Collection d'Elegance
by TSM-MODEL

Launch of Collection d'Elegance by TSM-Model, a brand with focus on classic cars such as Mercedes Benz SSK, Alfa Romeo 8C 2900B, Rolls-Royce Phantom V.

TSM-Model is selected to be the primary supplier of second generation NSX scale models for Honda Motors worldwide.

TSM MODEL™
WING COLLECTION

Announced new TSM-Model Wing Collection, with aircraft models and accessories in 1/72 and 1/200 scale.

MINI GT

Announced TSM MINI GT, a 1:64 model car collection crafting quality models that fit in the palm of your hand.

TSM-Model appointed as licensing partner and supplier of model cars in multiple scales for Ford Motor Company as the legendary Ford GT makes a triumphant return.

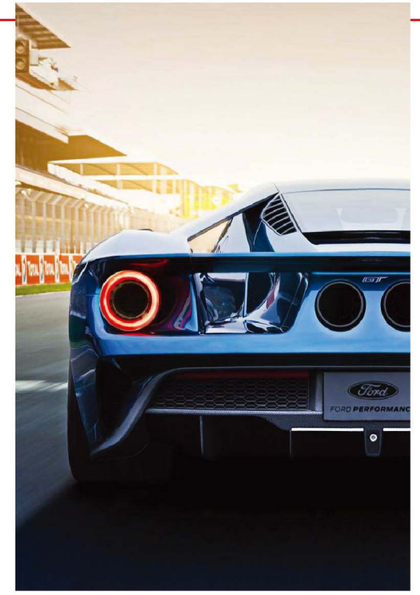

TSM-Model is always pushing new boundaries.
We started with humble beginnings in 2007 with our first models of Snap-on garage accessories, but this was only the beginning. Starting with our first 1:18 and 1:43 scale model cars, we have selectively expanded our offerings each year to offer not only key pieces of motorsports history, but to capture both classic street cars and the latest supercars you admire on the road today.
In our effort to fully explore what can be achieved we have launched several specialized collections, such as Collection d'Elegance with its focus on capturing the essence and sophistication of vintage models. Now we are taking things even smaller with the introduction of our MINI GT collection, focused entirely on accurately replicating new models in 1:64 scale as we move in an exciting new direction.
TSM-Model strive for a perfect blend of passion and detailed craftsmanship in each model we produce. We are always looking for ways to improve our craft, using a combination of the newest technology and honed technique to get all the details just right.

GENERAL MOTORS
Parade of Progress

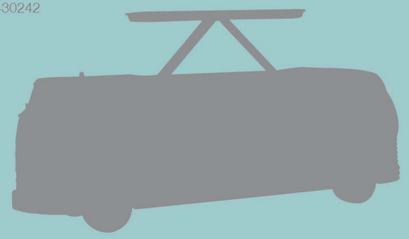

The GM Futurliner was designed by Harley Earl for General Motors for the 1939 World Fair, then used in the Parade of Progress from 1940-1941 and 1953-1956. Twelve Futurliners were built in total and showcased the latest in design and technology of the era, including stereophonic audio, microwaves, televisions, as well as jet engines. Nine Futurliners still exist today, with one Futurliner selling for $4,000,000 at an auction in 2006.

Looking for an interesting way to promote your racing team that would also make a great gift for your sponsors? Or are you a car manufacturer looking for the perfect item to help commemorate your new product launch? Consider using our services to create an accurate scale model of your car for your retail or promotional needs.

TSM-Model has a wide range of experience in working with different materials, offering you the choice between die-cast metal, resin or ABS plastic depending upon the needs of your project. With our skill in producing both large and small scale models, we also have the ability to create your model in a variety of scales, from as large as 1:8 to as small as 1:64.

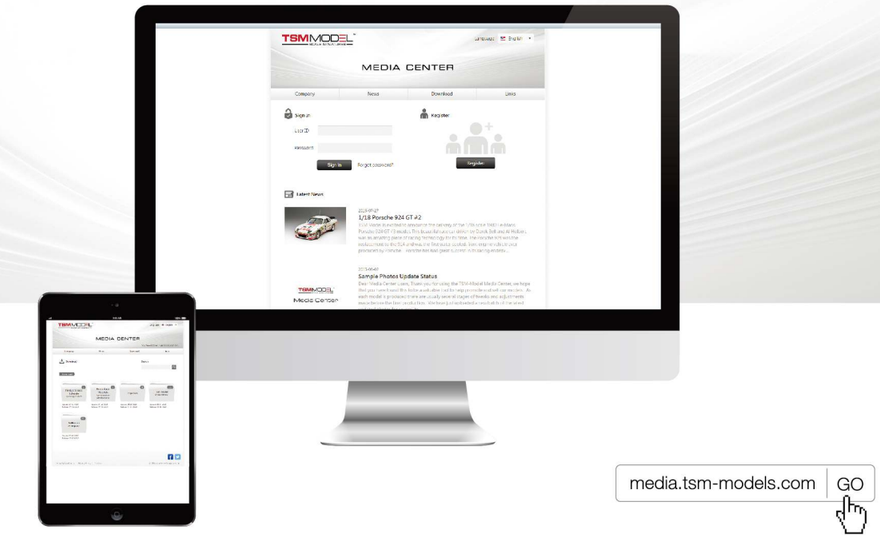

We have provided manufacturing services to the automotive and motorsports markets for several years and take pride in our ability to manage a wide variety of different projects. Whether it's creating models of the newest concept cars for large auto manufacturers, or replicating the livery on a winning car for a racing team, our knowledgeable staff can guide you through every step of the process from concept to completion. Regardless of the size and scope of your project, our team will work with you to create a model that will perfectly suit your needs.

Please contact us at info@tsm-model.com to receive additional information.

MEDIA CENTER

media.tsm-models.com | GO

To ensure that our dealer, distributors and media friends have access to the highest quality photos of TSM-Model products we have decided to create the Media Center website to provide this information. TSM-Model Media Center is a restricted database designed to provide registered users access to official logos, photos, literature, and advertisement resources for TSM-model and Collection d'Elegance by TSM. To register as an approved user you will be required to provide certain basic contact information to verify your identity.

To create your account on the TSM-Model Media Center, go to http://media.tsm-models.com , simply click on the registration tab on the home page and provide the required contact information. Usually it takes 48 hours to verify and approve your account, you will then be notified by e-mail when you are able to access your account.
Once your account is active you will also receive updates via e-mail when photos or information are added to the Media Center. The Media Center provides this content to assist in both selling TSM-Model products and promoting the TSM-Model brand through online reviews, written articles and other promotional uses. TSM-Model reserves the copyright of all photos and materials provided on this website.

The TSM-Model Media Center will continue to improve this resource by uploading more data in the future.
Thank you for your continued support of TSM-Model.
