

Happy Easter

\$185,000 Slated For Improvement Of Barry And Doherty Parks

by Marianne Martin

"For the past twenty years, these parks have suffered out and out neglect," Joseph Barnes, Commissioner of the Boston's Parks and Recreation Department, told residents at a community meeting held on Thursday, March 20th at the Charlestown High School, on the proposed renovations for the Barry and Doherty Parks.

Barnes told the audience that in the past, scheduled maintenance has "gone by the boards" thus allowing the parks to deteriorate, however all that is going to change as a result of a five year Capital Improvement Plan recently introduced by Mayor Ray Flynn and a soon to be implemented Maintenance Tracking System by the Parks Department.

"The neighborhoods have been an afterthought, if they were thought of at all," stated Barnes, who added most of City Hall's past concentration has been directed towards the Downtown area. "A lot of good work is going to be done here and it is going to be maintained."

In total, \$185,000 has

been secured for the improvements to the parks, with \$60,000 going to Barry Park and the remaining \$125,000 for Doherty Park. William Pressley and Associates, Inc. and the Bryant Associates Inc. have been hired by the Department to work on the preliminary plans for the parks.

Marion Pressley, a landscape architect, addressed the present conditions of both parks and prioritized the necessary improvements which have been determined to be done within the allotted funding. While Pressley stated the suggested preliminary site improvements were not a complete list of desired improvements, they were the most crucially needed.

Barry Park, commonly referred to as "The Oily", is a two diamond ball field located at the end of Medford Street between the CharlesNewTown housing development and the Mystic-Tobin Bridge. Pressley sta-

Next Meeting On April 4th

There will be no meeting of the Parents Discussion Group at the Charlestown Branch Library this week.

The library will be open from 9:00 a.m. to noon on Good Friday, March 28th.

The next meeting will be on Friday, April 4th when a four part workshop on Stress Management will begin.

Crilley Elected 'Mayor of Charlestown'

JOSEPH CRILLEY, newly elected "Mayor of Charlestown", is shown with runner-up Fran Scadding. Both Crilley and Scadding were presented with a tour of Ireland by the Charlestown-To-Charlestown Committee, who are sponsoring a trip to the Emerald Isle in August. In this unique election, a vote for a candidate was purchased for one dollar and entitled the voter to be eligible for a drawing on a Tour of Ireland. The candidate who sold the most "votes" was elected to the honorary position of "Mayor of Charlestown".

WEEI And Boys And Girls Club To Host Forum On Teen Suicide Prevention

WEEI 590 and the Charlestown Boys and Girls Club will be sponsoring a forum on "Teen Suicide Prevention", in cooperation with the Charlestown Community Schools on Thursday, April 3, 1986, from 6:30 to 7:30 p.m. at the Charlestown High School Auditorium,

254 Medford Street.

Awarding winning Dr. Lonnie Carton, of the WEEI 590 "The Learning Center", will host this public session and WEEI Program Director, Doug Stephan, will moderate.

According to Dr. Carton, "Even the most caring parents are not protected against having their children attempt suicide.

The WEEI 590/Charlestown Boys and Girls Club Forum on Teen Suicide Prevention will provide useful information on the warning signs of teen and juvenile suicide and strategies for intervention. "It is vital that we help children understand how important they are to their parents, grandparents, family and friends," said Dr. Carton.

The format of the forum will be a half hour of presentation and a half hour of audience participation.

Selling Your Home?

THERE'S ONE WORD FOR GIBSON... PERFORMANCE

Gibson's performance for you, the home-seller, is the sum of all the services Gibson offers you:

- **Market pricing:** We'll show you how to price your home to get the best possible price in relation to recent sales and competing properties.

Board Of Appeal Hearings

Notice is hereby given that at 10:00 a.m. on Tuesday, April 1, 1986 a public hearing will be held by the Board of Appeal of the City of Boston in Room 801, City Hall, upon the appeal of Jack D. Brown and Susan R. Brown seeking with reference to the premises at 425 Main Street, Ward 2, Variance from the terms of the Boston Zoning Code (see Acts of 1956, c.665) in the following respect: Variance, Articles: 15(15-1), 17(17-1), 18(18-4), 20(20-1). Erect three-story addition at rear of dwelling.

UPCOMING BOARD OF APPEAL HEARINGS
Tuesday, April 8 — Appeal by owner of 19 Mystic Street to construct an addition to the rear third floor to enclose egress in order to connect egress staircase with apartment. The appeal was denied without prejudice in November, 1984. Variance is sought under Section 15-1 (floor area is excessive).

BRA Board Votes To Rescind Development Designation On Two Charlestown Properties

In action by the Boston Redevelopment Authority (BRA) Board on March 20th, a vote was taken to rescind the designation awarded to the First Charlestown Development Group, Inc. as developer of Parcel R-107 and Parcel R-96.

On October 2, 1980, the First Charlestown Development Group, Inc. was granted tentative designation as redeveloper of Parcel R-107, located at 253 - 261 Main Street and 3 Lawnwood Place, Charlestown, contain-

ing 4,764 square feet and a three story building.

According to the BRA, the Resolution of Tentative Designation required submission to the Authority, within ninety days, evidence of equity funds, financial commitments, final working drawings and specifications, and a proposed development and rental schedule. Despite repeated requests from Authority staff, the developer, according to the BRA, has failed to meet these condi-

tions and the building has remained vacant and is a blighting influence on the surrounding neighborhood.

The BRA Board also voted to rescind the final designation of the First Charlestown Development Group, Inc. to develop Parcel R-96, located at 136-142 High Street, Charlestown. This parcel contains approximately 4,000 square feet of land and four vacant wooden structures. The First Charlestown Development Group, Inc. received final designation on May 21, 1985 to rehabilitate the structures to provide residential condominium units for Charlestown residents.

Since its designation over ten months ago, the developer has failed to perform any of the proposed rehabilitation of the structures as it agreed, despite repeated requests from Authority staff to do so. Moreover, Mayor Raymond Flynn, BRA Director Stephen Coyle, and Authority staff have received numerous complaints from neighbors who are con-

cerned about the blighting influence and potentially hazardous threat posed by these vacant structures. The BRA staff states that such concerns are justified as over the approximately ten years that these buildings have been vacant, they have been the targets of vandalism.

In addition, the public's need for housing in Charlestown is great, and a residential use of this property is strongly favored by neighbors and abutters.

In order to insure a timely redevelopment of these two properties, it was recommended by the BRA staff and approved by the BRA Board, that the designation of the First Charlestown Development Group, Inc. be rescinded and that the BRA Director be authorized to advertise and solicit development interest in the properties.

According to BRA Project Coordinator, Jim English, the date for issuance of Requests for Proposals on these properties has not yet been set.

Kennedy Center News ABCD Surplus Food Distribution

The ABCD Surplus Food Program will distribute butter, cheese, rice and flour to eligible recipients on Thursday, April 3, from 11:00 a.m. to 3:00 p.m. at Saint Catherine's Hall, Tufts Street.

Charlestown Old Schoolgirls News

ELIGIBILITY

The eligibility date for joining the Old Charlestown Schoolgirls Association has been extended to 1940. Women who resided in Charlestown and attended school in Charlestown up through 1940 may now join the Association. This change should make some of the younger girls happy, so now they might join.

