over 250 years of hard work, not the kind so

easy to accomplish with a pencil in 15 minutes. During my life, I have taken a bow or two, thinking perhaps how smart or deserving I might have been. Today I realize there were a few roses in my life also. I know my mother let a few bills go from time to time so I might look nice growing up. I remember the nuns at St. Francis who strongly insisted that I show up

every day, on time, with my homework completed. I also remember Mrs. Edwards at the Boys Club encouraging me to wear my glasses so I wouldn't be bumping into doors. They all are gone now. Writing this article today has helped me realize that my roses and my Irish heritage have sustained me many times.

On July 26th, we will be going back to where it all started — beautiful Ireland for an 11 day tour.

I am partial to Donegal and seeing all the McLaughlin's, the Kelly's, Doherty's, Devlin's, McGonagle's, and on and on.

As we tour Ireland, we will be rubbing elbows with the O'Briens, the Hurley's, McClellan's, the Looney's, Tracy's and the Bradley's.

If you would like to join us on this trip, for a vacation that you will cherish forever, please send the coupon below for a free brochure.

To Stage Las Vegas Night

Plans to stage the area's biggest Las Vegas night were announced recently by Jeremiah Murphy, President of the Mystic Valley Unit of the American Cancer Society. The Unit, which includes Charlestown, and surrounding communities associated with the Mystic Valley Unit, will pitch in to make the night a big success for the Cancer Society.

The function will be held at the Knights of Columbus Hall at 75 West School Street in Charlestown on Saturday, June 23, beginning at 7:00 p.m. The evening will feature all Las Vegas games, free refreshments and spectacular door prizes. Donations are \$2.00 per person and tickets may be purchased from the Cancer Society's Mystic Valley Unit at 96 Summer Street in Malden or by calling 321-8533.

Total net proceeds from the Las Vegas night will go to the American Cancer Society which is dedicated to wiping out cancer during our lifetime.

Directors of the Mystic Unit, in addition to Murphy, who resides at 48 Mt. Vernon Street, Charlestown, include: Joseph Barnes of 12 Mt. Vernon Street, Leo Carey, Executive Director of the Kennedy Center, John Crowley of 30 Mt. Vernon Street, and Edward McGuinness of 12 Cedar Street, all of Charlestown.

Proposal To Save Boston City Hospital Indigent Services

Representative Richard A. Voke, Charlestown Representative and Chairman of the Legislature's Health Care Committee, is pleased to announce that he has filed legislation to enable the Boston City Hospital to continue to provide medical services to the needy uninsured residents of Boston. The local legislator, perceiving a crisis situation developing, has gone to the aid of the city's renowned public hospital.

In making this announcement, Representative Voke revealed that under current law a limit on the amount of money an insurance company can reimburse hospitals for the type of care Boston City

Hospital delivers is scheduled to take place in September of this year. In working together with the staff and administrators of Boston City Hospital, Representative Voke has drafted legislation which would enable the hospital to maintain their present level of the so-called free care services to the residents of Boston.

Representative Voke stated that he is committed to the survival and future viability of Boston City Hospital and that it was his belief that the revenue reduction which, without the passage of the proposed legislation, would take place in September, would seriously jeopardize the hospital's ability to provide quality care to the city's in-

digent. Under the bill Boston City Hospital would be provided with over a million dollars more in additional revenue.

Voke made the following statement. "The Boston City Hospital is a unique institution; for many, it has become the hospital of last resort. It is a public institution, with problems and complications which differ markedly from her pretigious, private neighbors. While the ranks of the working poor and the uninsured keep increasing the demands on the Boston City Hospital have become greater than ever. In contrast to her neighbors, her percentage of bad debt and delivery of free care is ever increasing while her counterparts receive less."

David I. Finnegan Opens New Law Firm

David I. Finnegan, well-known attorney, radio and television host and political figure, announced that he has reorganized his law firm of seventeen years to form a new firm in managing partnership with At-

torney Richard J. Underwood, former Senior Vice President of the Commercial Union Insurance Companies.

The new firm, Finnegan & Underwood, has moved to three floors of town house offices overlooking the Charles River at 350 Beacon Street in Boston's Back Bay, telephone 262-1800.

Finnegan & Underwood is based on a family tradition of legal services dating back to 1923, when David Finnegan's father, Joseph Finnegan, a noted attorney and public figure, opened the first law offices under the Finnegan name.

As a managing partner, Richard J. Underwood joins David Finnegan with twenty years of legal and administrative experience acquired in private practice, government service, and major corporate responsibilities.

