and of course not the last one.

We Introduce to you

Blatant Mist

This is a story about a young boy,
who had no problems in his life when he was a child,
but as unfair as the world often is, something was coming.

Something was gonna harm him in a way no child should ever experience.

But before we'll get to that part.

Maybe we should start completely elsewhere..

Perhaps where it all began..

LEYTON

SATURDAY AUGUST 15TH 1998

I can't keep
doing this!

I really
can't!

**THEY KILLED
SOMEONE!**

With the technology
I've made!

I'm a killer, I'm a
cold hearted killer!

How can I look at
my family,
how can I—

Oh **GOD**

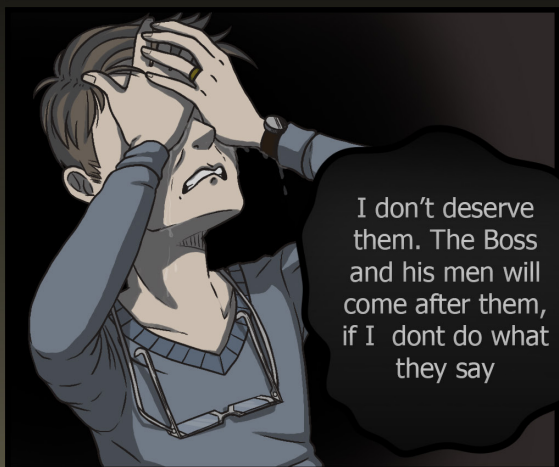

My family

...

My little boy

...

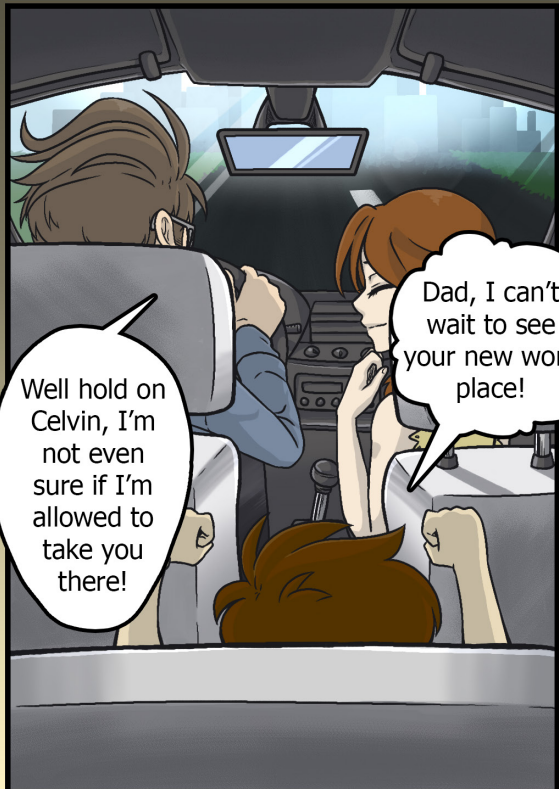

Oh god

I don't deserve them. The Boss and his men will come after them, if I don't do what they say