Please call Marie at 241-8866 for an application.

SCHOLARSHIP

The eligibility for the Annual Old Schoolgirls Association Scholarship has been expanded to include any female student in her sophomore, junior or senior year, currently enrolled in a four year college.

Interested students should contact Marie at 241-8866 for further information and an application.

REUNION

The annual reunion will be held on Saturday, May 17th at the Boston Teachers Union Hall in Dorchester. A new caterer is being selected for this event.

As in the past, buses will be available for transportation to and from the hall. The last bus will leave Charlestown at 6:00 p.m. sharp and the festivities will begin at 6:15 p.m.

REAL ESTATE WEEKLY

By Joseph P. Gannon III
Century 21 Silva Realty Associates

THE WALK-THROUGH

Before you go to the settlement attorney's office to finalize the purchase of your new home, you may want to arrange a "walk-through". This is your last chance to inspect the property and ensure it's in the same condition it was when you drew up the purchase agreement.

In some agreements, the sellers convey the appliances and major systems "as is", offering you no promises that they will be in working order. In other cases, all of the major mechanical systems, such as heating, plumbing and air conditioning, must be operational. It all depends on what terms are negotiated with the sellers.

At the walk-through, you can check appliances, turning each one on and letting it run its cycle. If the sellers were supposed to make any repairs, this is your chance to make sure they were completed. If something needs fixing, it's much easier to work out before or during the settlement than to do so after you've taken possession of your new home.

At Century 21, Silva Realty Associates, our professionals are waiting to serve all of your real estate needs. You may stop by our office at 142 Main Street or give us a call at 242-7470.

Each office is independently owned and operated.

COMMONWEALTH OF MASSACHUSETTS
THE TRIAL COURT
THE PROBATE AND FAMILY COURT
Suffolk Division Docket No. 86P 0739

Estate of
Hazel A. Dowling
late of
Boston
In The County of
Suffolk
NOTICE

A petition has been presented in the above-captioned matter praying that the will be proved and allowed and that Richard K. Mazow, Esquire of Charlestown in the County of Suffolk be appointed alternate Executor without sureties on his bond; the first named Executor having deceased.

If you desire to object to the allowance of said petition, you or your attorney must file a written appearance in said Court at Boston on or before 10:00 in the forenoon on May 1, 1986.

In addition you must file a written statement of objections to the petition, giving the specific grounds therefore, within thirty (30) days after the return day (or such other time as the Court, on motion with notice to the petitioner, may allow) in accordance with Probate Rule 2A.

Witness, Mary C. Fitzpatrick, Esquire, First Justice of said Court at Boston, the 19th day of March in the year of our Lord one thousand nine hundred and eighty-six.

Legal Notice

COMMONWEALTH OF MASSACHUSETTS
THE TRIAL COURT
THE PROBATE AND FAMILY COURT DEPARTMENT
Suffolk Division Docket No. 85P 1196
NOTICE OF FIDUCIARY'S ACCOUNT

To all persons interested in the estate of Mary A. O'Leary late of Boston, in said County, deceased.

You are hereby notified pursuant to Mass. R. Civ. P. Rule 72 that the first and final account of Mary T. Sullivan, Executrix of the will of said deceased has been presented to said Court for allowance.

If you desire to preserve your right to file an objection to said account, you or your attorney must file a written appearance in said Court at Boston on or before the 24th day of April, 1986, the return day of this citation. You may upon written request by registered or certified mail to the fiduciary, or to the attorney for the fiduciary, obtain without cost a copy of said account. If you desire to object to any item of said account, you must, in addition to filing a written appearance as aforesaid, file within thirty days after said return day or within such other time as the Court upon motion may order a written statement of each such item together with the grounds for each objection thereto, a copy to be served upon the fiduciary pursuant to Mass. R. Civ. P. Rule 5.

WITNESS, MARY C. FITZPATRICK, Esquire, First Justice of said Court, this 14th day of March, 1986.

Doris And Voke Tour Main Street Project

Senator Fran Doris and Representative Richard Voke recently joined Commissioner Robert Tierney and project engineers from the Massachusetts Department of Public Works to review the plans for the upcoming Main Street Reconstruction Project. Charlestown's State Legislators accompanied the DPW officials on a walking tour of Main Street, pointing out their concerns for the area and inquiring about the DPW's plans for the \$3 million project.

"We are very pleased to be in Charlestown with Senator Doris and Representative Voke to review the upcoming Main Street Reconstruction, especially because of the commitment both of these legislators have demonstrated to the community's interests and needs in this project," stated Commissioner Tierney. "This project will bring significant improvements to the Main Street area, gains that could not have been made without the leadership of the Chairman of the Senate Committee on Federal Financial Assistance (Senator Doris) and the Chairman of the House Committee on Ways and Means (Representative Voke) on Beacon Hill," he continued.

While both legislators were instrumental in the project, each was quick to point out that the support they received from local community groups and individuals had a positive effect on the work they did. "Aside from thanking Commissioner Tierney and his staff at the DPW for all the time and hard work they have demonstrated, I would like to thank the members of the Charlestown Preservation Society and the many other individuals who have continued to support our stands on this project," said Representative Voke. Echoing those same thoughts, Senator Doris stressed the importance of the community input because it "showed those in

tions, that Charlestown stood together on the needs of the community as they related to this project."

The Main Street Reconstruction Project is a joint venture of Federal, State and City agencies. The project will see the reconstruction of roadways and sidewalks, installation of utilities, including lighting, water and drainage systems, and landscaping, including portions of intersecting side streets. Its scope is Main Street, from Sullivan Square to City Square, and Warren Street, from Thompson Square to City Square. It is expected that the project will start within the next two weeks and that it will be completed by June of 1987.

While on the walking tour, in response to a question posed by Senator Doris, it was disclosed that the DPW is waiting for the Boston Water and Sewer Commission (BWSC) to decide how they want to interface with the upcoming reconstruction. Because the BWSC water and drainage systems are targeted for work, a coordinated effort by all the agencies involved in the reconstruction would provide the continuity the DPW is seeking for this project.

Answering a question from Representative Voke concerning the access to streets both during and after the construction is completed, the two legislators were informed that no streets will be closed after the construction is completed. However, access to some streets may be effected to the extent that certain sections may be closed for an hour or two while

the contractor is working at particular intersections. In general, the DPW has pledged to maintain access through Main Street throughout the process.

As a follow-up to the question on access, Representative Voke inquired about the towing policy that will be in place throughout the construction phase. According to DPW officials, construction will begin in Sullivan Square, so there will be a need to insure access at that end of Main Street by towing any cars that are parked there. However at least initially, there will be no need to tow cars at the City Square end that are legally parked. The DPW will work with the Boston Police to insure that only those cars that impair access get towed.

In addition, it is disclosed that the \$3,017,366 contract has been awarded to Baker & Company, Incorporated of Stoughton. This contract was awarded on December 30, 1985. As was previously stated, the work is expected to begin within the next two weeks, shortly after the DPW receives a response to the intentions of the BWSC.