A full service law firm, Finnegan & Underwood, has been equipped and professionally staffed to provide complete legal services for the personal and

business needs of its clients.

RICHARD J. UNDERWOOD

Within the new firm, David I. Finnegan and Richard J. Underwood have brought together legal specialists of acknowledged reputations and skill as senior associates. They are: attorneys Thomas F. Finnegan, Henry A. Follen, Jr., Roger J. F. Lehrberg, William A. McDermott, Jr., and Jeremiah P. Sullivan, Jr.

Party Planned For 1984-85 Season Volunteers

Volunteers have always been the "life blood" of the Charlestown Working Theater. This spring the CWT is preparing for its busiest season ever and the need for volunteers is tremendous. CWT will be actively recruiting volunteers all summer. One of the first events planned for the volunteers will be a "get acquainted" party later this summer.

There are ten standing committees that provide the energy to keep the theater going. Some of these committees need people with special skills. All of the committees can teach special skills. All the committees are open to everyone interested in supporting the theatrical arts in Charlestown. Also, the Board of Directors meets on the first Tuesday of the month and invites all interested individuals to attend.

The standing committees are:

1. **Office and Administration.** Can you make phone calls, answer letters? Do you have time during weekdays to work

with the managing director?

2. **Fundraising and Publicity.** Can you write grants, design posters, call theater critics, plan mailings?

3. **Building Maintenance.** Can you hang a door, paint a wall, fix a sink? Would you like to learn?

4. **Inter-Theater Relations.** The theater world has its own bureaucracy. It takes time to keep up with the Cultural Alliance, the New Ehrlich, the Mass. Council, etc. and bring the latest word back to Charlestown.

5. **House.** Are you a good host? Can you sell tickets opening night, pass out programs, sweep the lobby, greet the audience?

6. **Tech Crew.** Do you know what goes on back stage, who sets and runs the lights, who runs the sound, who designs and builds the sets? Would you like to learn first hand?

7. **Special Events.** Can you plan a party, organize a raffle, run an auction, find performers for a cabaret night? CWT needs people to plan special programs, events and fundraisers.

8. **Programs and Classes.** Scene Study, Guitar, Dance, Theater as Self Expression; all these programs and workshops need assistants to plan and operate them successfully.

9. **Children's Theater.** Three year olds through sixteen years olds participate in the programs and productions. Parents are needed for a wide range of activities.

10. **Main Stage Productions.** Props, costumes, make-up, stage management, directing, acting; volunteers are always needed for these activities. And this year CWT plans FOUR main stage productions.

PRAYER TO THE HOLY SPIRIT
Oh Holy Spirit, thou who are all knowing, who brightens every path that I may reach my idea, thou who giveth me this divine gift of forgiving and forgetting wrongs done unto me and who in every instant of my life art with me, I'd like in this short dialogue to affirm my gratitude for all your blessings and reaffirm once again that I never want to part from thee though the illusion of material things abound.
My desire to be with thee and all my loved ones in perpetual grace. Thank you for your mercy on me and mine. (Person should pray 3 consecutive days without revealing petition. Within three days grace will be attained regardless of how difficult the petition may be). Publish this prayer, once grace is attained.
Grateful for Grace attained. Publication Promised **G.L.**

First Communion Ceremonies At Saint Catherine of Siena Church

photos by John Dillon

Children of Saint Catherine of Siena Parish received their First Communion at ceremonies held at Saint Catherine's Church in Hayes Square on Sunday, May 13, 1984.

Members of the First Communion Class took part in the service. Erin Lynch gave the First Reading and Jonathan Lent gave the Second Reading. The Responsorial Psalm

was sung by Kirk Titcomb and the First Communicants.

Prayers of the Faithful were given by David Burns, Jessica Barker, Brendan Hart, Rachel Melaugh, Eric Gould, Colleen Fritz, and Brian Wadman. Presentation of the Gifts was made by Christine McDonough, Kathleen Dykens, Todd Sgro, and Steven Morrill.

Following the Communion Rite, the Meditation Hymn was sung by John Kelsey, Kerri Gould, Meg Lillis, Rachel Jones, Gordon D'Ambrosio and Jason Britton.

