EXECUTIVE SUMMARY

CREATORY - EFFICIENT, FLEXIBLE, AND SAFE DECENTRALIZED APPLICATION

Creatory Network is the first cryptocurrency for creator, partner, freelancer in the world.

Creatory is a decentralized investment platform with a cryptocurrency card and a free digital currency exchange, allowing easy saving and spending of crypto assets. We are the one-stop shop for the average non-tech-savvy user, high equity investor as well as angel and venture capitalists.

Creatory also specialises in providing expert consulting services to distinguished blockchain start-ups by providing each individual client with a tailor made business plan because we recognize diversity. We want to open the vibrant cryptocurrency market to everyone - demystifying blockchain investments and allowing everyone to participate in the new economy of the 21 century.

USE INSTEAD

The integration of XCR into the Creatory Network application platform creates a complete unified sequence. Everyone can own shares, accelerate the transaction process and transparency.

A CRYPTOCURRENCY CARD

A multi-asset prepaid debit card, enabling token spending in fiat currencies around the world. These prepaid debit card payments without local exchange fees make digital currency spending a whole lot easier. Creatory Network enables cryptocurrency spending with instant liquidity

VISION

- Creatory Network is the first cryptocurrency for creator, partner, freelancer in the world. Soon to be integrated into a systematic, exchange, donated.
- Creatory's mission is to open the vibrant cryptocurrency market to everyone, encouraging blockchain adoption and democratizing ownership of cryptocurrencies. As the economic fruits of technological innovation are usually harvested by affluent investors with deep pockets and insider knowledge only, Creatory now makes it possible to own, transfer and invest into cryptocurrencies like Bitcoin, Ethereum & others by the average individual, allowing participation in the new economy.
- We personally believe in the philosophical mission established by Satoshi Nakamoto, the creator of the idea of the blockchain, creating a fund universe that is safe, easily accessible and affordable to the average person.

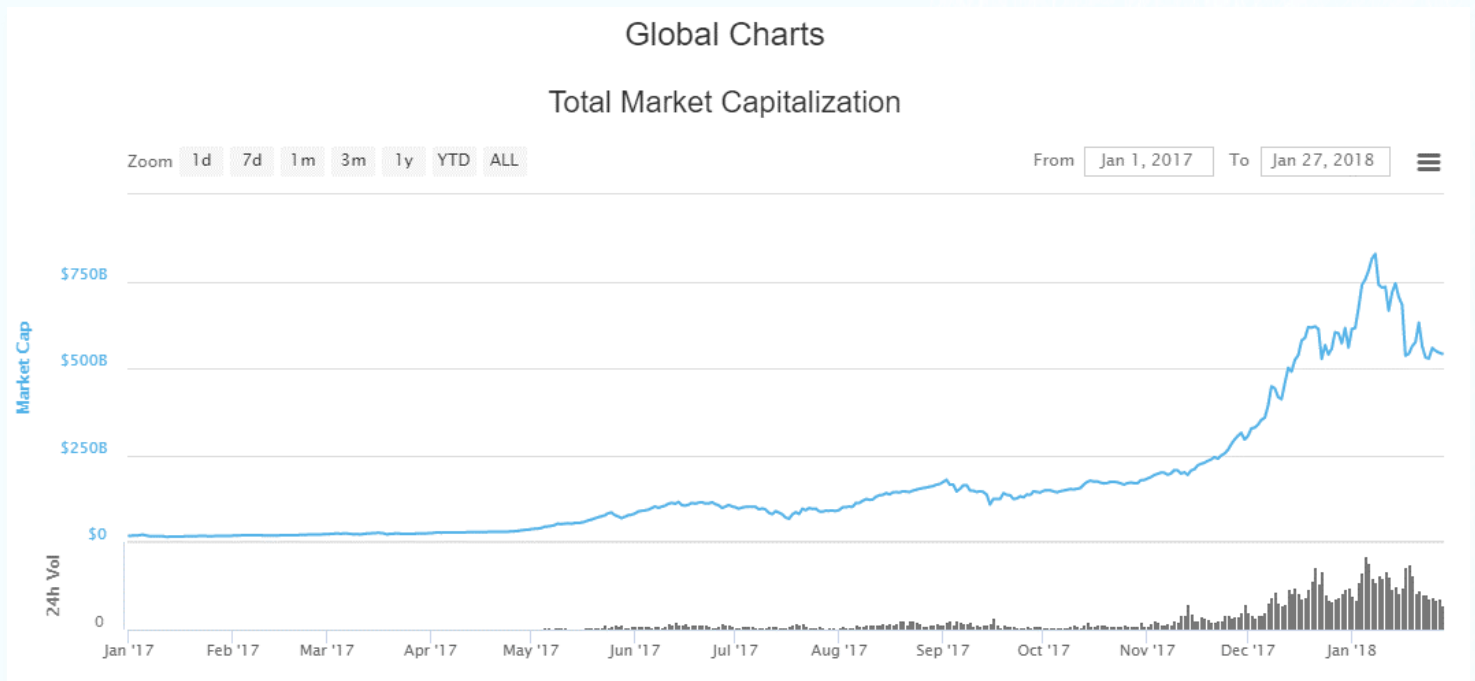

SOLUTION

- CreatoryNetwork is a decentralized blockchain. Our aim is to enable safe, reversible transactions on the blockchain. The transactions made using CreatoryNetwork can be reversed and/or put on hold, making CreatoryNetwork a musthave cryptocurrency for both merchants and buyers to ensure the safety of their funds.
- The XCR token has been crafted for easy transfers between users and businesses on the blockchain. Instant transaction, block time is 60 Seconds. One of the coins has the fastest current transaction speed.
- XCR will be distributed to users via an airdrop, IEO. At the end, the coins may be used to purchase goods on the websites accepting XCR, as they become available. Advertising campaigns will be created to spread awareness among people about the coins. Merchants will be encouraged to accept the coin on their websites.

MARKET OPPURTUNITY

Within the last year, the Cryptocurrency market grew from a mere 17.7 billion US \$ to a whopping 740.2 billion US \$.

Launches a new revolution in the world. In the future, swap transactions will be used quickly. Cryptocurrency is applied and is compatible with most online platforms. Capturing that, we created the XRC a token on the Creatory Network