"I'm sure that I also speak for Representative Voke and the many others that have worked hard on this project when I say that we are all excited that the preliminary work is finally completed and the construction will

soon begin," commented Senator Doris. "The community will certainly benefit from the changes which are about to occur," he concluded.

"With the importance this project has for the community, both Senator Doris and I are happy to see the process nearing completion," stated Voke. "Feeling the same

way as many of Charlestown's residents do, I look forward to walking through the newly reconstructed Main Street next summer," concluded Voke.

TOUR MAIN STREET PROJECT: State Officials met a number of local residents during a recent walking tour of the Main Street Reconstruction Project area, and stopped to answer questions about the upcoming project. Pictured at one such stop are (l. to r.) Kevin Roche, Commissioner Robert Tierney, Steve Spinetto, Representative Richard Voke, and Senator Fran Doris.

To earn more on your IRA you have to belong to a special interest group.

Rates are based on 5 yr. CD. Interest compounded monthly.

	Regular Certificate Rate	Interest Plus	Interest Super Plus
	\$1,000-\$1,999 deposit	\$2,000-\$9,999 deposit	\$10,000 or more deposit
ANNUAL RATE*	8.50%	8.75%	9.20%
EFFECTIVE ANNUAL YIELD	8.84%	9.11%	9.60%

At Newworld Bank, we think people who plan for their future deserve a little something extra.

So we've set up special groups where you can earn special interest rates.

Introducing Newworld's Interest Plus and Interest Super Plus IRA's.

In our new Interest Plus IRA, you can earn an extra quarter percent interest over our regular certificate rate. All you have to do is deposit \$2,000 or more in a 2 to 5 year certificate.

And in our new Interest Super Plus IRA, you can earn an extra half percent interest over our regular certificate rate. Just by depositing \$10,000 or more in a 2 to 5 year certificate. Or by rolling over \$10,000 from a qualified pension fund.

You could always get a high interest rate for your IRA at Newworld. Only now you can get an even higher rate. With Newworld's new special interest groups.

To find out more, call 482-2600 or 1-800-442-5200. And join the special group of people who are earning more on their IRA's.

children will get to use their imagination and have fun when playing with his most recent creation.

The play room, called "Club Six and Seven", was opened in the fall and has become a popular activity area. It has carpeted areas for using trucks, construction materials, dolls and other toys.

There are crayons and coloring materials available, and some scheduled story time.

Supervisor, Mary Foley, reports that many of the younger children spend at least some time every day in "Club Six and Seven". The most popular activities have been Lego block construction and coloring.

Old Charlestown Schoolboys Accepting New Members

The Old Charlestown Schoolboys Association is now accepting applications for membership from anyone interested in becoming a life member. The cost of lifetime membership is \$5.00.

The requirements are that a prospective member have lived in and attended school in Charlestown prior to 1937. For more information, contact James Carr, Secretary, at 14 Austin Street, Charlestown, MA 02129, telephone 242-2449. If there is no answer, leave name, address, and telephone number and the call will be returned as soon as possible.

The get together for 1986 will be held at the Knights of Columbus Hall, 75 West School Street, Charlestown, on Thursday, May 15, 1986.

Developers Receive Tentative Designation For Navy Yard Buildings

Three developers received tentative designation from the Boston Redevelopment Authority (BRA) Board for buildings in the Charlestown Navy Yard at the March 20th meeting of that Board. The buildings receiving tentative designation were Buildings 62, 96 and 108.

A Request for Proposals was issued on August 12, 1985 for four buildings in the Charlestown Navy Yard. As a result of the advertisement, the BRA received four proposals for the redevelopment of Building 62 and from the proposals, New Medico Associates/Kendall Development Corporation Development Team was tentatively designated as the developer of this building.

New Medico Associates and Kendall Development Corporation have proposed a \$4 million rehabilitation of this 42,820 gross square foot building into office space. New Medico, the largest privately held nursing home and rest care center operator in the United States, intends to occupy approximately 50% of the space in the building for use as a corporate headquarters. New Medico's re-use of the building will produce approximately 175 new jobs in the building.

tentative designation to develop this 5,430 gross square foot building.

BUILDING 96, which served as a storage facility in the old Charlestown Navy Yard, will become office space. The Conroy-Heafitz Development Team was awarded tentative designation as developer of this parcel by the B.R.A.

The General Partners of the Conroy-Heafitz Development Team are Heafitz and Company, Inc. with Lewis Heafitz, President, and the Conroy Development Company with Terence A. Conroy, President. Conroy and Heafitz represent over 40 years of experience in construction project management, development, brokerage and property management.

The development team's most recent project has been the rehabilitation of Building 266 in the Charlestown Navy

and will allow appreciation of the full interior volume. The Carlson Group has

been selected to provide architectural/engineering services and to act as general contractor. Aldrich Company, Inc. will serve as primary architect and engineers for the project, and Leslie Donovan will act as preservation consultant. The property will be fully assessed for tax purposes, generating over \$10,000 annually to the City of Boston, and the development will produce 30 new permanent jobs. Four proposals were received for the redevelopment of Building 108, a 46,667 gross square foot facility, following the advertisement on this building issued on August 12, 1985.

On March 20th, the BRA Board awarded the tentative designation for development of Building 108 to the Boston Investment Development Company (BIDC) with Robert Kargman, President, and Arthur Julian, Chairman.

The firm has had extensive experience in historic rehabilitation and restoration projects in Massachusetts and their proposal for Building 108 offers a 71,000 square foot office rehabilitation project with maximum retention of the existing building at a total development cost of \$7.9 million. This maximum commercial re-use of the building will generate in excess of 200 new permanent jobs in the Navy Yard.

BIDC has had a long standing relationship with the Patriot Bank, which will play a significant role in this project, acting as both the financial partner and anchor tenant, occupying approximately 50% of the building's square footage. The development team has also committed to a series of

landscape improvements totalling \$500,000, which will include the construction of a new Anchor Park as well as a complete restoration of Flirtation Walk from 6th to 13th Streets, adjacent to the Ropewalk. BIDC proposes to retain as much as possible of the existing Building 108 shell. Existing multiple floor levels

will be incorporated into a new bank and computer center, which will share a new central atrium in the expanded plan.

The property will be fully assessed for tax purposes, generating over \$105,000 annually to the City of Boston. Each of the three developers will pay a base rent of \$1.00 per gross square foot

BUILDING 108, the Central Power Plant for the old Charlestown Navy Yard, will become office space as well as home to a banking facility and computer center. Boston Investment Development Company received tentative designation as developer of this parcel at the March 20th BRA Board meeting.

neighborhood activities in the Charlestown community.

Building 105, the Chain Forge, was the building to be advertised for redevelopment last August. Five potential developers submitted proposals for this structure.

According to BRA Project Coordinator Jim English, the BRA received a letter from the National Park Service (NPS) dated March 3, 1986 listing fifteen new development conditions that the NPS wished to see implemented in the plans for the Chain Forge Building. These conditions were sent to the five development teams and the BRA subsequently met with these teams. The developers must respond to the BRA on the incorporation of these conditions into their plans for the building by April 2nd.

Building 105 is subject to joint review by the BRA and the NPS, as the building is under the control of the BRA and the historic chain forge equipment housed in the facility is owned by the NPS.