The First Holy Communion Class included: Jessica Baker, Joseph Brennick, Jason Britton, Jill Buckley, David Burns,

Michael Burns, Janice Casey, John Cowan, Gordon D'Ambrosio, Daniel Dolossa, Kathleen Dykens, John Fopiano, Colleen Fritz, Eric Gould, Kerry Gould, Thomas Halloran, Derek Hanley, Brendan Hart, Brendan Houlihan,

Launches Voter Registration Drive

Mayor Raymond L. Flynn has announced an aggressive campaign to register new voters in Boston.

The City's Election Department, under Commissioner James Killilea, will set up voter registration sites in every neighborhood of the city at the local fire stations for the next ten Saturdays between the hours of 10:00 a.m. and 4:00 p.m.

In addition, there is also an ongoing registration effort at every high school, both public and private, in Boston. The Election Department is also in the process of contacting all colleges, universities, and nursing homes for registration sites and days.

Mayor Flynn noted, "For the first time, the City is aggressively pushing voter registration in the neighborhoods of Boston. We are going to reach out to the people in the neighborhoods and get them to help us find sites and locations. Although the preliminary for the senate election is four months away and the presidential election is six, we are starting early so that we can cover every part of the city and any request."

To request a voter registration site, the election law provides that

when ten registered voters petition the City's Election Department (any document signed in writing with names and addresses of the ten requesting the site will be accepted) the City will fulfill that request. Any individual physically disabled can call or write the Election Department and a registrar will come out and register that person to vote.

Registration requests should be directed to: The Boston Election

Department, 2nd Floor, City Hall, 1 City Hall Plaza, Boston, MA 02201, telephone 725-4635 or 725-4636.

To register, you must be 18 years of age and a citizen of the United States. Any form of identification with name and address will be taken as proof of residence, such as a letter, driver's license, electric bill, etc. There are no tests. Unless you move from your current address you need never register again.

Post Office Auction

The Boston Post Office will hold an auction of unclaimed and damaged merchandise at their new auction site on Thursday, May 31, 1984 at 9:30 a.m. The auction will be held at the Post Office's Truck Terminal Facility located in the Employee Parking Lot at 305 "A" Street, Boston.

Items for sale include leather goods, books, cassette tapes, clothing and household accessories. Special interest items include Lladro figurines, collectors' plates, miscellaneous crystal items and an AM FM stereo cassette recorder.

Merchandise will be on public display the day

before the auction, Wednesday, May 30, 1984 from 10:00 a.m. to 2:00 p.m. at the "A" Street truck terminal location. Customers are urged to attend the preview and inspect the merchandise because sale on auction day will be by lot number only, and no examination of merchandise will be permitted.

All articles will be sold on an "as is" basis, and no refunds will be made. Payment must be made in cash, and merchandise must be removed immediately after the sale. Free parking is available at the new site on the day of the inspection and on the day of the auction.

Celebrating Thirty-Fifth Anniversary

Harriet and Myer Galler are celebrating two anniversaries this year—their 35th wedding anniversary and 35 years at the Family Shoe Store, 221 Bunker Hill Street, Charlestown.

The Gallers are very proud of the fine reputation their business has earned in the community. Among their customers are "Townies" who have bought shoes for four generations, and new residents, who are delighted to have the convenience of local shopping.

The Gallers have seen the children of the town grow to adulthood and special customers include great-grandparents bringing in their newest great-grandchildren to be fitted for shoes and sneakers.

As Charlestown customers spread out to the suburbs, north, south and west of Boston, they sing the praises of the Family Shoe Store to their new neighbors. Loyal customers return to Charlestown and their new friends have found personalized service and low prices, unlike any other shoe store. "Today, we have customers from all over New England and as far away as Florida, California, Virginia, and New Jersey," boast the Gallers.

Harriet thinks of herself as a "Townie", as she has been in Charlestown since the age of six and attended the Bunker Hill School from the first through the

sixth grade and also the C.R. Edwards School. Harriet worked with her mother, Miriam Banks, in the Gray Shoppe.

Myer and Harriet have three children - David, an architect; Shirah, a weaver and fabric designer; and Michelle, who works with her parents at Family Shoe and is especially loved by all children.

The Family Shoe Store is a "Mom and Pop" store, with a friendly atmosphere and the extra attention that customers do not receive in the "big businesses" of today. In addition to their concern for proper fit, Family Shoe has the lowest prices and the largest selection of children's shoes anywhere in New England. There is also a wide selection of discounted name brands for adults.

Charlestown can be proud of the good name that the Family Shoe Store has earned for this community and the positive publicity that has generated from the care and service this shoe store has provided for the past 35 years.

