One player takes horizontal cards (elephant and cat) and the other one takes vertical cards (mouse and wolf). In the round, players choose one card from the hand. And they put them covered on the table. Then they reveal cards.
The player whose animal is afraid of the other loses. They play up to 3 wins.

The mouse is afraid of a cat.

The cat is afraid of a wolf.

The wolf is afraid of the elephant.

The elephant is afraid of mice.