BUILDING 62, located in the Historic Monument Area of the Charlestown Navy Yard, was formerly utilized as the Ropewalk extension, test lab and "Hemp House." New Medico Associates has been awarded tentative designation by the BRA to rehabilitate the facility into office space.

The developer also proposes to fund a series of exterior landscape improvements, at a cost of \$544,600. The improvements include a granite paved, tree lined plaza in the area between Buildings 60, 62, and 96.

New Medico's proposed renovation minimizes alterations to the building's historic character. From the new plaza, one will enter the offices through a full height lobby designed to expose the existing structural truss and clerestory monitor. The preliminary interior design maximizes activity at the windows by internalizing circulation, thereby enlivening the building's interior.

The property will be fully assessed for tax purposes, generating over \$101,000 annually to the City of Boston.

Building 96 was the second to receive tentative designation for development by the BRA Board. This building was also advertised on August 12, 1985, which resulted in three proposals being submitted to the BRA.

The Conroy-Heafitz Development Team received the

Yard. The developers were designated on this project in April of 1985 and expect the building to be completed by May of 1986. The Building 266 project, with a total project cost of \$1.6 million, represents the most expeditious redevelopment of any of the Navy Yard buildings. The building is now virtually ready for lease and is, according to the BRA, one of the most historically sensitive restorations yet undertaken in the Navy Yard.

The developer's proposal for Building 96 calls for the construction of approximately 5,000 square feet of office space in the building and it is the developer's intention at this time, to lease the entire building to a single tenant. The total cost for this development is \$688,000 of which \$100,000 will be devoted to the construction of public improvements.

The budget for site improvements can provide significant amenities when considered in conjunction with that for Building 62, which overlaps. The proposed restoration will have minimal interior or exterior alteration

Crilley Wins As "Mayor Of Charlestown" In Charlestown-To-Charlestown Committee Election

(photos by John Dillon)

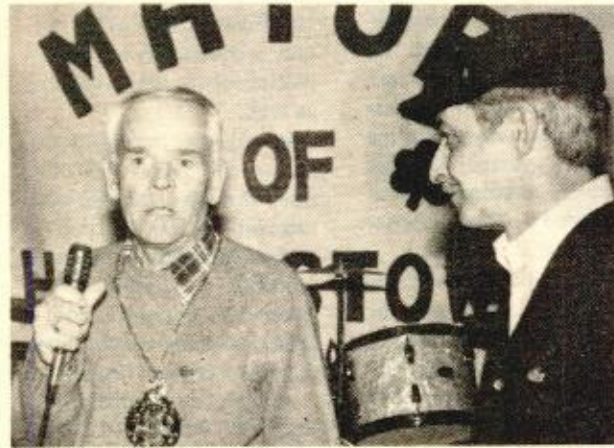

Crilley Elected 1986 "Mayor Of Charlestown"

"MAYORS OF CHARLESTOWN", past and present. Shown (l. to r.) 1984 "Mayor" Marty O'Brien, Sr.; 1983 "Mayor" Lillian Boutelier; 1986 "Mayor" Joseph Crilley; and 1985 "Mayor" James O'Brien. (photo by John Dillon)

MEMBERS of the Charlestown-To-Charlestown Committee, who sponsor this annual election for "Mayor of Charlestown", as well as the Charlestown Irish Rose Contest in May and a tour of Ireland in August, include (l. to r.) Carol McClellan, Peg Bradley, Paul Moreceau, Marty O'Brien Jr., Marilyn Brown, John McLaughlin, Peter Looney, Mary Lou Tracey, and Arthur Hurley.

"MAYOR" Joseph Crilley announced the name of Joe Freeman of Charlestown as winner of a trip to Ireland with the Charlestown-To-Charlestown Tour, as committee member Peter Looney looks on.

FAMILY MEMBERS congratulate newly elected "Mayor of Charlestown" Joseph Crilley. Shown (l. to r.) the "Mayor's" wife, Anne Crilley; "Mayor" Joe Crilley; and the "Mayor's" mother-in-law, Margaret McCormick.

CONGRATULATES NEW "MAYOR": Senator Fran Doris (left) congratulates new "Mayor of Charlestown" Joseph Crilley, following the announcement of the election results last Friday evening at the Knights of Columbus Hall. (photo by John Dillon)

Award Recipient

Dr. Harold E. Shively, President of Bunker Hill Community College, has been selected as one of seven award recipients by the Freedom House Institute on Schools and Education.

The award will be presented at the Third Annual Education Conference Awards luncheon at the Marriott Copley Plaza Hotel on Friday, April 25th.

According to Leon T. Nelson, Director of Freedom House, the awards are being presented to individuals who have significantly contributed to the state of education for minority students and educators in secondary and higher education.

ELLIE MARINO, shown with her daughter, Nancy, placed third in the "Mayoral" election. She was presented with round trip airfare to Ireland by the Committee.

LISA MCGOFF COLLINS, shown with her mother, Alice McGoff, placed fourth in the "Mayoral" election. She was presented with a weekend for two at the Irish Village in Cape Cod by the Committee.

Main Street.

A Moment In History
Presented by
The Charlestown Militia Company, 1775
JUNE 17, 1775

American officers paced back and forth behind their troops, urging them to fire slowly, aim low, and concentrate on the British officers.

Colonel William Prescott is said to have passed the word along to his waiting men,
"Don't fire until you see the whites of their eyes."
by Francis Russell

News From The Oliver Holden Academy

ELECTED TO STUDENT COUNCIL

The following students have been elected to Student Council positions at the Oliver Holden Academy/Holden School:
Grades 6-9: Christopher Perito
Grades 10-12: Mary O'Leary and Kristine Dow
Special Education: Arthur Miller and Shawn Rodriguez

HONOR ROLL

The Academy wishes to extend congratulations to the students who displayed outstanding academic performance during the second marking period of this academic year. High Honors were achieved by Kristine Dow and Honor Roll grades were earned by Shawn Rodriguez and John Alexander.

**Applications Being Taken For
Mary Colbert Apartments Residency**

The Charlestown E.D.C. is now taking applications for residency for one bedroom and wheelchair handicapped apartments in the Mary Colbert Apartments, 20 Devens Street, Charlestown (formerly the John Harvard School). Low income persons, 62 years of age or older, or persons who are wheelchair handicapped, may apply by contacting **BUNKER HILL PROPERTY MANAGEMENT COMPANY** at 242-2600. No applications will be taken for the limited number of two bedroom apartments, for which there still exists a long waiting list. Deadline for preliminary applications is March 31, 1986. It is anticipated that several years will pass before applications will be taken again (the last time was in 1978).

All the units are Section Eight rent subsidized (tenants pay 30% of their income as their rent). Priority will be given to minority and to very low income applicants.

Local Resident Finalist In College Achievement Awards Selection

Following a nationwide, six-month long search for outstanding college and university juniors, 20 students were named winners of the **Time Magazine** College Achievement Awards, it was announced by **Time** Publisher Richard B. Thomas.

Time initiated the search last fall in recognition of the achievements of the nation's most outstanding college students. The 20 winners, who will receive awards of \$3,000, were selected from 100 finalists who excel not only academically but in activities outside the classroom as well.

