

GOD IS WITH ME CLOCK

EARLY CHILDHOOD | CRAFT

GOD'S WITH ME ALL THE TIME CLOCK

We want the children to know that God is with us all the time! To help reinforce this teaching objective, the children will create their own clocks so they can remember that God is always with them.

DIRECTIONS

PREP BEFORE SERVICE

1. Print out clock and clock hands onto white cardstock and cut out.
2. Punch hole in the ends of each clock hand to be attached at the end of craft time.

DURING THE SERVICE

1. Distribute crayons to each table.
2. Give each child one clock face and write their name on the back.
3. Invite the children to use the crayons to color the clock face.
4. Remind the children of the teaching objective.
5. When each child is done, take one brad and one set of clock hands and attach the hands to the center of the clock face, splaying the brad on the backside.
