GINETTA

# 24HR

## THE ULTIMATE SEASON FINALE 22-24 NOVEMBER 2019

Join us at the inaugural want2race Ginetta 24HR, exclusively for Ginetta G40 cars. The 24HR event is the ultimate challenge of team-work, strategy and car preparation with teams of 3-6 drivers sharing one G40 car to complete the most numbers of laps in 24 hours. The event is available to multiple classes including Ginetta Juniors, Ginetta G40 Cup and GT5 Challenge. Join the grid for the ultimate end of season challenge!

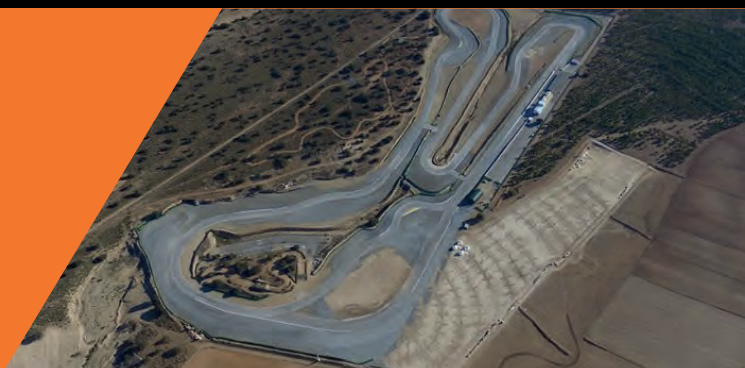

ENTRY FEE INCLUDES:  
30+ HOURS OF TRACK TIME  
GINETTA FACTORY SUPPORT  
ALL TEST AND RACE FUEL

**GINETTA**

The event will be held at the picturesque Guadix facility in Granada, Spain, perfectly timed at the end of the current race season before the long winter break. Teams and drivers from the Ginetta family and beyond can gain maximum off season test time in a competitive, fun and unique endurance racing environment. The 3KM circuit is ideally suited to the G40 and is a driver's dream with undulation, cambered corners and technical sections to challenge both novice and seasoned racers.

The package offers 30 hours of track time offering superb value shared across a team of 3-6 drivers. All race fuels are now included and with full Ginetta factory support the event will be run as a fun yet competitive end of season challenge with teams, cars and drivers being able to use up any consumables and taking the worry away from prep time ahead of the 2020 season. We will assist with any teams looking for shared transport of cars and equipment to help reduce logistics costs.
