Citizens of Australia,

The time has come to stand up for safe sex. Make sure your vote counts next federal election and protect yourself from any shonky ballot boxes with BUDGIE SMUGGLER CONDOMS.

After realising the gravity of Australia's sexual health problem, three concerned youths embarked on a journey to ensure that every ceremonial mace is protected when entering the lower house. By thrusting our Supreme Leader to the tip of the safe sex movement they hope to bring awareness to the cause.

PJ Jordan, a spokesperson from BUDGIE SMUGGLER CONDOMS, said of the launch:

"If elected for your Primed Minister, we vow to protect you during periods of inflation. Our product will help you stop boatloads of semen to help bring your love life back into surplus."

Each box contains 6 premium prophylactics that let you wrap it with an Abbott. 999 boxes of these limited edition condoms are available now.

Melt your lover faster than a polar ice cap, and equip yourself with a box of BUDGIE SMUGGLER CONDOMS today!

BUDGIE SMUGGLER CONDOMS cost \$24.99 for a box of 6 and can be purchased from its website, www.budgiesmugglercondoms.com