Children's Films

The Film Program for Children will be held at the Charlestown Branch Library, 179 Main Street on Tuesday, May 29, 1984 at 10:30 a.m. and 3:30 p.m.

The features will be "Gerald McBoing Boing", a Dr. Seuss story in which Gerald refuses to speak and just keeps going "Boing, Boing". Also, "A Picture For Harold's Room", which tells the story of how Harold, with a purple

crayon and lots of imagination goes adventuring in his room.

Suggested reading in conjunction with this program includes *Hunches in Bunches* by Dr. Seuss, *Thidwick, the Bighearted Moose* by Dr. Seuss, and *A Picture for Harold's Room* by David Leisk.

Kennedy Center News

FOOD STAMP ELIGIBILITY: For the next six weeks, the Kennedy Center will be seeking information on the number of people that may be eligible for food stamps. During the six weeks, Charlestown residents will receive in the mail a "Food Stamp Do It Yourself Worksheet." This informational newsletter can give people a basic idea on their eligibility for food stamps. Applying for food stamps can be a complicated process. That is why, for the next six weeks, we will be providing information to possible applicants. We will try to make the process easier and to advocate for the people who wish to apply. If you have any questions regarding food stamps, please call Ed at 241-8866.

CLOTHES DRIVE: Any useable clothing for males and females of all ages, also any working appliances are needed for a new program at the Kennedy Center to benefit the town residents in need. WHERE ARE THE BARGAINS?

Where do you find bargain homes? Sometimes, they are right under your nose.

As you park across the street from the house on Robinson Circle, your agent says apologetically, "Now, I want to warn you that this one doesn't show well." Without moving from the car, you can see an old pickup truck in the driveway, the shaggy lawn, rusted toys on the front walk, soggy newspapers under the shrubs and a torn screen door. A disaster? No, an opportunity.

When you locate such a house, if it has had decent maintenance (as opposed to poor housekeeping) then you may have stumbled upon a bargain. Tenant-occupied houses sometimes fall into this category. Most buyers cannot see past sloppiness. As a result, the above house may eventually sell far below its true market value. Especially so if it is the only eyesore in an otherwise elegant neighborhood.

The buyer who has the wisdom to look past poor housekeeping can often pick up a real bargain.

Babe Ruth Baseball

The end of the second week of play in the Charlestown Babe Ruth Baseball League, finds the Duffy Club in a first place tie with the Knights of Columbus. These two teams squared off last week and the Duffy Club jumped off to a 5-0 lead and it looked like they were going to take over sole possession of first place, but the heavy bats of Kevin McGonagle and Charlie Roche soon found both teams in a tie in the eighth inning. With one out in the ninth inning, Duffy loaded the bases on singles by Bill Wadman, Joe Sullivan and John Doherty. Mike Stillman, the Knight's Manager, brought in his ace relief hurler, Wayne Barker. Greg Wilkins hit the first pitch through the box, for what looked like a solid base hit, but Kevin McGonagle made a sensational stop, stepped on second and rifled it to first for an inning-ending double play. In the bottom of the ninth, Marty O'Brien started it off with one of his four base hits and scored moments later on Sean Riding's game-winning hit.

In other league action, Local 25 got in to the win column thanks to the heavy bat of John Cahill who banged out two triples and a double.

Charlestown High School 1983-84 Hockey Team Holds Award Dinner

The 1983-84 Charlestown High School Hockey Team held its breakup dinner recently at the Mt. Vernon Restaurant. After the dinner, four special awards were presented to seniors who led the 1983-84 team to the Division III State Quarter Finals.

Senior Joe Yandle was presented the "520 Club Trophy" for outstanding contributions to C.H.S. Hockey. This trophy was donated by the 520 Club and President, Jackie Sullivan, and was presented by 520 member Pat Greateorex.

Senior Tri-Captain Mike Gautreau was presented the First Annual "Robert O'Brien Memorial Trophy." This award was in recognition of Michael Gautreau's unsung heroic efforts during the 83-84 season. The trophy was donated by the 1963 C.H.S. Hockey Team in memory of their teammate, Robert O'Brien. The presentation was made by Co-Captains of the 1963 Hockey Team, Tom White and Danny O'Neil, and Bobby O'Brien's brothers, Billy and Jimmy. The trophy will be

on display in the trophy case at Charlestown High.

Senior Tri-Captain Eric Johnson was First Team Boston All-Conference Goalie and one of the top goaltenders in E-Mass Hockey. He was co-winner of the "Lawrence P. Considine Memorial Trophy" for leading the C.H.S. Hockey Team to the Division III Quarter Finals. The award was presented by Headmaster Robert Murphy.

