

To live like a wolf!

Jane the wolf girl!

SIGH

However, for Jane this must be so natural.

It would have been torture to walk on two legs!

Seeing from above all the things she used to see from below...

This is enough to see the world completely different...

It's hard moving on all fours...

My elbows, knees, and even my back hurts...

How can you wander like this over flowers and fields?

Humans who force you to dress, to walk on two legs, to sit on a chair and to speak in their language...

And then the human society...

For a wolf it's a small world full of cruelty and suffering...

Jane!

I want to go home!

I want to go home!

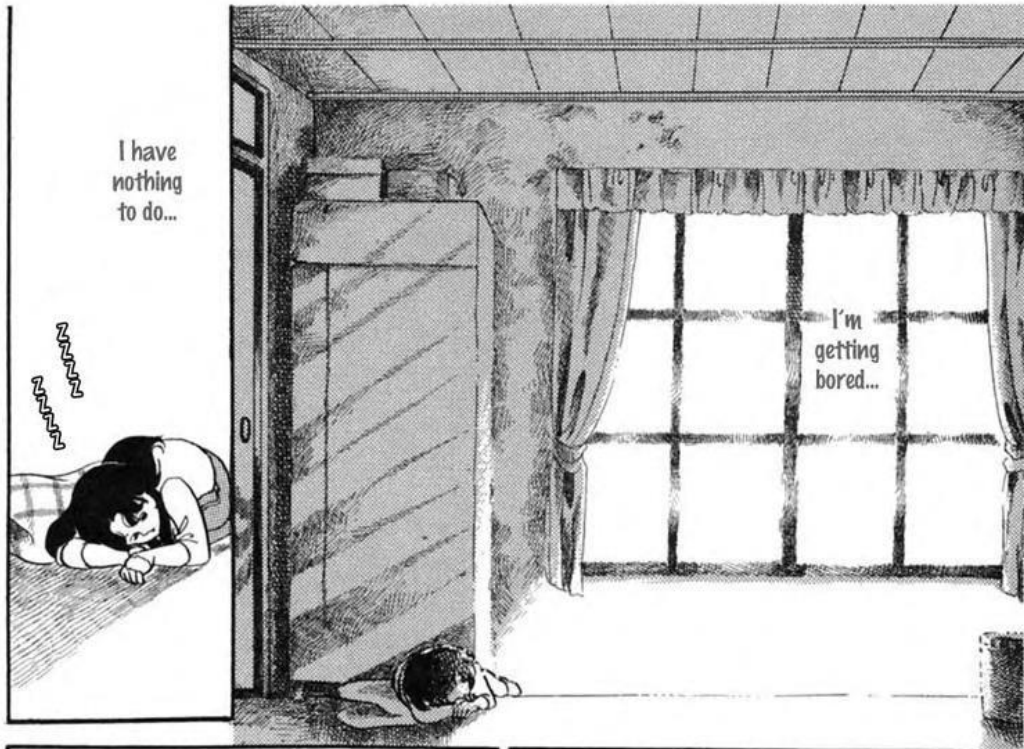

Where is my native wilderness?

Where are the rocks on which I played?

Where are my father and my mother?

My brother wolves with which I had so much fun, where have they gone to?

Why do the humans torture me like this?

I have nothing to do...

I'm getting bored...

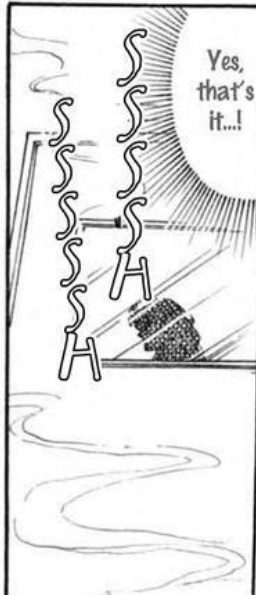

Someone is frying something...?

SNIFF
SNIFF

What a nice smell...

BUNK

Yes, that's it...!

From Yamamoto-san's room?

It's coming from the first floor.

SNIFF
SNIFF

The scent
of the
entrance...

The scent
of food...

The
scent
of the
corridor...

The
smell!

They're
all
different.

SNIFF

The
reflexes!

