

Summary: Release of fund and 800#s is expected in the next 2 days. Back wall continues to be 9/11.

I apologize that the previous mailing was rejected by the fake news police. I thought I could bypass them if I didn't include any links in my email text, but for many of you, it was rejected, anyway. I had an important message on the main email page, and that caused you to miss the whole mailing. I will repeat the message here;

FOR THOSE WHO NO LONGER READ THESE POSTS

I strongly advise you all to at least pay some attention to the Summary portion of these posts. **It appears to me that there will be NO exchange/redemption of the Zimbabwe currency/bond after about 31 days from the release of the RV.** That is for the "Tier 5" people, or the "John Q Public" zim holders, or the unaware currency holders. Those are all terms for those currency holders who do not pay attention to the news of the RV/GCR. These people will still be able to exchange Dinars, Dong, Rials, and other currencies, but THERE WILL BE A TERMINATION of the handling of the ZIM.

For those of you who only occasionally pay attention to what is going on, if you find out about the RV being underway, there is a whole month in which you will be able to get an appointment and exchange, or redeem, your zim. **But if you miss that 31 day window, YOU WILL NO LONGER BE ABLE TO EXCHANGE.** That is the situation as far as we understand it today.

AD: I had previously offered an invitation to my readers to participate in a **world-wide trial of a new payment system.** Invitees can **sign up and get free currency**, to use to pay for things in this new system. **It doesn't cost anything** to sign up, nor to use the currency (Called Initiative Q—it has nothing to do with Q Anon). There are no obligations, either. **I now have received several more FREE slots for new invitees.** Previous invitees now can also invite people. **You can participate by clicking my invitation link:** https://initiativeq.com/invite/SPabj_5Nm

PREVIOUS PARTICIPANTS ARE REMINDED THAT THEY NOW PROBABLY ALSO HAVE NEW INVITATIONS THEY CAN USE.

NEW INVITEES: Please send a note here informing me when you sign up, so I can confirm your spot. Thank you!

AD: For you folks that do not want to continue waiting for the RV/GCR and want to start earning money now, via investing your time and/or investing money now. I invite you to join our forum on www.wire.com titled: "Project Funding NOW". We have opportunities where you can potentially earn 33-200% yearly on your investment. Do not have funds to invest? You can help us find investors. My wire joel.ggtrust or email me joel@ggtrust.com or Skype: JASEGUROLA

FIFTY8: It is Time

IT IS TIME

This is the time of great change and awakening. Sudden events will occur that will transform this reality. A new way of existence will emerge and light the way for others to follow. A path will appear to those who are ready. A new way of living in joy and bliss. If you are reading this, you are about to embark on this path.

This path is of higher consciousness, sovereignty and independence from the old ways. The veil is thinning, which exists within. The veil to your higher self. The balance of energies within you. The embrace of the feminine (new ways) and the compassion and forgiveness work of the masculine (old ways). Finding the balance and neutrality in all experiences, will create Heaven on Earth. For the Kingdom of Heaven exists inside of you.

Do not look outside of yourself for this peace, freedom or joy. Do not look to others to create it. Empower yourself to look within and surrender to the course. Surrender to the knowing that it exists within.

This journey of finding myself the past 2 years has been full of blessings in disguise. Possibly I wasn't able to see them as I was so stuck in the old ways. So attached to ways of being and thinking. Looking outside of myself for happiness, peace and security. But something has changed inside of me. Something has awakened in a profound and deeply energetic

way. The past 2 months have been a dive into deep and dark places and seeing the effect of my consciousness in this reality and the past. The suffering I've created, the pain and demise of my divinity all for what? Service to self = the separation from my higher self.

This purge we have been experiencing has a purpose and divine meaning. This veil will continue to thin as the physical reality is a mirror to the collective consciousness. Where there is control there is fear. Where there is "a plan" there is control. The divine plan exists within, not on the outside. Believe in yourself, love yourself and surrender to this energy. You are divine beings, so follow your heart and nothing else. For that is all a distraction to keep you from your higher self.

Our mission is to create a change in media. To create content that uplifts consciousness and humanity to acknowledge your divinity. You are God. Believe it, test it, know it. This is the time to believe and use your imagination to create what you desire. For your imagination is GOD. You are divine beings and it is time to lift each other up consciously. Lift humanity to God. Do not wait for your divinity, create it NOW.

This next year we will create a feature length film that will change Hollywood. Our film is called Permanence. Our goal is that anyone who watches it, will then be able to find their twin flame and find your way home. Which will then create a ripple effect and manifest this Heaven on Earth. For these past two years I have surrendered to my divinity and have "found" my Twin Flame. She has been with me this entire time.

This journey and connection is unlike anything you will ever experience. This understanding of separation of creation and responsibility to heal is how we will emerge in 5D and unconditional love. Journey with me within, find the sacred space of your heart, manifest your desires, live in bliss. For every experience of darkness is a mirror to show you where you need love. Where you need healing.

We are with you every step of the way. We want to empower others to do the same and stop looking to the physical for this new earth. It exists within. For you are Gods and your Imagination is what creates reality. NOTHING ELSE. Join us and support us to create this film so we can PERMANENTLY create unconditional love to ourselves and others globally and create Heaven on Earth. This kingdom has been inside of you all along. I love you all and know you are the ones who will create this new reality with me. This is the path, this is the goal, nothing more.

DR. MICEAL LEDWITH : VATICAN REBEL SAVING JESUS

Some of you would find this interesting. Dr. Ledwith is a former Catholic priest. His training was as a theologian, which required him to study all major religions extensively for many years. As part of his job, he became closely familiar with at least 5 popes, and he testifies of the chaos in the Vatican Library. He was defrocked for apostasy when he began understanding that there was a fundamental error in the whole basis of the Catholic church and their view of Jesus. He has written several books, the latest is called "Saving Jesus".

This an ad-hoc interview with Kerrie Cassidy of Project Camelot. There is a lot of interesting information which comes out. It is unfortunate that Kerry, as is her usual style, tries to fit Dr. Miceal's testimony into her own view of the cosmos. I think that the time viewing the interview is well spent, if you are interested in digging into the truth of religions.

Ted Nugent Shares His Opinion

Ted Nugent, rock star and avid bow hunter from Michigan, was being interviewed by a liberal journalist who also happens to be an animal rights activist. The discussion came around to deer hunting. The journalist asked, "What do you think is the last thought in the head of a deer before you shoot him? Is it, 'Are you my friend?' or is it 'Are you the one who killed my brother?'"

Nugent replied, "Deer aren't capable of that kind of thinking. All they care about is what am I going to eat next, who am I going to screw next, and can I run fast enough to get away. They are very much like the Democrats in Congress."

The interview ended

Here are the Five Rules for Men to Follow for a Happy Life that Russell J. Larsen had inscribed on his headstone in Logan, Utah. He died not knowing that he would someday win the....

"Coolest Headstone" contest..."

A COWBOY TOMBSTONE

FIVE RULES FOR MEN TO FOLLOW FOR A HAPPY LIFE

1. It's important to have a woman who helps at home, cooks from time to time, cleans up, and has a job.
2. It's important to have a woman who can make you laugh.
3. It's important to have a woman who you can trust, and doesn't lie to you.
4. It's important to have a woman who is good in bed, and likes to be with you.
5. It's very, very important that these four women do not know each other or you could end up dead like me.