Senior Tri-Captain Kevin Woods was the other winner of the "Lawrence P. Considine Trophy". Woods was First Team Boston All Conference Defenseman, H.N.I.B. All Scholastic, and one of the top all around hockey players in the state. He led C.H.S. to their great season by his stellar play in all aspects of the game. For this he was named the "Most Valuable Player" in the Boston Conference and will be awarded the "George Ryan Memorial Trophy" in June. Athletic Director Mike Sheeran presented the Considine

Trophy to Kevin Woods.

The "Lawrence P. Considine Trophy" has been awarded to C.H.S. players for the past six years. These trophies have been generously donated in memory of Considine by his good friend, Charlie Harrington. C.H.S. would like to thank Mr. Harrington for his continuous support of C.H.S. Hockey.

After the special awards, each member of the team was presented with a varsity jacket. The team members were Eric Johnson, Lance Lafrenniere, Frank Stillman, Kevin Woods, Mike Gautreau, Peter Looney, Joe Upton, Dan Sullivan, Jay Yandle, Jim Griffin, Luis Ruiz, Bruce Lee, Ed Cahill and Joe Yandle.

Members of the faculty who actively support C.H.S. Hockey were present at the dinner. They included Messrs. Murphy, Green, Sheeran, Rafferty, Sheehan, DeLorie, Greateorex and O'Brien.

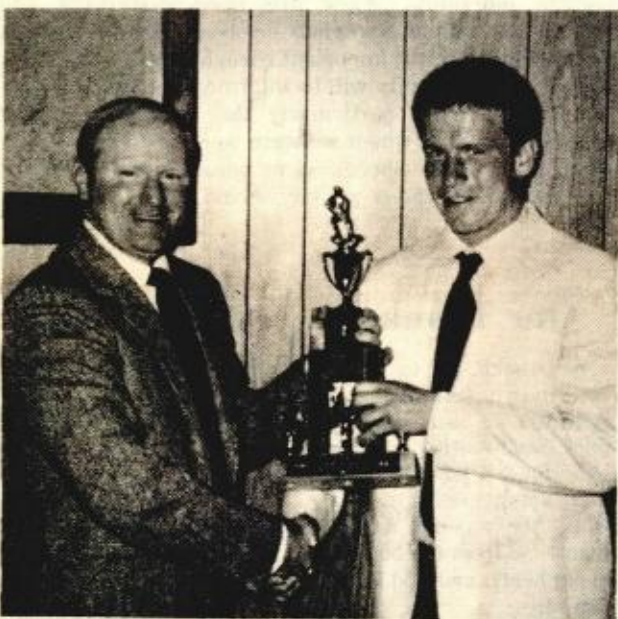

In closing, Coach Morris emphasized to the team, faculty, and guests that the 1983-84 season was a special one. It gave many thrills to everyone that will not be forgotten. He wished the seniors the best of luck in the future and stressed to the underclassmen the importance of doing well in school.

Support Needed To Keep Community Garden Intact

Robert J. McDonagh, P.E. Chief Engineer Massachusetts D.P.W. 10 Park Plaza Boston, MA 02116

Dear Mr. McDonagh,

The members of our Sullivan Square Community Garden, located at the junction of Bunker Hill and Main Streets are extremely concerned about the proposed reconstruction of Main-Warren Streets as presented at the public hearing on May 15, 1984. We were shocked to learn that the current plans call for taking a substantial portion of our garden area for the street and sidewalk.

The Sullivan Square Community Garden was begun in 1978 when the weedy lot was cleared and planted. Since its

To The Editor:

For many years I have been involved personally and as an attorney representing clients in real estate matters in Charlestown. I have a great affection for the Town, have supported numerous community endeavors and have found

inception, this Community Garden has won several awards including the Massachusetts Horticultural Society's first Community Garden Award in 1980. Certificates of Merit in 1982 and 1983, and a Model Gardens Grant. Over 50 gardeners cultivate nearly 100 plots, growing a wide variety of fruits and vegetables. The features that make our Garden unique include a wide perennial border of flowers, a grassy area and trees around the perimeter which provide both the beauty of a greenbelt and a necessary safety barrier from the pollution of the truck and automotive traffic.

The engineers have advised us that the plans were originally developed in the mid 1970's, when a school was planned for the parcels and the traffic flow requirements were different. The Garden has become a landmark in the past six years, and the proposed project would have a deleterious effect on the prettiest place in Charlestown.