SWOOSH

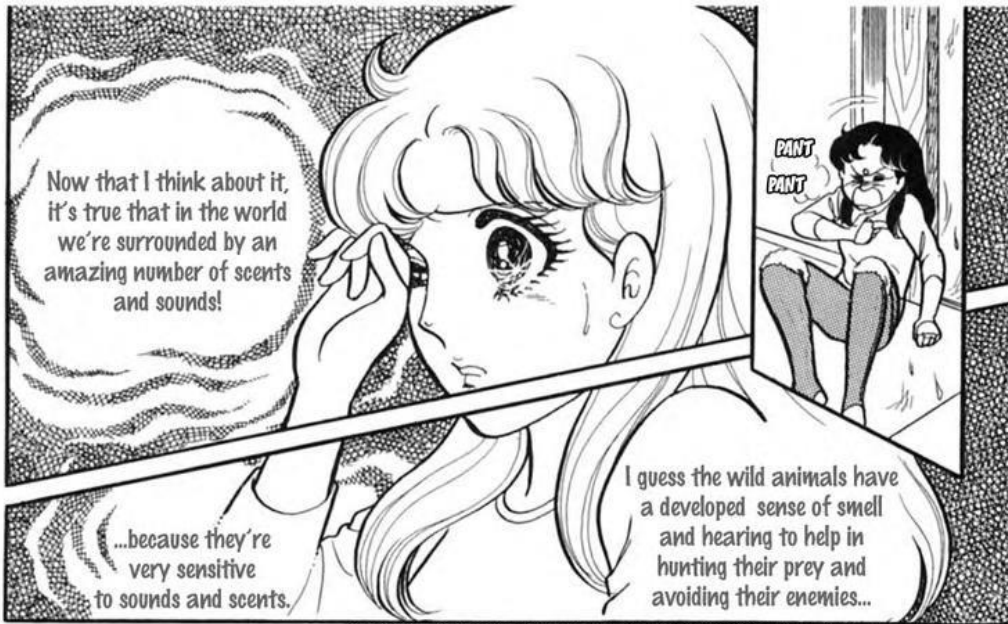

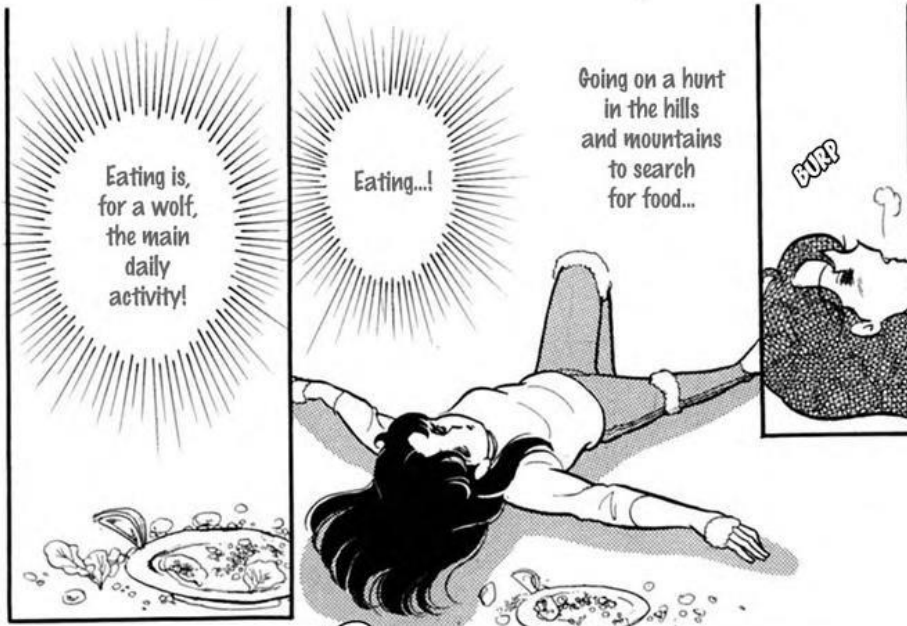

CLACK

The
hearing!

N Wuu

AH!

INCREDIBLE!

YES. IT SEEMS THAT SHE'S DECLINED ALL OFFERS FOR THIS PLAY.

WHAT A WASTE.

AMPH

A WOLF GIRL?

AH! AYUMI-SAN...

THAT'S A PART THAT CAN'T BE PLAYED WITHOUT HAVING TALENT!

BUT A WOLF GIRL SUITS HER WONDERFULLY!

