### ***Meet Susan***

---

I am a licensed aesthetician and owner of My Skyn Studio. I started in the beauty industry in 2016 as a Makeup Artist Freelancer that later led me to find another passion- SKIN! I realized that a beautiful makeup application was not about the makeup but about the skin. Having dealt with my own personal skin issues, I decided to enroll in an esthetics program in 2017.

"I absolutely love coming in for facials with Susan! She's beyond sweet but also extremely helpful and knowledgeable when it comes to my skin! It's honestly never looked better! So thankful to have found her and learned about the importance of a skin routine created by a professional rather than relying on drugstore products!"

- — **Jeanette**

"I absolutely loved my facial with Susan! She's very knowledgeable and was attentive to my skin's needs. The facial was exactly what my skin needed to feel refreshed again and I'm looking forward to my skin's renewal journey with her. Thank you Susan!"

"I will definitely keep coming back. It was one of the best facials I ever had. Susan was amazing, professional at all times, but still very personal. I can't wait to go back."

- — **Veronica**

"I came in for a DMK facial and received noticeable results the same day! Everyone noted that my face seemed to be glowing and I'm ready to schedule my next appointment! I have tried various reputable facial spa studios and none have sent me home with the results Susan helped me achieve!"
