

THAT FACE WHEN SOMEONE USES ALL OF YOUR BLOOD STOP JUICE FOR PERSONAL PURPOSES >:(((

Will Mr. Rental, Wood Man, Jeff, peeB Corporations, defeat the evil Mr. Jameson, Racist Mario, and Beep Corporations? Will Peter Parker finally see his family again? Will Murdering Mike's cut finally heal? Will Frank sue Jeff for eating his lunch? When will the Boss Baby 2 come out? (plz its my favorite movie) Why is Jactack such a bad mod and why did he end this like this like its not even a cliffhanger its like he just ran out of space or something

And why the h*ck is Sweet Bro so mean to Hella Jeff?

And also I actually know the answers to those questions cuz i dont think about my stories that far ahead (except for that one about why it ended early I just ran out of space)

Probably coming in a few months or something high school is very busy so ya

Find the answers to most of these and more in the finale... (I think or maybe ill make more idk)
