

# I know we are Cheesy but you will feel Grate!

*Growing up is not growing old,  
Its unbelieving all you are told.  
Unbuying lies you've been sold,  
Breaking down your social mould.  
You must stray far from the fold,  
To let your mind be uncontrolled.  
Growing up, is growing bold,  
Do it quick before you're old.*

*Sometimes you get discouraged because I am so small,  
And always leave my fingerprints on furniture and walls.  
But everyday I'm growing and I'll be grown up someday.  
And all these tiny fingerprints will surely fade away.*

*So here's my final handprint so you can recall,  
Exactly how my fingers looked, when I was very small.*

*Remember, if you don't do WILD things while you're YOUNG,  
You'll have nothing to smile about when you're old.*

*To end off always keep this in mind maturity isn't always attained with you're older,  
It is something you find with experiences that have taken you on a ride.*

*No matter where you are or where you grow up, you always go through  
The same awkward moments of being a teenager and trying to figure out who you truly  
are. Enjoy growing up and live your life to the FULLEST!*
