Resident Activities

In response to CDC guidance regarding COVID-19, our community will not be sponsoring resident activities until further notice. To help limit the spread of this disease, please remember to wash your hands with soap and water often, and avoid touching your eyes, nose, and mouth. A great source for further information is cdc.gov (Centers for Disease Control and Protection). We appreciate your cooperation and consideration as we face this highly unusual situation together.

CJH

CJH Lawn care will be cutting the grounds at Primm Place Apartments every Monday of the month, weather permitting. We ask that you move your vehicles or any personal items from the lawn or walk-ways that you do not want impacted by the cutting. Please note Primm Place Apartments nor CJH Lawn Care will not be responsible for any damages, please prepare in advance.

Pest Control

Effective immediately, pest control services will be provided BY ADVANCE REQUEST ONLY, on regularly scheduled dates. Please note that services are provided at your own risk, as the technician will likely be in several apartments each day. If you want the normal pest control service to be completed as scheduled, please call the office at least 24 hours in advance. We will resume normal service as soon as the COVID-19 pandemic allows.
