A secret way of how to use multiple google adwrods account without getting suspended (Sometimes they can find out)

- 1.Don't use more than 1 adwords account from same ip .. you can get a vps or something for another account .
- 2.Don't use the same domain in 2 different adwords accounts.
- 3.Don't copy paste the exact search terms in 2 diferent adwords accounts. On manual review they'll find out.
- 4.Don't use the same VCC for different accounts .
- 5.Don't use google chrome or toolbar on your computer while doing the adwords .

Make sure also to look at the guidelines of google adwords .
You use this method at your own risk .
