Shopified App Review – Special Features of Shopified App?
ADD PRODUCTS TO SHOPIFY WITH "1 CLICK"!
A User-Friendly Chrome Extension That's Quick and Simple to Use

This is good because you can easily pull products from Ailexpress or Alibaba and quickly stick them on your store with a click of a button..

FIND EPACKET PRODUCTS WITH NO EFFORT

This is powerful because when you are scrolling through AliExpress or Alibaba you will see the ePacket Identifier as you scroll over each product.

This will save you a loads of time as you are looking for products to fill on your store.
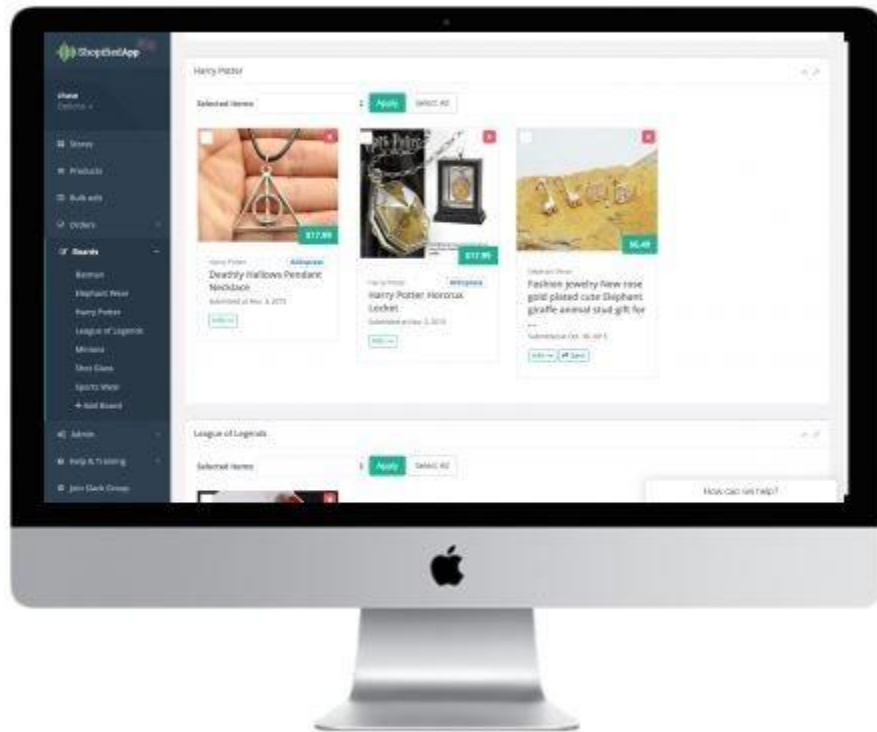

PRODUCT BOARDS

Super Charge your product research!

Think of Product Boards like boards in Pinterest.

Organize your research for different niches.

You can easily add hundreds of products to Shopified App and with a few clicks, organize them all into boards of your chosen niches.

AUTO PRICE MULTIPLER

Price your products automatically!

Want to have a consistent profit margin?

You can choose a 500% markup and Shopified App will automatically populate the price for you.

You can even choose to end all of your prices in .97 or .93.

IMAGE EXTRACTOR
No more downloading dozens of images!

The Image Extractor add-on will now do it for you. They'll scan the page and extract every product image, variant image as well as all the images in the product description.

Now, you can just click and choose which images you'd like to use.

EASY VARIANT SETUP

Variants can now be setup with one click!

Imagine setting up a product with 10 different colors or styles.

Each of those styles has a different product image which means you have to create the variant manually in Shopify and then upload the image for each variant.

NOT ANYMORE!

The Easy Variant Setup add-on handles it all in just one click!

US PRODUCT DATABASE

Get products to your customers faster!

AliExpress.com has a filter that will show only products that ship from the US. The problem is that you can't see them all at once.

They've found a way to access a list of over 10,000 products that ship from the U.S.

Now you can get products to your customers in just a few days, instead of a few weeks.