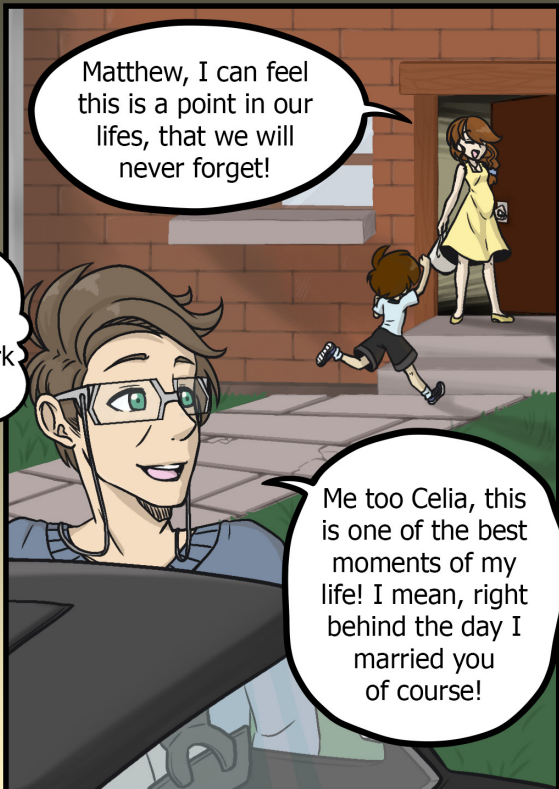

How did it turn out this way? We were supposed to be **happy**!

Well hold on Calvin, I'm not even sure if I'm allowed to take you there!

Dad, I can't wait to see your new work place!

Matthew, I can feel this is a point in our lives, that we will never forget!

