CLASSIC HOMES REALTY CELEBRATES 10 YEARS SERVING DANVILLE

Vermilion County's premiere real estate company set to expand its presence within the community as part of its "Cheers to 10 Years" celebration!

DANVILLE, March 23, 2022–

Choosing a home, or preparing to say goodbye to one you and your family have cherished for years, are intensely personal experiences. That's why there's nothing quite like listing with a local agent– someone who knows your community inside and out, and knows how important it is to find your perfect fit within it.

This is what makes Danville's own **Classic Homes Realty** so special. Host to 16 highly experienced and attentive agents, many of whom are multi-million dollar producers in Vermilion County, Classic Homes is in the business of creating community. **We make it our mission to find exactly where you belong.**

We are a locally owned agency dedicated to the details of what makes each and every home in your neighborhood special. Whether it's unlocking the potential of the home you're preparing to sell, or visualizing your future in a new place, **Classic Homes brings a personal touch that outside franchised companies can't.** Finding your perfect home can be overwhelming, but our agents' expertise can cut through the noise of endless options and put a successful closing squarely in view.

This year marks Classic Homes Realty's 10th year serving Danville and beyond! To celebrate our commitment to our community, we'll be giving back with **giveaways**, outreach at local events like **AMBCUS Friday Nights** and the Danville **Summer Sounds Series**, and our continued **FREE Market Analysis** for prospective sellers.

We are proud to play our part in this vibrant and remarkable community for a decade and counting! If you've been waiting for the right moment to make a big move, there's never been a better time to give us a call and let one of our realtors be your guide. We hold the key!
