re Currently co-conservator of the estate of Britney Jean Spears.

Dear Mr. Wallet,

I have been a VICTIM OF U.S. Sponsored Mind Control for the past 30 years and have been litigating in federal courts regarding claims arising from that as well as my WHISTLEBLOWER Case since 2005. I am the AMICUS for the former Pennsylvania Attorney General, Ms. Kathleen Kane, have taken my AMICUS case for the LISA MICHELLE LAMBERT case to the U.S. Supreme Court, and have been before every court possible since 2005 as a Pro Se Litigant.

I now am learning to help others in my situation and have been on the other end of the CONSERVATORSHIP tactic, although they have never legally attempted in courts, just veiled threats. My oldest brother, Sammy was under a CONSERVATORSHIP in Santa Barbara, California in the 1980's, was a victim of the MKULTRA LSD experiments, and was ultimately murdered on Christmas Day of 1984, while under the CONSERVATORSHIP in Santa Barbara.

Recently I have been in contact with the Legal Counsel for the Ft. Lauderdale Shooter and have always been following the career of Britney, both as a fan and as one interested as finding similar attributes to my own targeting. In 1987 I was named the Executive Producer for a film in a partnership with Tony Bongiovi, former owner and founder of Power Station Studios. I was also refinancing the Ted Gamillion Film Studio in Hollywood for Ted and his wife. I know my way around the entertainment business.

I have some 8 Gigabytes of experience, research, law, and evidence to support my claims and would be honored to help Britney free herself from enslavement. Please Call.