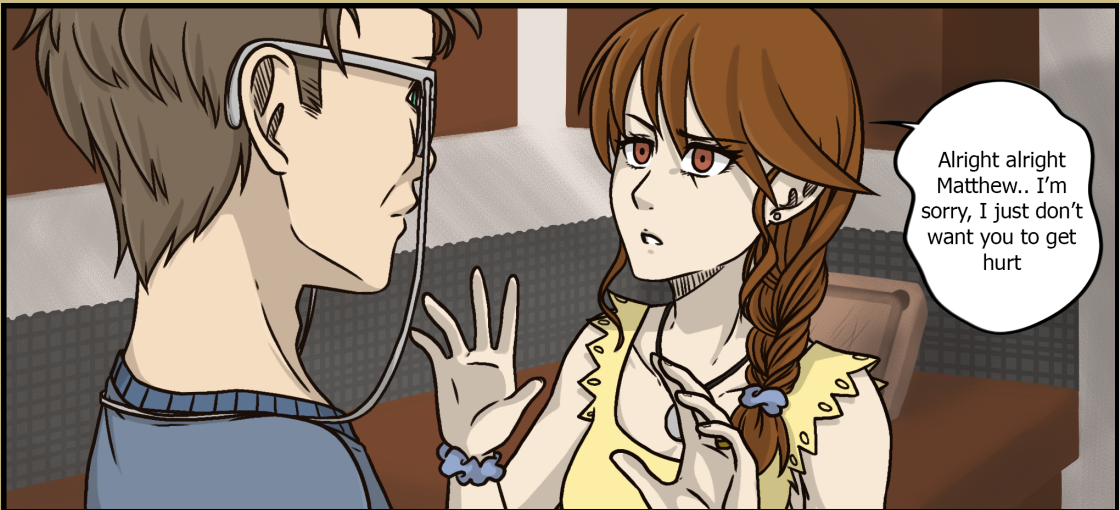

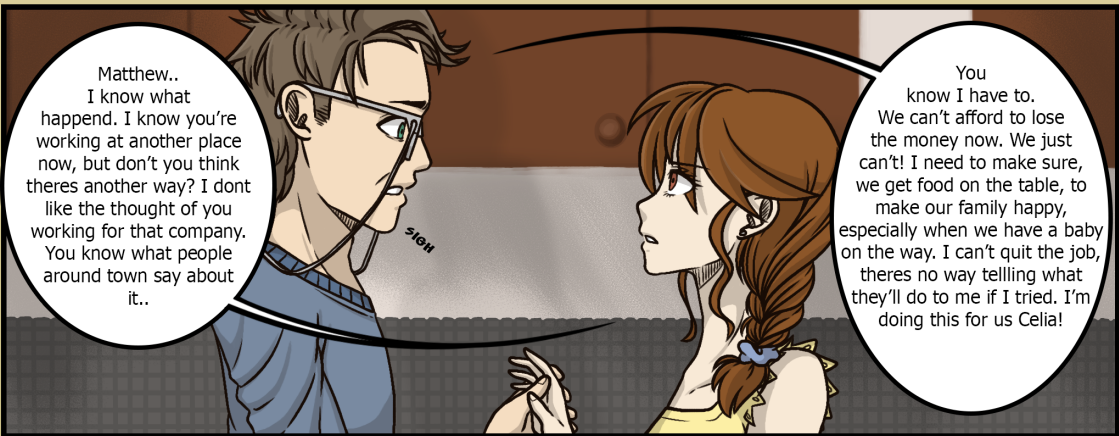

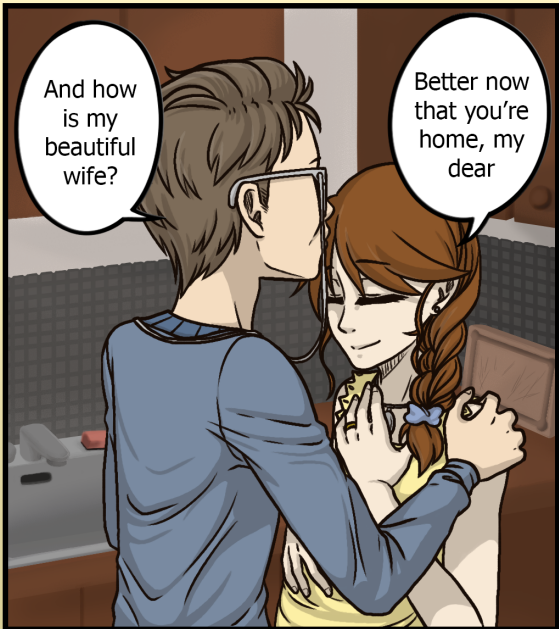

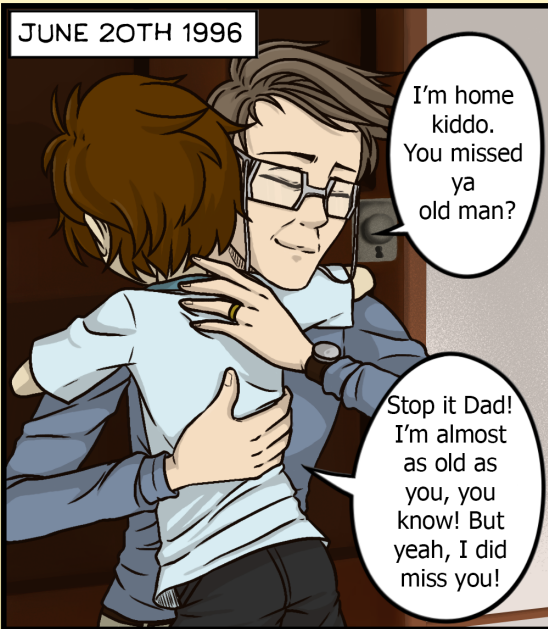

Me too Celia, this is one of the best moments of my life! I mean, right behind the day I married you of course!

