

# Crackdown is now free and Playable On Xbox One

Crackdown was a hit on Xbox 360, and Xbox 360 players can now play 2007 for a bargain cost. MINECRAFT SERVERS LIST The game's digital price has been eliminated without explanation or announcing. However, it's possible that this is tied to the XO18 Mexico event this weekend, where Phil Spencer, Xbox chief, will be present. It will also include an hour-long Inside Xbox stream on Saturday at 4 pm ET, with information concerning Crackdown 3, Minecraft, Sea of Thieves, State of Decay 2 and Forza Horizon 4. It will also include more than a dozen Game Pass announcements and "a surprise or two surprises.."

It's been a while since we've heard from Crackdown 3 and giving folks a taste of the original may boost excitement for a new entry in the series that's now scheduled to debut in 2019. It's a good idea despite some delays and poor showings. Agents, Crackdown has been available in backwards-compatible mode for Xbox One -- and upgraded on the more powerful Xbox One X -- since February. So, just hit the link to give it an download.

#X018 will be released on the InsideXbox platform at 3:00pm CT on November 10th.