In addition, the eighty finalists will receive certificates of merit and honorable mention. All 100 will be given first consideration for internships with **Time, Inc., American Express, Ford, IBM, Procter & Gamble** and the Navy Officer Program.

Among the finalists was Robert W. Radtke of 12 Tremont Street, Charlestown, a student at Columbia College in New York City.

Boston Barons Hockey Club In Tilburg, Holland Tournament

BOSTON MAYOR Raymond L. Flynn recently met with members of the Boston Barons Hockey Club in City Hall, prior to the Club's trip to Tilburg, Holland, for the Chris Verwijst Hockey Tournament. The Boston Barons are the only American

hockey team to compete in the eight-team tournament. Shown front row (l. to r.) David Cunniff, Tim Day, B.J. Kane, Dan Sullivan, Doug Michaels, and Dave MacTavish, Shown back row (l. to r.) John Tibbetts, John Doherty, Brad Jenkins, Jr.,

Brad Jenkins, Sr., Jason Rathbone, Michael Moloney, David MacTavish, Sr., Sean Fitzgerald, Frank Day, Fred Collins, John Ezekiel, Mayor Flynn, Bernie Michaels, Ed Johnson, and Ron Vitale.

The Boston Barons Hockey Team left on March 22nd for hockey games in Germany followed by participation in the Chris Verwijst Hockey Tournament in Tilburg, Holland.

The Boston Barons, an AHACM and AHAUS registered team, is comprised of 15 and 16 year old boys from the Boston and Greater Boston area, with Charlestown as its home base.

In March of 1985, the Boston Barons played in the Ninth Annual Chris Verwijst Hockey Tournament in Tilburg, Holland and placed fourth out of eight teams.

Mahan On Women's Softball Team

The Curry women's softball team will be looking for its first winning season since 1982 when it takes the field against Bryant College in the season opener on Thursday, March 27th.

The 19-game schedule includes five doubleheaders and contests against such teams as Brandeis, Suffolk, and St. Joseph's. The team will have some five veterans back and a new head coach, Doug Williamson.

Williamson, who is also the College's head soccer coach, sees this as a definite building year for his team. "We're hoping for at least a .500 season," he says, "but at this early stage it's difficult to say how strong our chances are to reach that goal."

The coach said his first concern is to build a strong defensive team. "Right now, we have inexperienced pitching but the hitting looks stronger than a year ago. A tighter defense will enable us to cut down on the number of unearned runs we allow."

The team accepted an invitation to play in this year's tournament, to be held March 28th through March 31st.

The participating teams will be: Tilburg, Holland — Host Team; Switzerland — National Team; Norway — National Team; Austria — National Team; Belgium — National Team; Holland — National Team; B.E.V. Germany — All-Star Team; and the Boston Barons. The team is guaranteed five games in four days.

This year's trip is for 12 days, from March 22nd

through April 2nd. Prior to the tournament, the team and travel party, consisting of 47 people, stayed in Dusseldorf, Germany for four days. The team played three games in the towns of Dusseldorf, Krefeld, and Ratingen, and then proceeded to Holland.

In Tilburg, Holland, the team is staying with families, learning and experiencing the ways of the Dutch people, as well as meeting, sharing and exchanging with boys from six different European countries who are participating in the tournament.

Edward Johnson of Charlestown, is the General Manager of the Boston Barons. Stephen MacDonald is the teams' Trainer, and Coaches are John Tibbetts and Ron Vitale, both of Charlestown. Team members, their home town, and high school

are: Fred Collins of Charlestown - Pope John; Dave Cunniff of South Boston - St. Margaret's; Tim Day of Winchester - St. Sebastians; John Doherty of Charlestown - Boston Latin; John Ezekiel of Charlestown - Don Bosco; Sean Finnegan of Natick - Natick High; Sean Fitzgerald of Charlestown - Pope John; Erik Fuglestad of Medfield - Medfield High; Sean Healey of Billerica - Billerica High;

and Brad Jenkins of Milton - Nobles & Greenough.

Also, B.J. Kane of Charlestown - Buckingham Browne & Nichols; Marty Kusmual of Tewksbury - Tewksbury Memorial; Dave MacTavish of Dover - St. Sebastians; Dough Michaels of Waban - Rivers Academy; Mike Moloney of Charlestown - Christopher Columbus; Eric Rapchuck of Winthrop - Dom Savio; Jason Rathbone of Brookline -

Brookline High; John Schultz of Framingham - Framingham South; Gary Socha of North Attleboro - Xaverian; and Dan Sullivan of Charlestown - Christopher Columbus.

For the second year in a row, the Boston Barons are the only American team participating in the tournament and are having the opportunity and honor of representing Boston, Massachusetts, U.S.A.

Planning a group party?

When you're planning a party, one you'd like to be both different and exciting, then think of Wonderland. Here in our Clubhouse Dining Room many clubs, social organizations and well-known corporations hold group parties year in and year out. Over 25,000 party-goers from prominent organizations over the past two years have enjoyed a special evening featuring a full-course dinner plus the excitement of dog racing. To make the occasion all the more memorable we'll even name a race after your group, if sizeable enough, complete with a commemorative Paul Revere bowl trophy presentation and souvenir photos. Call Julie Harris now at 284-1300 for a detailed brochure giving menu choices and prices. Your table's waiting!

Notes From The Athletic Director's Desk

A "Page" From Fitchburg State College Hockey

by Bob DeCristoforo

Chris Page is a 1982 graduate of Christopher Columbus High School. Chris Page is a resident of Charlestown. Follow this train of thought and you must know what comes next. Chris Page is a Hockey Player. Put Columbus, Charlestown, and Hockey together and you will further know that Chris Page is a pretty good hockey player. They know it in Charlestown, they knew it at Columbus and now they know it at Fitchburg State College.

The Division III Falcons have just completed another successful season and Page is definitely one of the reasons why. The Junior reached the 100 point mark of his college career this season, and the Falcons got into the ECAC Playoffs once again. According to Fitchburg's Information Director, "Chris got several key game winners and was very effective on the power play."

If they ever write a history

CHRIS PAGE

of Charlestown athletes, they might well call it "Charlestown Pride" and there will definitely be a page in it about a PAGE from Bartlett Street via Fitchburg State.

CHARLESTOWN PRIDE

"Charlestown Pride" also wore Basketball sneakers in '86. Look at the State Basketball Tournament. Christo-

pher Columbus got back into the tournament after eight seasons, as the Friars were led by League All Star John Settiani and Danny Ward of Pleasant Street.

League MVP Joey Fitzpatrick, League All Star Bob Goggin, and Sophomore Joe Hennessy were three reasons why Pope John won their Division, and the Ciarme brothers, Ed and John, helped put Matignon back into a spot of high respectability. Ed Ciarme was League MVP.

Speaking of Tournaments, Derek Agri's commendable performance helped the Matignon Warriors finish as a Division II North Finalist in the State Hockey Tournament. League All Star from Matignon was Pat Duffy.

On Sunday, March 2nd, the Charlestown Boys and Girls Club swim team travelled to Woburn for a Senior Development Swim

Malden Catholic High School's Walk-A-Thon, to raise funds to support the construction of an athletic field at the school, will take place on Sunday, April 13th. The Lancers Organization of M.C., in conjunction with the Development Office, is encouraging all of the boys to participate in this campaign to get people to spon-

sor them for their nine mile walk.