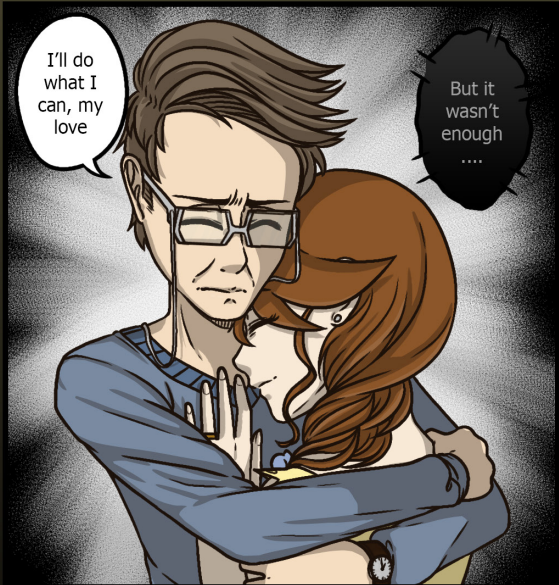

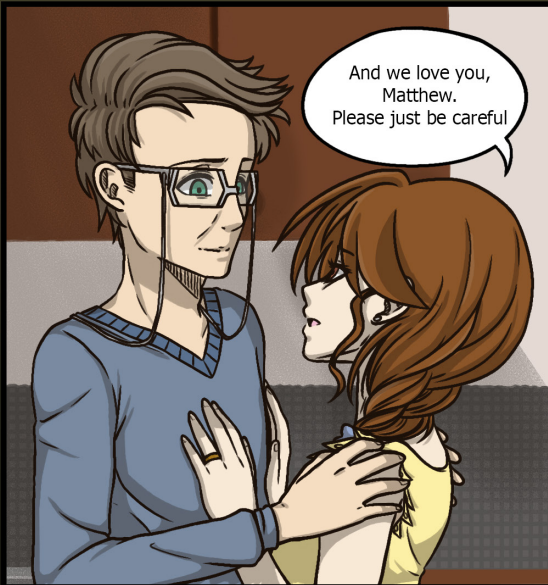

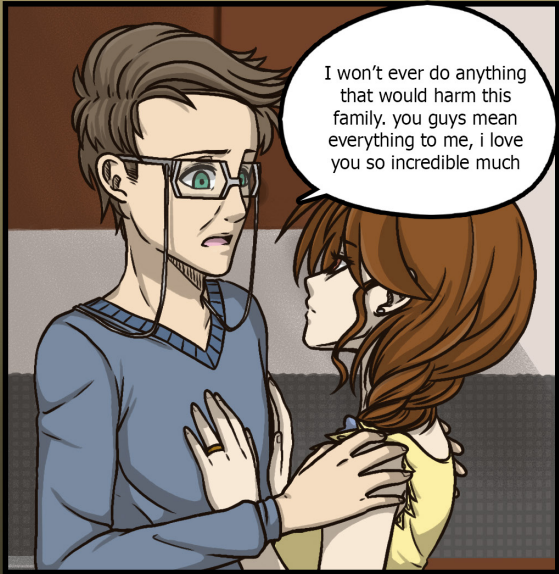

My job... If only
the company
didn't have to
shut down..

Everything would still be
okay! Everything wouldn't
have gone wrong.. If only I
had said no.. If only I was
strong enough.
I wouldn't have had to turn
into a criminal..

JULY 2ND 1996

LEAVE
ME
ALONE!

ARGH!
OUCHH!
NO!

WE WARNED YOU
MATTHEW! YOU
JUST CAN'T
STOP WORKING.
YOU KNOW THE
BOSS WOULDN'T
LIKE THAT!

THINK ABOUT YOUR
FAMILY! WHAT WILL
THEY DO, IF YOU'RE
NOT GETTING MONEY
FROM US?!

TCH!

We better stop now. If he can't work tomorrow, the boss will be pissed

Yea, he's pretty useful. Though, he's gotta learn his place!
You hear that Matthew?!

Listen here Matthew, I'm gonna tell you what's up, so listen very carefully!

You can't back out now. You try to run away? we'll come and get you. You leave the country? We'll come and get you. You die? I'll **personally** come to hell and pick you up! The only damn place, where you can have a moment of peace, is right here in good ol' Leyton.

So Matthew, keep that equipment coming!

