Federal territory de jure

Internal state control and jurisdiction development, global centralization of all our people, state administration and civilizational development, central position of the federal government.

Controlled territories de facto

Activities in accordance of legal treaties and bilateral agreements for the territorial relation.

Foreign state territories

Development of People business associations, development of business sites, development connections between the banks, cultural centers and galleries, global partner business sites & new trade positions, diplomatical development of the coalitions of parliamentary political parties, bilateral state consulates and embassies, research of civilizational intelligence, governmental agreements on bilateral and multilateral affairs. Media cooperation.

Provisory office point of ministry, UN Law on state in development level.

Occupied territories

Geneva conventions, active bilateral and multilateral conventions and treaties on the question of the occupied party relation into the territory.

The Federation is one unitary responsible subject. The federation don't can allow to navigate people in their steps for crime, or counter terrorism.

The Federation don't cooperate with criminal subject's of state type, bud allow anti-fraud development and legalization of movement which open all right for federalization.

The Federation is governmental entity with own legal territories de jure, and all claims of governmental position, and state recognition.

The Federation have all right on own International development. No body, no state, no government at any where from around the world, and no observation on the level of policy, no one can have right to attempt stand on the oposition and all steps for blockade of Federation is stemp of crime and attempt to create the war.

All subjects with have a attempt to stand for a war, must be prosecute, overthrow, liquid and exterminate, blockade in all oportunities to developed again.

We are Thank You, for Your human being in Your own, and Your responsible intelligence for International Law which give us all rights for our diplomatical cooperation and development, International partnership and cooperation between our nations.

Therefore our world can stand in the peace together. International Law developed from 1945, in the End of the second World War.

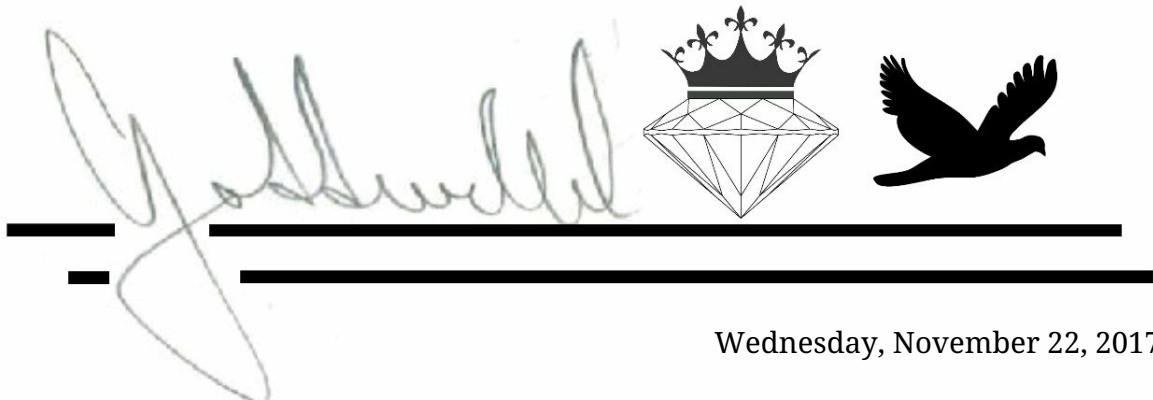

We don't acted any crime, no body can attempt to block us.

**The King Gottwald Peter, Central Head of Federation,
always peacefull development and responsible action,
intelligence in respectability for International law, UN
Charter and Right's of all states.**
