

# 25 Deliciously Creative Bakery & Cake Packaging Designs

---

## 2: Square Shaped Wide Cake Boxes

Cakes may be round, spongy and soft but they can always be placed on a hard bottom plate that can, in turn, be placed inside a square-shaped wide and large cake box that is only as tall as required to secure the cakes inside.

# 3: Paper Bag Cookie Carriers

Cookies are some of the most popular bakery items and a great way to carry them around is to put them in top folded paper bags that can be handled easily while being gripped from the top and be closed with a logo sticker.

## 4: Pizza Box Style Cookie or Pastry Box

Although pizza boxes are mainly used for pizzas only but similar shaped boxes without the flaps can be used with equal efficiency for cookies, pastries or muffins. These will not need the side flaps because cookies or pastries will not require keeping all the heat in.

# 5: Card Top Clear Sides Paper Bag

---

One of the great implementations of a bakery packaging bag design through amalgamation of several different techniques is by having clear sides and paper front and back with a card attached on the top side with easy carry ribbon and beautiful printed designs. This bag is perfect for small sizes cookies, cakes, muffins or pastries.

## 6: Paper Bags for Everything

Paper bags are the great way to package almost every bakery product. All your baguettes, croissants, cookies or other dry products can use paper bags in respective sizes efficiently.

# 7: Cake Slice, Shortbread or Flapjack Packaging

Small sized square, triangle or circle shaped specialized boxes for cake slices, flapjacks or shortbreads packaging work great and when you print the right images, texts and colors on them, they become some of the most attractive options available.

# 8: Minimalistic Cake Packaging

---

Cakes of all sizes including the large celebration cakes, cupcakes or beautiful small sized cakes can all use minimalistic [Wholesale Cake Boxes with deliciously creative and minimal designs](#) including some ribbons or other embellishments on top of their materials.

## 9: Clear Plastic Cake Box with a Printed Stripe in the Middle

Cakes are beautiful; why not show their full delicious presentation through a clear large sized plastic box with a printed stripe sticker running through the middle of it with whatever logo or messages you need.

## **10: A Light and Bright Morning Bakery Box**

Early morning bakery products like warm pastries, coffee cups, muffins or egg and bacon rolls can be all packaged in one large box creating a meal deal for your customers in an attractive organized way.

## 11: Bold Paper Bags with Images of Foods on Them

One of the most creative ways to attract customers enticing their appetite is to go bold along with delicious foods images on top. Black and white paper bags with images of whatever bakery product they are enclosing in them printed on their surfaces will do the job nicely.

# 12: Clear Tray Packaging for Hot Foods

Coming right out of the oven, pastries or rolls can be provided clear plastic tray packaging that has a deliciously printed paper covering sticker on their surfaces as well. The sticker will keep the box closed keeping all the heat in for a warm delicious bakery confectionary.

# 13: Deep Squares for Small Cakes

Small cakes like cupcakes or muffins have raised top shapes and can do very well with deep square boxes with attached lids closure. Minimal white or light and bright colored boxes with light colored stickers highlight brand or product will look elegant and minimalistic.

# 14: Clear Window Paper Gable Bag

This is a gable bag with a die cut carrying cutout up top and a clear die-cut window in the front middle location. All the design printing can go on the paper part with the clear window staying all clear showing off what is inside.

# 15: Full Side Minimal Printed Gable Bag

Gable bags are very easy to carry and when printed with light on dark tone text and with minimal one tone paper material, can look minimalistic and awesome at the same time.

# 16: Folding Gable Top Square Cake Box

---

Die cut folding flaps that turn into a gable handle when raised up on a minimal cake box with a clear window upfront can provide the ease and beauty combined into one package.

# 17: Hard Pillow Boxes

Pillow shaped bakery boxes with a clear window in the middle work great for all the hot or cold pastries, shortcakes, gingerbread or any other flatter smaller bakery products. Highlight brand logo or name in an authentic way and you are good to go.

# 18: Minimal Sturdy Two Piece Packaging

This one is probably suitable for almost any kinds of bakery products. The top lid firmly in place over the wide bottom tray can keep hot or cold bakery foods fresh for as long as required and you can customize it with clear windows or text and image printing when required.

## 19: Ribbons, Clear Plastic Casing and a Cardboard Top Fancy Opening Box

This one is a mouthful in its own right and when you combine all the mentioned aspects with attractive color combinations, you get something truly creative and deliciously pleasant.

## 20: Round Plain and Eco Friendly Cake Box

Cakes are usually round, why not continue the pattern with their packaging boxes as well. Tie the round two piece box having closed its lid with a fancy ribbon or a string and stick small stickers in a beautiful way for maximum creativity.

# 21: Clear Rigid Top and Solid Plastic Tray Packaging

When you want to present your bakery products in a ready to be consumed way, a large wide tray in light color plain style with rigid clear plastic top that closes firmly is a great solution for most types of foods.

## 22: A Clear High Quality Plastic Bag With a Ribbon Closure

---

For cookies, cupcakes, shortbreads or other cold served bakery products, a clear high quality plastic bag when its top is tied with a fancy ribbon not only looks charming but is most functional as well.

## 23: Paper Top Deep Cardboard Trays

Deep Square shaped trays with an attached paper that covers the top of the packaged bakery foods such as muffins, pastries or small cakes can keep them warm and make them look creative in design at the same time.

## 24: High Quality Paper Bags with Durable Carrying Ribbons

Having machine drilled holes for durable, strong and beautiful carrying strings for the top portion and high quality paper materials printed with suitable attractive and creative designs can work great for any kinds of bakery products.

## **25: Sturdy Cylinder with Firm Lock Lids**

Small cakes, hot bakery savories or other small to medium sizes foods can be served very well with a sturdy cylinder shaped box that has minimal attractive printing and firm closing lid up top.