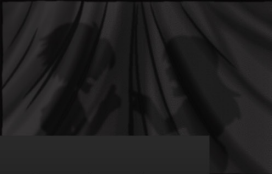

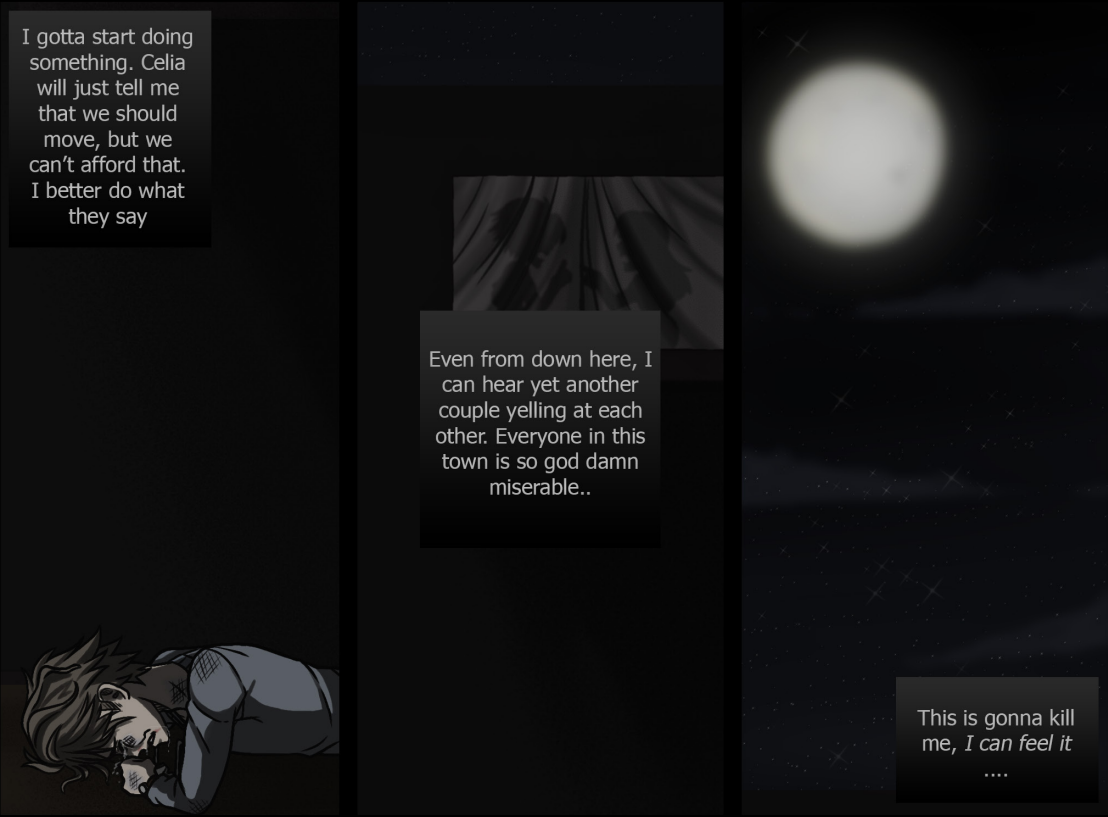

Alright guys,
enough with this.
The boss is
gonna be mad if
we're late for the
meeting

Fuck thats right.
Remember last time
someone was late?
Who was it? Tim?
Haven't seen him
since..

I gotta start doing
something. Celia
will just tell me
that we should
move, but we
can't afford that.
I better do what
they say

Even from down here, I
can hear yet another
couple yelling at each
other. Everyone in this
town is so god damn
miserable..

This is gonna kill
me, *I can feel it*
....

I've made so many things for them

I put my family aside, in order to help them

MARCH 17TH 1997

I could have tried to find another job, but the Boss just.. It seemed like he was helping me..

MAY 11TH 1997

If only I knew how much misery he would cause me

I still think about the day I met him...

MAY 17TH 1996

Out of business!

Well hello,
good sir.
If I may be so rude
to ask you, what in
good heaven can be
so bad, that it
destroys a young
man's good
mood?

With all due
respect sir,
I'm not
really in the
mood for a cha-

-t

Huh?