We would like to discuss alternatives which would maintain our Garden's unique features and accommodate the needs of traffic flow and alignments to Medford Street.

Sincerely, Barbara Ann Maheigan Fred Blair Co-Directors

CC: Charlestown Patriot

Rep. Richard Voke Lucy Ferullo, Mayor's Office for Community Affairs Neil Sullivan, Director of Neighborhood Services

P.S. We would appreciate the support of the community to keep the garden intact. Please send comments on the project to Robert J. McDonagh at the above address.

Congratulations On Promotion

To the Editor:

Congratulations on the promotion of Michael J. Norton from Second Lieutenant to First Lieutenant in the United States Marine Corps.

Mike enlisted in the Navy on January 5, 1977. He served as a Seaman in the Navy until July 6, 1978, when he entered the U.S. Naval Academy as a Midshipman.

Mike graduated from the Naval Academy in July 1982. While at the Academy, Mike was first in his class and was named the "Midshipman Commodore".

Upon graduation, Mike selected the U.S. Marine Corps, where he has been serving as a Staff Officer in Marine Intelligence. He will be attaining his Master's Degree shortly and hopes to enter law school in September. When he receives his law degree, this will be the third degree that he has attained while in the service and he will continue to serve in the Marine Corps as a Captain.

I am writing this so that some other Charlestown boy or girl will look at the career of Mike and make the choice to enter and take advantage of the educational opportunities afforded to young people in the service. The opportunity is there - take it!

Harold and Angela Norton 4 Franklin Street Charlestown

its residents to be sometimes vocal, but always reasonable and fair. Within the past month several incidents have occurred which should be brought to the attention of your readers, and particularly the residents of the Monument Square neighborhood.

I represent Bonni Widdoes who has been a resident of Charlestown for approximately twelve years. She purchased and is in the process of rehabilitating No. 4 Monument Square into six residential units. She applied for and received a building permit from the City of Boston Building Department.

I was contacted by Bonni for the first time approximately five months ago. In conjunction with her architect they presented a proposal to construct, in a courtyard fashion, well landscaped, three single family wood framed town houses on the vacant land beside and to the rear of No. 4 Monument Square. Papers were filed with the Board of Appeal, abutting neighbors were personally contacted and the initial hearing held in April. Without getting into the details of the hearing and two subsequent neighborhood meetings, we have been attempting to make some compromises with the neighborhood in an effort to receive the Board's approval. This letter is not an effort to seek the Patriot's support or in fact the support of anyone. I am, however, deeply concerned and disturbed by what has occurred since the matter first came before the Board.

Shortly after the hearing, the following incidents have occurred at the site:

- 1. Two large windows in the building at No. 4 Monument Square were smashed;
2. Approximately \$3,000.00 worth of construction tools were stolen from the building;
3. A neighbor parked her car in the vehicular passageway leading to my client's property to obstruct entry by the construction workers;
4. Framing lumber was stolen from the site;
5. Roofing nails were sprayed over the passageway causing flat tires to the trucks and automobiles of the workers entering my client's property.

These incidents are undoubtedly the work of some immature individual. They are most disturbing and inconsistent with any previous involvement I have had in Charlestown. I felt it important enough to write this letter so that the community will be informed as to what is happening, and more particularly the Monument Square neighborhood with whom we were working to reach a solution. We may be successful or unsuccessful before the Board, but this type of activity should not be tolerated.

Very truly yours, Richard M. Dray, Esq.

Our Thanks

We would like to thank the many friends and relatives of our beloved deceased mother, Mary Gill, for all your prayers and kindnesses to her while she was ill. We all thank you from the bottom of our hearts and God Bless you all.

Sincerely, The Family of Mary Gill

Thank You

Keep The Asphalt Plant Out of Charlestown!

Charlestown is a residential neighborhood. It should not be a dumping ground for an asphalt plant. Despite what the developer says, this plant will provide little benefit to our community of Charlestown. It will not help us to get our streets paved. It will not provide significant employment. It will add much to our problems of air pollution, traffic, noise and development.

Only you can keep the asphalt plant from destroying Charlestown. If the politicians know that the people don't want it, they will stop it. Please call or write each of the people below. Please do it today, and be present at the Board of Appeals hearing, Room 801, Boston City Hall on Tuesday, June 5 at 9:30 a.m.