HA HA HA HA

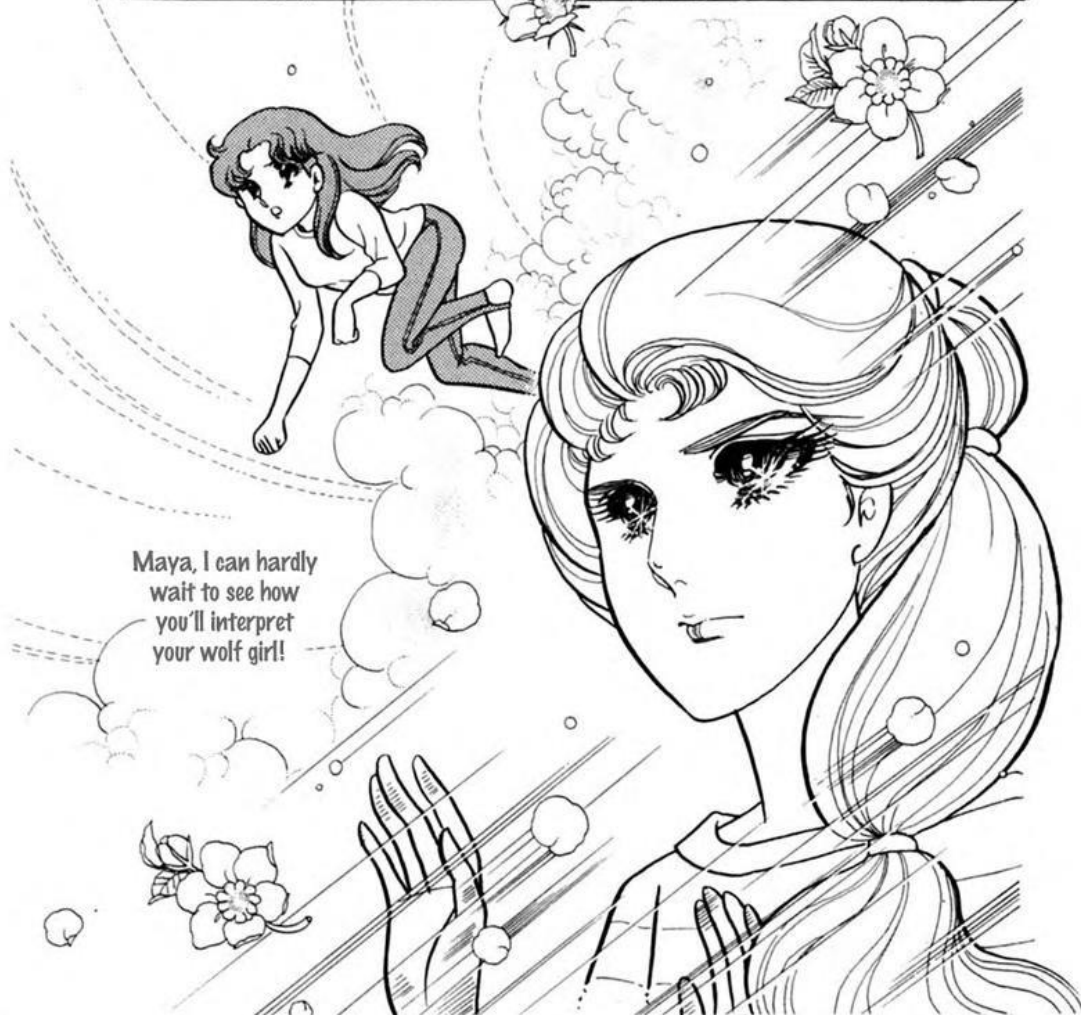

THIS AUTUMN.

WHEN WILL THE SHOW OPEN?

You can become
a wolf, even
in your heart,
isn't that so?

