The institution is in the stage of establishing an organizational network, so it is necessary to ensure the function of own members, which are dependent on their own Institutional activity and business performance, under the administration of the General Council of Institution.

The objective of organized co-operation of Private Societies is therefore to carry out diplomatic representation and protection of diplomats for the purpose of establishing diplomatic co-operation with Private Companies & Contractors in order to be able to co-operate Internationally, to activate common business logistic under code of Institution ID's GSCPC.

1. *The first step is to use your own affiliates of a private company team with membership in the Institution, meaning the use of friendly relationships, common association relationships, or public contacts, for the purpose of setting up a meeting or conference, thus enabling the announcement of the constitutive information to be invited to membership of the Institution ID's GSCPC Central Institution Code.*
2. *At the time of the meeting and the provision of the information statement, confirming acceptance of the offer of membership of the Private Company in the Institution, then, on behalf of the new Private Company, the partnership will again promote the dissemination of bids for Institutional Membership and create a joint profit for new members of the Institution, be identifying in number 1.*
3. *The goal of uniting partnerships in the interest of Institutional Membership thus means the joint commencement of official work according to the Central Code of the Institution in respect of the performance of the General Council of the Institution.*
4. *By the same system of function, the purpose of the cooperation of the General Council of the Institution for the purpose of contacting all the Doctors' Orders and Private Doctors and Associations will be determined for the purpose of centralizing the mobilization of the Council of Medical Intelligence in the reunification of the new members.*
