WE LIVE FOR SPORT, WE LIVE FOR PASSION

1979

Les années 70 marquent l'entrée de Kappa® dans le monde du football. En signant en tant qu'équipementier officiel du club de la Juventus de Turin, Kappa® devient l'une des plus grandes marques de sport d'Europe. *In the 70's Kappa® started sponsoring the local Club of Turin, the Juventus, and in the 1980's Kappa® became one of Europe's leading sports brand.*

1989

Dans les années 80, de nombreux clubs internationaux comme l'AC Milan, la Roma et l'Ajax d'Amsterdam portaient du Kappa®. Ils ont été rejoints dans les années 90 par des clubs tels que Barcelone. *International clubs like A. C. Milan, Roma and Ajax Amsterdam all wore Kappa®, and they were joined in the 90's by clubs like Barcelona.*

1984

Aux Jeux Olympiques de Los Angeles et Séoul, de grandes stars comme Carl Lewis, Florence Griffith-Joyner et Edwin Moses montaient sur le podium les uns après les autres habillés de Kappa®. Ils reviennent alors avec un total de 50 médailles dont 26 en or, 15 en argent et 9 en bronze. *During the Olympics of Los Angeles and Seoul, mega stars like Carl Lewis, Florence Griffith-Joyner and Edwin Moses, all climbed (one podium after another) podiums, wearing threads from Kappa®. They brought home a grand total of 50 medals: 26 gold, 15 silver and 9 bronze.*

2000

Kappa® se met au rugby avec la fédération italienne de rugby. *Kappa® starts rugby with the Italian rugby federation.*

2018

Kappa® marque sa différence par son caractère non conformiste. Flexible, compétente et affichant haut et fort ses couleurs italiennes, elle est devenue une marque mondiale disponible dans plus de 120 pays. Puisant son inspiration au cœur de l'ADN foot de la marque, Kappa® signe aujourd'hui une collection sport inédite : créativité, matières techniques, design soigné, chaque pièce fait la part belle au confort avec une élégance toute italienne. *Kappa® is unique because it possesses characteristics such as being nonconformist, flexible, competent, colored and Italian. Kappa® is truly a global brand that is available in over 120 countries. Inspired by the brand's football DNA, Kappa® created a new sport collection: creative, innovative, with modern designs... Each piece focuses on comfort but never forgets its Italian elegance.*

SUBLIMATION MADE IN FRANCE

The fabric is a digital sublimation printing technique of printing images on a majority polyester fabric support with inks designed specifically for this purpose. The majority of our items are designed, printed, sublimated and made all over France.

DESIGN AND COLOURS

The material, finishing, positioning of logos cannot be changed. Colour of the stitching is the same as main colour. The colour range proposed is for indication. The production colour can be slightly different. If you have a specific colour you must use, please provide us with a pantone and sample of the material to match the colour.

LOGOS

For a high quality printing, logos and visuals must be provided in high resolution, ideally in Illustrator in vector format.
