

DRIVERS

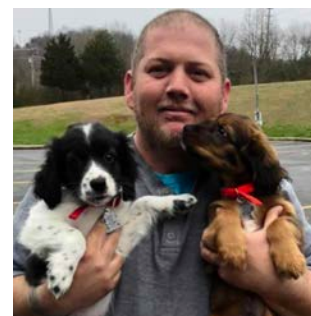

BETTY & JOHN - MANAGERS

After driving for the transport for more than 12 years, Betty finally gave in to our begging and agreed to become our manager. Backstopped by her husband, John, they manage the day to day work of Rescue Riders in addition to running Baker Bridge Rescue. They know a thing or two so they are the go-to people when you have a question.

RICKEY

Rickey is a rock-star who has been driving with us for more than 2 years. He's a favorite of the rescues when they have big dogs as he has three of his own.

The real stars are his wife and three daughters who let him spend his limited weekends off to drive for us.

JOE & SHERRY

Joe and Sherry are a great asset to Rescue Riders. Sherry used to be a vet tech so they bring a real love for the animals as well as a strong wish to see them get to their forever homes.

SHAUN

Shaun loves what we do so much that for the past 3 years he has taken his vacation time from the day job to drive and make a difference for the animals. Our rescues love him too because he gets such great feedback from the adopters!

GERRI & MIKE

Since the very first run of the transport, this husband and wife team have driven more runs than any other drivers. They are superstars and we are so lucky to have them.

RALPH AND NANCY

Ralph and Nancy are the newest of our husband and wife teams. Besides raising their two sons, Nancy pet sits for dogs and cats both. Ralph used to drive for a big moving company and when they heard about the transport, they decided to trade heavy loads for loads of love.

NUTTER - CHAIRMAN OF THE BOARD

Hello. My name is Nutter but my friends call me Boo. I am the Honorary Chairman of the Board of Rescue Riders llc. You see, my mom is the owner but she sometimes needs input from me and my brothers for the important decisions so she and John and Betty added me to the Board. I take the transport very seriously as all seven of us (4 dogs - 3 cats) are rescues too and we just want to make sure that our friends get the best, safest and most loving ride on the way to their new homes. Thank you for considering us.

KATHRYN - OWNER OF RESCUE RIDES

Kathryn has been an animal mom and a rescue supporter for decades. Involved with shelters in both the US and Europe, she moved to Tennessee and saw an opportunity to do more. She bought an existing transport - Pooches on the Move - and has continued its 10-year record of caring, experienced transport. "It is absolutely the best job EVER!"