The boys, faculty, and parents of the school will gather at Malden Catholic's Intramural Field at 9:00 a.m. on April 13th, to begin their nine mile walk throughout a wide area of Malden.

Anyone wishing to donate to the construction of the

field, may send their tax deductible donation to: Malden Catholic High School Development Fund, 99 Crystal Street, Malden, MA 02148.

For further information about the Walk-A-Thon, contact Michael Dempsey, Director of Development, at 322-1330.

Girl Scouts Offer Camp Adventure

Need some fun in the sun? Then sign up for Girl Scout camp!

Patriots' Trail Girl Scout Council offers a variety of exciting summer camp activities and programs ranging from the traditional swimming, crafts, and drama to horseback-riding, sailing, biking and even computer instruction! Girl Scout camp is available to any girl in

grades 1 through 12.

Patriots' Trail Council operates three resident camps, two in New Hampshire and one in Massachusetts. The Computer Resident Camp is operated in conjunction with Bentley College and utilizes the dorms and dining hall on the campus along with outdoor facilities at nearby Camp Cedar Hill in Waltham.

The Council also offers eight day camps in various locations in eastern Massachusetts.

There's even a Computer Day Camp, based at ComputerPlace at the Museum of Science in Boston, and a new Traveling Day Camp for older girls.

Both resident and day camps begin in July and sessions are held for one or two weeks. For more information or application materials, call Patriots' Trail Council at 482-1078 or 1-800-882-1662.

Woburn Boys Club Senior Swim Meet

Meet. The 35 member team was well represented by the chosen entrants Michele Peneau, Mayra Adams, Christine Sorrentino, Margaret Adams, Tanya Fennelly, Helen Scales, Michele Bryant, Paul Griffin, Lori Burke, B. Golden, Hong Hang Truong, Cori Gallagher, Jennifer Bryant and Lisa Quinn.

This is the first year Woburn has held this "special" meet in which every event was open to both boys and girls of any age. Several teams competed in the meet, which contributed to its huge success.

Charlestown was well represented by the special 14 member team. Two members competed exceptionally

well. Mayra Adams placed fourth in the 100 yard Backstroke, setting the women's pool record of 1:26.95 and receiving a medal for recognition. Adams also placed sixth in the 100 yard Butterfly and sixth in the 200 yard Individual Medley.

Michele Peneau also received a medal for her efforts by placing fourth in the 100 yard Butterfly with the time of 1:26.12.

Woburn is presently in the stage of planning an "Age Group Freestyle Meet" prior to the dual meet season, and the second annual Senior Development Meet after the Sectionals.

"Our post season activities have been very exciting! The Woburn meet was an 'unique' competitive experience for the team," stated Coach Shelley Montgomery.

The team travelled to Lowell for a regular meet on March 22nd.

Little League News

TRYOUTS

Tryouts for Charlestown Little League will be held on Saturday, April 5th at Ryan Park in Sullivan Square from 11:00 a.m. to 2:30 p.m. and on Sunday, April 6th from 11:00 a.m. to 2:30 p.m.

The rain date is Saturday, April 12th from 11:00 a.m. to 2:30 p.m.

REGISTRATION

Those who have not registered, may do so at the tryouts. It is necessary to bring your birth certificate and the \$15 registration fee.

In order to be eligible for Little League, a boy or girl must be eight years old and not 13 years old before August 1, 1986.

MAJOR LEAGUERS!

Major League players do not have to try out, but they must register.

NOTE

All Managers and Coaches must be at the tryouts. John Curtin

\$185,000 Slated For Improvements To Barry And Doherty Parks

(continued from page 1)

ted while the basic condition of the backstops was "okay", the infield of both diamonds had a drainage problem, while the outfield displayed signs of vandalism from motorists driving on the field. In order to offset the lack of drainage, both infields will be reshaped and the diamond clay mix tilled and regraded. As it stands now, the diamond areas are located on land lower than the surrounding area, which causes puddles on the field. The outfield will be reseeded, and if funding permits, the weed growth along the Mystic River side of the field will be "rubbed out".

In order to deter future driving on the field, Pressley stated a new guard rail will be constructed along the perimeter of Medford Street. Currently, there are two possible areas where cars can gain entrance to the field. One of these areas will be completely closed and the cement pavement slab in the field area itself, along the Medford Street fence, will be completely removed. One controlled gate will be constructed at a corner of the field in order to allow emergency vehicles access.

Residents asked Pressley if, in addition to the creation of team benches, could spectator bleachers also be provided. Pressley stated that the architects would like to see bleachers at the Barry Park, but they were not sure how popular ballgames were in the area. Barnes commented, "This is a major summer attraction."

Another suggestion was for the provision of a foul line pole in the outfield. Since this is not "a major item," Pressley said a pole would be "no problem."

The Doherty Park, which is located on the corner of Bunker Hill and Saint Martin Streets, is a large recreational area with the Clougherty Pool, a children's wading pool, two basketball courts, a children's play area and pedestrian promenade area. According to Pressley, this park is in need of more extensive repair work.

The Clougherty Pool is scheduled to be reconstruc-

ted under \$1.2 million grant from the White Fund. The pool, which according to Barnes has been seasonally repaired with "bailing wire and band-aids", will be reconstructed after the summer season. The work for the parks, however, is scheduled to begin around July 15th. Pressley commented, "We definitely have a scheduling problem." It does not make much sense to repair the basketball area adjacent to the pool just so trucks can drive over the area." Barnes added that this conflict will be addressed at a later date and corrected.

Pressley described the preliminary plans for the park in terms of the five recreational areas: the promenade, the basketball courts, the children's play area, the wading pool and the back field of the park, which extends down the hill towards Medford Street.

The promenade area is located along side Bunker Hill Street. According to Pressley, this heavily shaded seating area is missing trees and the grass is in poor condition due to an erosion problem of soil running down the incline toward the basketball courts. The benches and pavement are in fairly good condition. The fence along Bunker Hill Street is also in good shape, stated Pressley, but it may need a few coats of paint.

Pressley stated that the erosion problem could be corrected by lowering and cleaning the catch basins. A few of the benches will need to be repaired and eight new benches will be placed along Saint Martin Street. Due to the popularity of horse shoe play in the promenade area, Pressley stated a regulation 50 foot horse shoe pit will also be created in this area. The remaining work at the promenade will be in the form of landscaping, grass re-seeding, and additional tree planting for shade.

The basketball courts, located directly behind the promenade area, are in "fairly good condition", stated Pressley. Both courts will need to be recolored and relined and the few cracks in the pavement will be repaired.

The children's play area is in a state of great disrepair. Pressley stated that most of the play equipment has been damaged. In addition, the swings and climbing apparatus is also located above hard pavement which is dangerous, as is the slide which is angled too close to the wooden barriers which enclose the area. Pressley suggested removing the existing swings and slide and replacing them with one larger swing set and replacing the hard pavement with a soft, new sandy surface. The climbing apparatus will be completely replaced with a new, wood climber and slider which is geared more for intermediate age children. The new equipment will be treated so that it is fire proof because, according to Pressley, "There will always be someone who will try to burn the wood." All the animal structures will also be removed.