- City: Mayor Raymond Flynn, Councillor Robert Travaglini, Councillor Michael McCormack, Councillor Christopher Iannella
State: Governor Michael Dukakis, Senator Francis Doris
Federal: Senator Paul Tsongas

Please send the letter below or write your own to each of the officials above. Thank you!

Dear _____ Title _____

As a resident of Charlestown I am distressed that an asphalt plant is proposed for Front Street. Please do everything you can to stop this proposal. Charlestown is a residential community. Heavy industry which threatens traffic safety, pollution control and suitable community development should not be allowed.

WHICH IS THE DACROWN (day-crown)?
A cast ceramic covering

You cannot tell because the new crown is Dacrown, short for Dental Associates Crown. The difference is that the ceramic material is cast and there is no metal under the restoration.

ADVANTAGES:

- Stronger than other porcelain crowns.
- Coloring and form closest to natural teeth.
- Fits better.
- No metal at edges.
- Less sensitivity to hot and cold.

DISADVANTAGES: NONE

- The process requires special laboratory procedures
- The crown is made in our own laboratory.
- Prosthodontists (specialists in restorative dentistry) prepare, fit and color these crowns at Dental Associates.

Paid Technical Training - Plus A Visit To An Aircraft Carrier

Men and women, ages 17 through 34, can find out about Naval Reserve part-time jobs with paid technical training and enjoy a visit to the aircraft carrier USS John F. Kennedy during the Massachusetts Festival June 2 through 7.

The Kennedy arrives in Boston June 1 for the festival and the Parade of Tall Ships. Visits will be by

ticket only, because the aircraft carrier will be moored in Boston Harbor, thus requiring boat trips to it.

High School, vocational school, college and technical school students, and working people are being offered the ship's visit - not available to the general

public - as an inducement to investigate the Naval Reserve's new SAM (Surface and Air Mariner) Program.

SAM is a part-time job with fulltime benefits, according to Chief Radioman Mike Kelley, Senior Recruiter at the Naval Reserve Center in Quincy.

The SAM Program offers a salary and in some cases cash tuition assistance as well as technical training which can help men and women advance in their civilian careers.

For full details about SAM and tickets to visit the USS Kennedy, phone 479-1100.

Charlestown Foster Care Families To Be Honored

with dignity and that foster parents in providing a loving and stable home for children while their families are in crisis enable foster children to develop into self-confident and responsible citizens.

The Governor issued this proclamation in conjunction with the launching of a state-wide drive to recruit additional foster parents, as there is currently a serious shortage of foster homes throughout the state.

Each area office will coordinate local activities

both to recognize and recruit foster parents. As part of this effort, the Harbor Area Department of Social Services will be hosting a Foster Parent Recognition Night for Area Foster Parents on May 31st at 7 p.m. at their office on 115 Gove Street, East Boston.

Among those being honored are the Benoit, Borriello, Dennison, Doenges, Ellington, Evers, Flaherty, Ings, Isbart, Lacey, MacKillop, and Scalli families, all of Charlestown.

Receives Scholarship

Joseph Jackson of Charlestown, a member of the class of 1986, received a scholarship for the 1984-1985 academic year from Westfield State College. According to Robert P.

Green, Director of Financial Aid, recipients were recognized for their academic accomplishments and contributions to the college and community.

WHDH To Sponsor Memorial Weekend Blood Drive

All of us like to be on a winning team, and now residents in the Greater Boston area can join one, by signing up with WHDH and the American Red Cross for their annual Memorial Weekend Blood Drive.

Recognizing that the blood supply can drop dramatically over long weekends, WHDH and the Red Cross will be urging eligible donors to give blood Friday and Saturday, May 25 and 26. The drive will be held from 9:30 a.m. to 5:00 p.m. both days at the Red Cross Donor Center by Fenway Park, located at 99 Brookline Avenue in Boston.

During the two day blood drive donors will be greeted by WHDH personalities, including Jess Cain, Officer Bill Connell of Charlestown, Dave Supple, Tom Kennedy and Mike Miller, as well as having the chance to win such exciting prizes as tickets to upcoming Red Sox games. The event promises to be fun for the entire family, with a special Fenway Park canteen in operation both days serving baseball lovers favorite foods. The donor center is across the street from Fenway Park, making it easy for those planning on attending Red Sox home games that weekend to stop by the center first to donate. For the greater convenience of donors, free parking and babysitting will be available.

Giving blood is safe and simple, and only requires about an hour of the donor's time. Almost anyone may be able to donate, as long as they are between the ages of 17 and 65, in good health, weigh at least 110 pounds and have never had hepatitis.