Well well.. 'huh?'.
That's not very
polite, sir.
By the look of
you, I thought
you were a
gentleman

I-I'm sorry sir, I
was just not
expecting,
uhm,
company

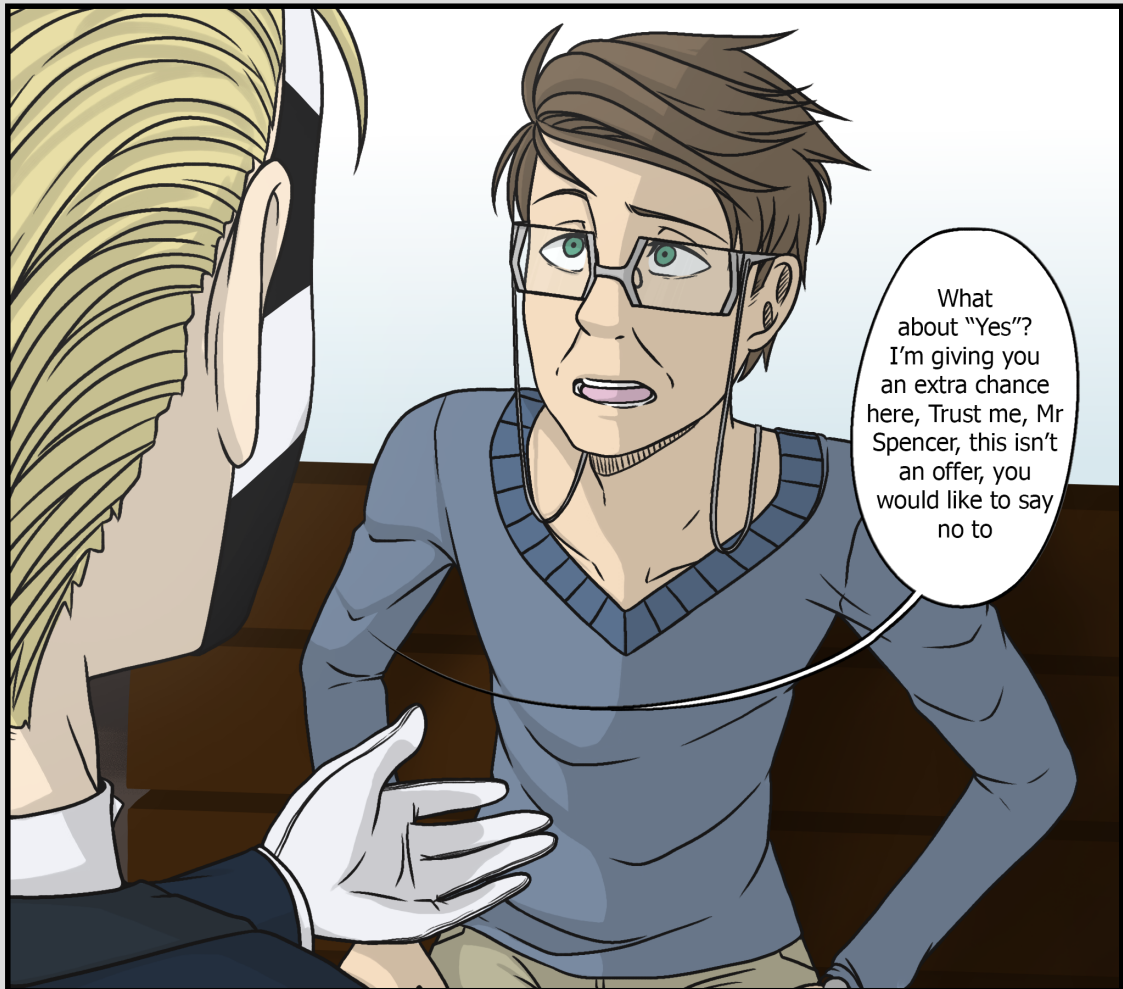

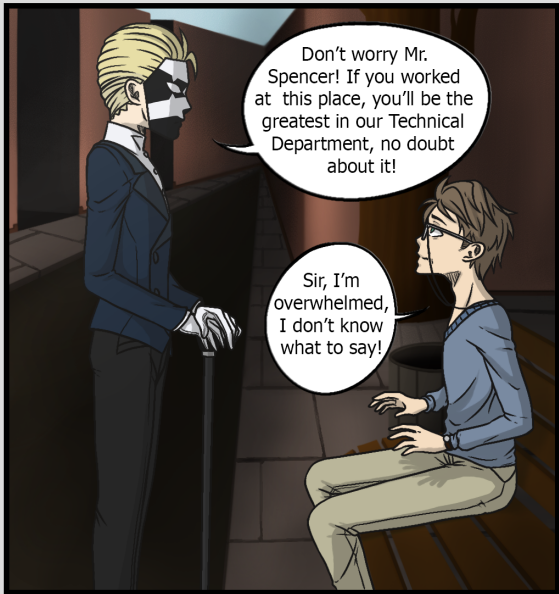

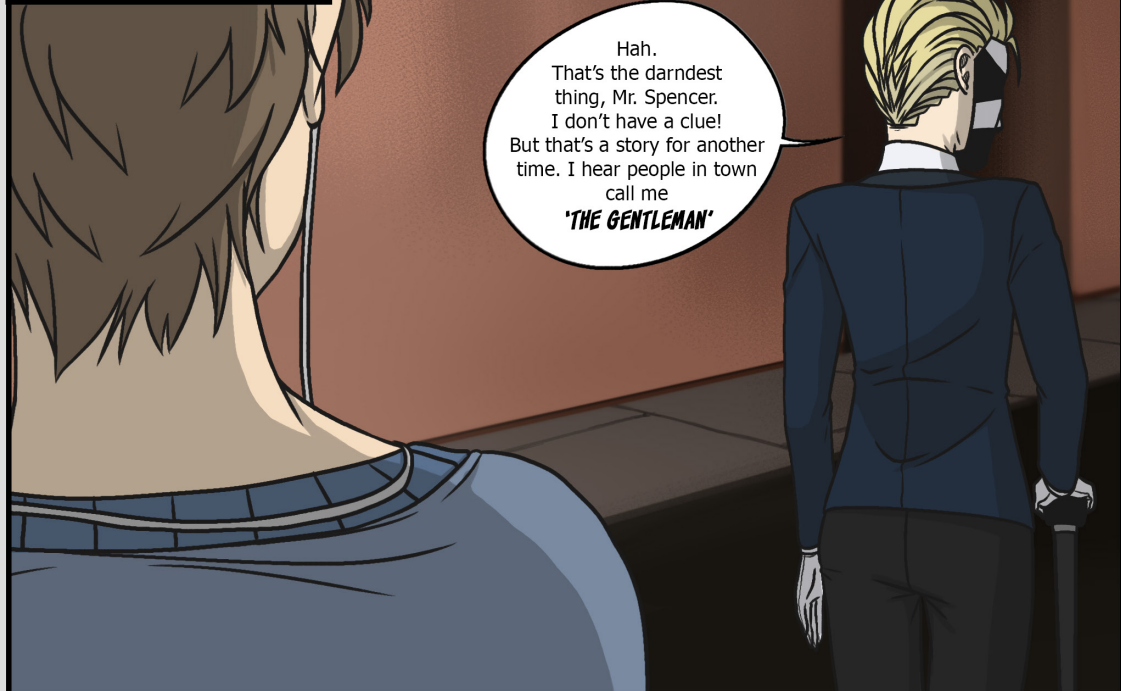

Well Mr. Spencer, that's business. I bought it, contacted some people, and had it shut down the same day. I'm terrible sorry about you and your poor family. I do indeed feel responsible, I would be a fool to say otherwise. Tell me Mr. Spencer, what was your role at the company?

I worked for the "Design&Tech" department. I designed robotics and helped making them

Splendid!
My company is actually a few people short in our 'Technical' department. Mr. Spencer, I'm about to offer you a job!

I'm such a coward