As for the children's wading pool, Barnes stated his department is trying to tie the repair work needed for this pool in with the Clougherty Pool reconstruction, but this was not definite since the wading pool did not fall under the White Fund. One woman stated that the wading pool needed to be sandblasted, scraped, and painted. "Why fix around it (the wading pool) if you can't use it?" she asked.

Pressley stated that she would like to create a spray pool rather than a wading pool, for safety reasons. Often times water collects in the children's pool, deep enough to cause drowning. A spray pool would not be deep enough to allow any water build up, yet it would serve the same purpose.

The last section of the park that was discussed was the back field area. Currently, the area is not used by residents because of the tremendous overgrowth of weeds. However, many present stated there have been incidents of youths drinking and even cars being driven there and torched. According to Barnes and Pressley, no plans have been made to rehabilitate the area, but the growth could be cleared and maintained. "Right now, it is physically impossible to

walk down the stairs along Saint Martin Street towards Medford Street," stated Pressley, who added the stairs do seem to be in good shape under the weeds. To prohibit vehicular access to the Doherty Park, Pressley stated that a control gate would be installed at the corner of Saint Martin and Bunker Hill Streets and the 12 to 15 foot asphalt walk along Saint Martin Street towards the back field would be narrowed to six feet, and, if necessary, granite posts would be installed to further block access.

Others commented that it was not just youths driving around the park, but also the police. "I don't want to knock the police department," stated resident Bernie Evers, "but, the police come flying into the park. I know they want to catch the kids drinking there, but not when there are young kids playing in the park at the time."

The reconstruction work for both parks is scheduled

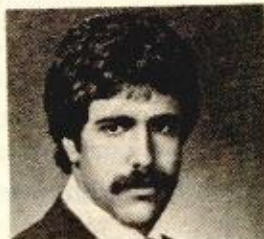

to begin around July 15th. Since the Barry Field is primarily a landscaping project, Pressley stated she did not foresee a problem by delaying the work in order not to disrupt the baseball and softball seasons of local teams who use the field. As for the Doherty Park, there is the reconstruction schedule conflict with the pool work schedule.

Many residents asked if there were any swings available for this summer at the Doherty Park, since most of the present ones have been destroyed. "You must have a warehouse somewhere with some swings in it?" asked one woman. Unfortunately, Pressley stated that the company who originally manufactured and installed most of the equipment at the park has since gone out of business.

Resident David Dow asked Barnes if there was any assurance that after this reconstruction work is completed that the parks will be maintained. According to

Barnes, the city is going to implement a Maintenance Tracking System to be in place by June. This system will provide a tighter grip on the maintenance schedules of all parks. "Right now, we have a 40 to 50% productivity rate, hopefully, this system will give us 90 to 95% productivity. I don't see how it can fail." Barnes added, the tracking system will provide a means of accountability, "and if you have accountability, you'll have productivity." Due to the large financial commitment of the city into the Capital Improvement Plan, Barnes added, "The Mayor is going to make damn sure that these parks are going to be maintained."

As it stands, the architects will begin their design of "working drawings", which will then go out to bid for construction. Barnes stated that prior to any work at either park, another community meeting will be held. No date has set for this meeting.

BONDING UPDATE

WHAT CAN BONDING DO?

Reshape malformed teeth.
Straighten some teeth instantly.
Restore fractured teeth.
Close spaces between teeth.

Cover stained teeth.
Splint loose teeth.
Repair existing bridges.
Reduce Cost.

SOME ADVANTAGES OF BONDING ARE: Less drilling of teeth; anesthesia is not usually required; procedure may be completed at the same visit; **cost is less** than other methods of esthetic care and bonding is reversible, meaning that the bonding can be removed and done over or another technique used.

REPORT ON BONDING: After several years, using bonding materials at Dental Associates, we feel that this procedure is valuable for certain conditions. Teeth do **look better**; fractured teeth repaired, cavities filled, defects corrected. The bonding material is being used to splint teeth and to fill in between teeth. These materials have proved themselves to be a valuable adjunct to our practice.

Where can you get more information? Call Dental Associates at 242-1616 for a brochure or make an appointment for a no charge clinical examination.

JOB OPPORTUNITY

Massachusetts Trial Court

Job Description and Qualifications for EXECUTIVE ADMINISTRATIVE ASSISTANT

All applications must be received by: April 18, 1986

POSITION SUMMARY:

Assists the department head in the formulation of objectives and implementation of programs related to the administration and provision of services within a Court Division. Typically responsible for the supervision of such diverse administrative functions as the preparation of the annual budget, payroll and purchasing, personnel records, training programs for new employees, and case flow management. Also functions as overall office manager coordinating the work of subordinate clerical employees including first line supervisors.

MAJOR DUTIES:

The following list of major duties represent a composite of typical duties performed by individuals in this position. Specific duties performed by an incumbent will vary depending upon the Court department and the Division within the department.

Coordinates the annual budget process including the review of specific requests and preparation of all recommendations for the budget.

Supervises the fiscal and accounting functions including the handling of all cash receipts and the preparation of fiscal and statistical reports.

Supervises the preparation of the payroll and the maintenance of payroll and personnel records.

Assists in case flow management and recommends improved case flow management procedures.

Develops and maintains accurate statistical data for the ongoing evaluation and management of the Court.

Recommends and implements procedures and programs to enhance Court performance and service to the community.

Responds to requests for assistance and information from the general public and members of the bar.

Coordinates the work of subordinate clerical employees including first line supervisors.

Plans and directs special projects.

Acts as liaison with outside units, agencies or public interest groups.

Performs related duties as required.

SUPERVISION RECEIVED:

Receives general direction in performing duties in accordance with general policies and procedures. Completed work is reviewed on an overall basis with emphasis upon results achieved. Considerable judgment required.

SUPERVISION EXERCISED:

Supervises first line supervisors as well as other staff.

POSITION REQUIREMENTS:

Considerable administrative and managerial skills as would commonly be acquired through supervisory experience within the Court system or three years of related supervisory experience.

Knowledge of bookkeeping, recordkeeping and other office procedures.

Working knowledge of the Massachusetts Court system and applicable statutes.

Ability to communicate both verbally and in writing.

Ability to supervise clerical supervisors and staff.

Ability to prepare clear and accurate statistical reports.

SALARY: Level 15 — \$23,181.33 to \$29,503.50

APPLICATIONS MAY BE OBTAINED AT

Local Agencies Share In Record Allocations From The United Way

Agencies providing health and human services to Charlestown residents this year will share in record allocations from the United Way of Massachusetts Bay.

The 1986 allocations total of \$30.8 million includes a record increase of \$3 million over last year's total going to the United Way's 190 agencies in eastern Massachusetts.

Local residents will benefit from allocations to area agencies, including: the John F. Kennedy Family Service Center (\$100,000), the Armed Services YMCA (\$68,000), and Boys and Girls Clubs of Boston (\$710,000), which includes the Charlestown Clubhouse.

The allocations decisions were made by about 150 United Way volunteers serving on six citizen-review committees. Through this citizen-review process — which is unique among charities — volunteers evaluate agencies according to program and financial account-

ability, management, service delivery, and overall performance.