From the desk of
Deputy Superintendent Joseph V. Saia, Jr.
Commanding Officer, Area A
Downtown, Charlestown, East Boston, Beacon Hill

On May 15, 1984 at 10:00 a.m., Officer McNeil received a radio call to respond to 28 Chestnut Street on a report of a breaking and entering. Upon arrival, the Officer spoke with the victim who stated that sometime between 7:00 p.m. on May 14th and 8:30 a.m. on May 15th, unknown person(s) entered her building through the cellar door and had taken from her place of residence a Ricoh camera. Further investigation found the second floor apartment door kicked in, but no items were taken from it. Also responding to the scene was Officer Parham. This incident is to be further investigated by Area A Detectives.

On May 15, 1984 at 1:15 p.m., Officer Parham responded to 65 Elm Street on a report of harrasing phone calls. Upon arrival, Officer Parham spoke with the victim who stated that three phone calls were made to his home, harrasing him and his family. The third phone call was a female voice, and when he asked who it was on the phone, the voice stated "Chris" and then hung up. This incident is to be further investigated by the Detectives.

On May 15, 1984 at 7:15 p.m., Officer Bates received a radio call to respond to Eighth Street, Gate 4 in the Navy Yard, on a report of larceny from a Motor Vehicle. Upon arrival, the Officer spoke with the victim who stated that two unknown white males had entered his car and taken a radio and radar detector out of it. He told the Officer that the suspects had fled in an old car towards City Square. The officer searched the area to no avail. The victim wrote down the plate number and gave it to the Officer who in turn gave it out over the radio. There are no suspects at the time of this writing.

On May 16, 1984 at 12:00 p.m. and while on patrol on Medford Street, BHA Police Officers Harrington and Harmon saw a 17 year old male hanging out in front of 90 Medford Street. The Officers had knowledge that the male had warrants on him from Charlestown Court for Assault and Battery. The Officers stopped the male, informed him

of the warrants and placed him under arrest. He was then transported to Area A, advised of rights and booked.

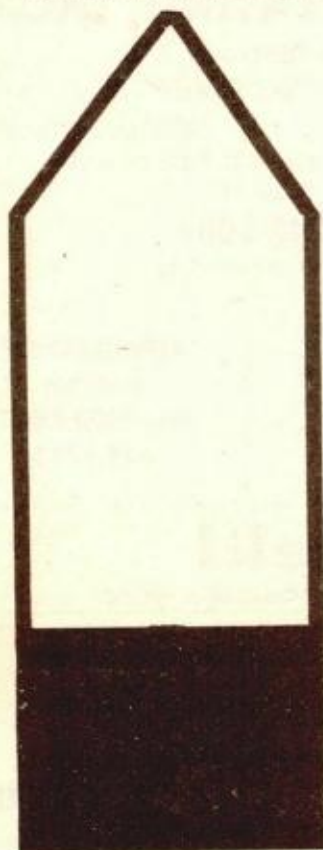

On May 16, 1984 at 6:00 p.m. and at Main and Sullivan Streets, there was an arrest of two males, one 27 and the other 17, for Possession of Class B Substance (Cocaine) with Intent to Distribute. The arrest came as a result of information received and observations made of a 1984 Cadillac at the above location. Seized and held as evidence was a total of seven paper folds of white powder believed to be Cocaine, various drug paraphernalia and a total of \$239 in cash. Both suspects were advised of their rights, taken to Headquarters and booked for Possession of Class B Substance with Intent to Distribute. They were then taken to Area A for safekeeping.

On May 16, 1984 at 9:50 p.m., Police Officers responded to 202 Bunker Hill Street (Liquor Store) on a report of an Armed Robbery. Upon arrival, the Officers spoke with the owner of the store who stated that he was robbed by an unknown male brandishing a knife. The suspect demanded the cash, grabbed what was placed on the counter top, and then fled up Bunker Hill Street. This incident is to be further investigated by Area A detectives.

On May 16, 1984 at 10:00 p.m., a 21 year old male from Charlestown walked into Area A Police Station and reported to Officer Chin that while his automobile was parked and locked on Lowney Way, person(s) unknown gained forced entry into the auto and removed a radar detector, cassette tapes and case, and sea diving equipment.

The next Community Service Meeting will be held on Tuesday, June 12, 1984, at 7:00 p.m. at the Kent Community School, 50 Bunker Hill Street.
