

Outsourced Powder Coating Machine Opportunity

Komfort are specialist in manufacturing and installers of partitioning solutions, we offer opportunities for those who require an advanced Powder Coating Service, offering the full range of RAL/BS colours

We offer this outsourcing opportunity as a way of reducing equipment purchase and maintenance costs, as well as overhead costs. Our in-house capabilities and skills provide a personal service for any size of project, with client satisfaction and quality a priority.

We are easily accessible, with great lorry access located in Darlaston just off junction 10 of the M6.

If you are interested, please contact Sarah Grew on 0121 332 2423 or email sarah.grew@komfort.co.uk.

The Powder Coating process can be used for any interior aluminium or mild steel-based products, including:

- Aluminium sections
- Alloy castings
- Sheet steel fabrications
- Metal componentry
- Overcoating ironmongery and much more.

- ✓ Quick
- ✓ Reliable
- ✓ Quality Service
- ✓ Competitively priced and with favourable rates for ongoing projects.

Think partitioning, think Komfort

Komfort divide spaces by designing and manufacturing internal glazed and solid partitions with integrated door sets.

We are quality UK manufacturers, proud of our long standing relationships built on service, flexibility and technical support. Our knowledgeable and experienced specialists deliver the architect's vision through our extensive contractor network.