Local committee members were Robert Ciolek, Bruce Haddon, Colleen Hovey, and Toby Yarmolinsky.

United Way of Massachusetts Bay agencies provide a wide variety of services to more than 1.2 million people in more than 80 cities and towns in eastern Massachusetts. Of every dollar contributed, 88 cents goes to support affiliated agencies, with 12 cents retained for administrative and fund-raising costs combined.

Summer Jobs

The Kennedy Center is accepting applications for the ABCD Summerworks Program.

Youth between the ages of 14 and 21, who are financially eligible, need a Social Security Card to apply.

For further information, contact Dan McGoff at the Kennedy Center, 27 Winthrop Street.

Children's Films

The Film Program for Children will be presented at the Charlestown Branch Library, 179 Main Street, on Tuesday, April 1st at 10:30 a.m. and 3:30 p.m.

The features will be "Mischievous", in which a boy plays

tricks on his farm animals; follow baby fox through the woods in "Adventures of Baby Fox"; and Mr. Magoo accidentally gets on an airplane when he thinks he is going to the movies in "When Magoo Flew".

The suggested reading, in conjunction with this program, includes: **Chicken Tricks** by Megan Lloyd, **Rosie's Walk** by Pat Hutchins, and **The Trip** by Ezra Jack Keats.

In addition, Laurel and

Hardy deliver a piano in "Laurel and Hardy: The Music Box", which will be shown during the afternoon program.

The suggested reading is **Henry Reed's Baby Sitting Service** by Keith Robertson.

Computer Classes

The Charlestown Boys and Girls Club will be starting a new series of computer classes on Tuesday, April 8th. Classes will be given in Introductory Programming, Intermediate Programming, and Word Processing.

Interested Club members should sign up in the Library at the Charlestown Clubhouse, 15 Green Street, between Tuesday, April 1st and Saturday, April 5th.

Non-members who are interested, should call Connie MacDonald at 242-1775.

Space is limited, so sign up early.

Book Discussion

The Adult Book Discussion Group at the Charlestown Branch Library, 179 Main Street, will meet on Thursday evening, March 27th at 6:30 p.m. to discuss **The Playboy of the Western World** by John Millington Synge.

A Note Of Thanks

To all my family and friends and to all my neighbors who helped me in the election for Mayor of Charlestown, my sincerest thanks.

Fran Scadding

Our Thanks

To the Editor,

We would like to thank all those who contributed to "Mrs. Bee's Gardens" during the week long fund-raising drive. Your support will help us launch our spring start-up.

We would also like to thank the youth who worked so diligently during the campaign.

Sincerely,
Mrs. Bee

To The Members Of The Parents Discussion Group

I was unable to say good-bye to the members of the Parents Discussion Group last Friday. I have enjoyed knowing all of you and will miss seeing you each week. My time here in Charlestown has been a pleasure and that pleasure came from the people I met here who made me feel so welcome. Thanks!

Charlestown Police Line

From the desk of
Deputy Superintendent Ronald X. Conway
Commanding Officer, Area A
Downtown, East Boston, Charlestown, Beacon Hill

On March 14, 1986 at 7:20 p.m., Officer Skeen assigned to the N102F car, responded to 31 Chelsea Street relative to an Armed Robbery and stabbing. Upon the officer's arrival, the victim stated he was leaving the store when he was approached by two unknown white males, one wearing a Celtic jacket. One of the culprits stabbed the victim in the chest and robbed him of \$90 in U.S. Currency. The victim was taken to Massachusetts General Hospital for treatment.

Essay Contest For 7th and 8th Grade Students

The Old Charlestown Schoolboys Association is conducting an essay contest, open to students in the seventh and eighth grades of Charlestown schools and to seventh and eighth grade students who reside in Charlestown.

The subject of the essay is "What Charlestown Means To Me" and should contain from 300 to 500 words. The deadline for submission of the essay is April 15th.

Students attending Charlestown schools will submit their essays to their respective schools. Students who attend schools outside Charlestown, should mail their essays to Jim Carr, 14 Austin Street, Charlestown, MA 02129.

Four prizes of Fifty Dollar U.S. Savings Bonds will be presented to the winners by the Association President.

Connie McCarthy, at the Annual Schoolboys' Banquet to be held on May 15th at the Knights of Columbus Hall.

Serving on the Essay Contest Committee are Edward Everett, Jim Carr, Edward Furlong, Bill Maisey, Henry Hurley, Thomas McLaughlin, George Murphy and Bill Magner.

For further information, call Edward Everett at 242-2827, James Carr at 242-2449, or Bill Magner at 581-0828.

Rummage Sale

The Women's Group of The First Baptist Church, 5 Monument Square, Charlestown, will hold a Rummage Sale on Saturday, April 19th from 10:00 a.m. to 3:00 p.m.

Light refreshments will be available.

On March 14, 1986 at 10:20 p.m., Officer Cassenelli assigned to the 405F car, received a radio call to the Front Page Restaurant relative to a larceny. Upon the officer's arrival, the victim stated that while sitting down at a table, her handbag was stolen from her seat. Stolen was her handbag, money, and personal papers.

On March 15, 1986 at 9:10 p.m., Officer Curran assigned to the A406F car, responded to the rear of 274 Main Street relative to a stabbing. Upon the officer's arrival, the victim stated that he received a stab wound in his thigh and did not want to give any further information.

On March 16, 1986 at 12:00 a.m. Officers O'Laughlin and Marr assigned to the Boston Housing Police and while on patrol, observed an argument in a hallway of 9 Starr King Court. Upon investigation, the officers observed a local man wanted on warrants, involved in an argument with his friends. The suspect called the police some obscene words and pun-

ched one of the officers in the face. The suspect was arrested and charged with A/B on a police officer, and on outstanding warrants.

On March 16, 1986 at 5:40 p.m., Officer O'Malley assigned to the A405F car, responded to 200 Rutherford Avenue for an assault and battery report. Upon the officer's arrival, the victims, two exchange students, reported that while walking on the foot bridge they were approached by seven unknown white males who assaulted them and knocked their food from their hands. A search of the area was conducted.

On March 18, 1986 at 11:10 a.m., Officer Lynch assigned to the N102D car, responded to an apartment on Medford Street relative to a home invasion. Upon the officer's arrival, the victims, a 95 year old male and a 92 year old female, reported to police that he answered the front door bell and that a Puerto Rican female stated that she had a special delivery package for him to sign. As he opened the door, two males pushed their way into the house and robbed him of his money, and property. The bandits ransacked the home before leaving. This incident is to be further investigated by Area A Detectives. **Be on the alert for such crimes.**

On March 20, 1986 at 7:25 p.m., Officer Mokler assigned to the A406F car, responded to the Bunker Hill Mini Mart at 142 Bunker Hill Street relative to a robbery. Upon the officer's arrival, the owner reported that a white male, wearing navy blue jogging pants with a red stripe, rolled up to look like shorts, and a blue jacket, held a knife on the store employee and demanded cash. The suspect fled into the project.

Charlestown residents are being asked to assist the Boston Police Drug Control Unit with any information concerning drugs. All information will be held in strictest confidence. Call 247-4697.
