

Visitor Guidelines for FOTODOK

For a safe visit to FOTODOK, please take into account the following guidelines:

- Visits are only possible after reserving a time slot through <https://forms.gle/GJhsNebcqWnYXSvm6>
- We allow ten visitors in the building during each time slot.
- Each room can host a maximum of five guests, excluding the guide or artist.
- Please arrive five minutes before your time slot at the entrance of the building.
- It is required to wear a face mask.
- Show your reservation confirmation (digital or printed) at the entrance.
- Please disinfect your hands with gel or soap available at the entrance.
- Upon entering you will receive a floor plan with a route, please follow this route during your visit.
- Please keep your coat and other possessions with you during the visit if possible.
- The toilet on the first floor is available for use.
- Please ensure you give other visitors ample space in the building (1.5 metres).
- Try to avoid touching anything in the building.
- Please follow any additional instructions given by the host, thank you.

General health guidelines Covid-19

Symptoms

Do you have cold symptoms such as a runny nose, sore throat, a (light) cough or a fever (38 degrees or higher), and/or shortness of breath? If so, please stay at home.

Hygiene measures

- Wash your hands after touching surfaces others have also touched. Wash your hands carefully for 20 seconds with water and soap, afterwards dry your hands well with a paper towel. Throw the towel away in a closed bin.
- Cough and sneeze into the inside of your elbow.
- Use paper tissues, and throw them away afterwards in a closed bin.
- Don't shake hands.
- Keep 1.5 metre distance from others.
