Good day,

my name is Peter Gottwald, the King of the Imperium of Diamonds' Federal government,
the government who is today under terrorist occupation and blockade from European policy.

the Imperium of Diamonds', legal territories in North-East Africa Bir Tawil, federal subject
the Diamond Oasis. Legally own territories, declared 1908, legally own registers of population
claims, as minimally 2.108.000.000 and confirmed it according International Rights UNGA, own
intelligence of jurisdiction and too economical development or register legal values, today with
political communication and legal activities. the Imperium of Diamonds' Federal Government
with legal validity declared be the power of the 2/3 Global Governmental Democracy be
the Conventions of UNGA, and all priorities of the UN Charter.

Today government ID's under medial blockade from European terrorist policy
and therefore European policy damage of financial value against minimally 55.000.000
businessmans around the world, occupation of 2.100.000.000 disinfirmed people, genocide against
of 320.000.000 people, damage rights and jurisdiction of 195 governments all around the world,
damage legal rights and development of financially 500 state movements around the world
and threat against safety of life's more than 7.000.000.000 people, abstract power of
potential value national increasing 5.000.000.000 people.

the European policy is responsible for their act's and Global terrorism, corruption
in governments, terrorist cooperation in state services, terrorist cooperation in nation/nation, every
day damage of European states rights to Democracy and their knowledge about Global
terrorist act's be the name of their policy and governments.

C2, SK, RD, HU, BU, B, AT, D, FR, ES, LV, NL, PT, Turkey, Switzerland, Italy, as legally
recognized terrorist subjects, directed only for liquidation.

Today, if European Nations lose their rights for their Democracy determination
about defeating terrorism in government, then and nobody is valid that every citizen
is terrorist identity, all terrorist must be liquid be the Global Military Towards and under
the UN Charter.

Therefore, if European terrorist policy can legally censure media for their
prosperity, then all people and European civilizations can be destroyed.

I very thank you to your understanding. Unblock media is really very
important for the Whole World.

Thank you, the King
Peter Gottwald