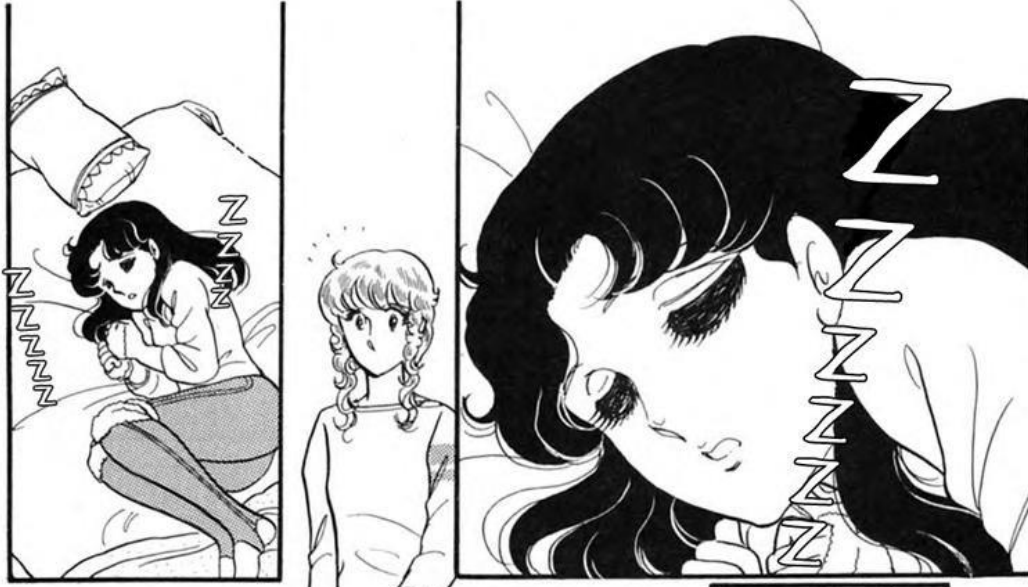

This is beyond
my comprehension!

It's impossible for you
to not hear the TV,
and yet you're ignoring
the laughter by closing
into your inner self,

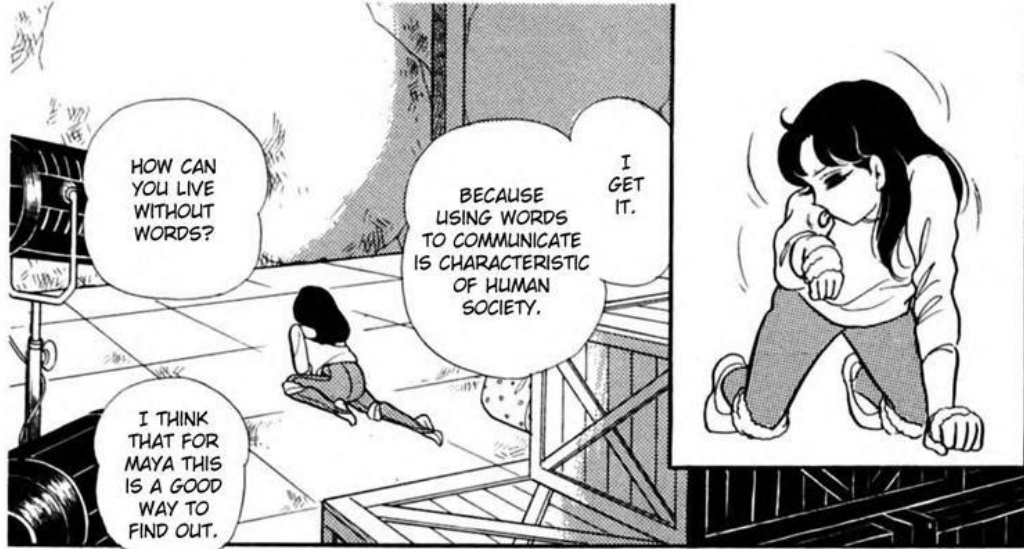

right,
Maya?

HOW CAN YOU LIVE WITHOUT WORDS?

BECAUSE USING WORDS TO COMMUNICATE IS CHARACTERISTIC OF HUMAN SOCIETY.

I GET IT.

I THINK THAT FOR MAYA THIS IS A GOOD WAY TO FIND OUT.

HEY, ALL OF YOU! IF WE WANT TO MAINTAIN OUR SUCCESS AT THE ATHENS THEATRE WE ALSO HAVE TO TRY OUR BEST!

TODAY'S WORK SHALL BE IMITATING A WOLF!

HOW ABOUT WHEN SHE'S HAPPY AND IS HAVING FUN?

WHAT PAIN WILL HER GROWLS TELL OF WHEN SHE'S SAD?

WHAT KIND OF HOWLS WILL COME OUT OF HER MOUTH WHEN SHE'S ANGRY?

TO BE ABLE TO BECOME AN ANIMAL AND TO MOVE LIKE ONE, I IMAGINE YOU HAVE TO FIGURE OUT OTHER KINDS OF WORDS.

I'LL BUY DINNER TONIGHT FOR THE ONE WHO DOES IT BEST.

Because our boss is a cheap-skate!

it'll probably only be ramen.

Dinner?

WE HAVE TO MOVE, FIGHT, AND PLAY LIKE WE'RE WOLVES.
